

The bestselling guide for aspiring fashion designers, this expanded and updated edition includes revised material throughout and presents a wealth of drawing styles, plus a brand new section on digital techniques.

- Organized into instructional units that reflect courses in leading design colleges, the text progresses from finding initial inspiration to employing different methods of capturing your vision.
- Learn how to create irresistible fashion collections, and then discover how to communicate the look to others. See the world in new ways; express your ideas through your drawings; target your approach to specific customers; develop a cohesive style; and build an eye-catching portfolio.

Jemi Armstrong teaches fashion sketching and illustration at Santa Monica College and the Fashion Institute of Design & Merchandising (FIDM) in California. She illustrates for leading retail and manufacturing clients, and has written and illustrated several books on fashion drawing.

Wynn Armstrong teaches digital media classes for fashion and computer design at the American InterContinental University, the Fashion Institute of Design & Merchandising (FIDM), Woodbury University and The Academy of Couture Arts, all in California, and has collaborated on several books on his subjects.
