**in Film** Wayne M Bryant,2013-10-23 How far have we progressed from the days when showing a film such as Jack Smith's Flaming Creatures landed the cinema's programmer projectionist and ticket taker in jail What are some of the hidden clues modern audiences are overlooking in older films that suggest a character's bisexuality Which famous actors actresses directors and screenwriters were attracted to people of both sexes In Bisexual Characters in Film the first book to focus on the role of bisexual characters in film you'll find answers to these questions and many more as you explore analyze and celebrate 80 years of bisexual movie characters and the people who have created them from around the world A lively entertaining and informative commentary this book examines the treatment of bisexual film characters and shows you how that treatment has been affected by societal forces such as censorship politics religious prejudices homophobia and sexual stereotypes Bisexual Characters in Film looks at the contribution of bisexual people and others who have had lovers of varying sexes to the body of work available on film today These include the directors writers actors composers and designers whose sexual orientation has informed their work An analysis of the Motion Picture Production Code and its devastating effect on bisexual and homosexual screen images forms an important part of the book You learn how specifically it eradicated gay lesbian and bisexual characters from Hollywood films as well as the role of bisexual lesbian and gay filmmakers in finally defeating it Other questions you'll find answers to include Who or what is a bisexual How were bisexual characters represented in silent film before the forces of censorship banned them from the screen What bisexual myths and stereotypes are portrayed on film What is the role of camp in bisexual film Bisexual Characters in Film is a unique resource for researchers librarians film festival planners the queer media professors and students of lesbian gay and bisexual studies bisexual activists and general bisexual gay lesbian and transgendered readers It provides a much needed view of bisexual representations in a major segment of our popular culture Hanna Schygulla Ulrike Sieglöhr,2019-07-25 One of the most

celebrated figures of the New German Cinema Hanna Schygulla acquired transnational stardom through her work with a range of directors in different national cinemas and languages This absorbing study charts Schygulla s career and star persona from her early days as a member of Rainer Werner Fassbinder s experimental anti teater group to her work with eminent European auteurs including Jean Luc Godard Andrzej Wajda and more recently Fatih Akin It also discusses her reinvention as an acclaimed cabaret chanteuse Unpicking the myth that Schygulla s star persona depended on her collaboration with Fassbinder Ulrike Sieglohr examines how her versatile and idiosyncratic acting style developed throughout her career With in depth analysis of key films and their international receptions Sieglohr foregrounds Schygulla s individual agency resourcefulness and talent Fear Eats the Soul (Angst Essen Seele Auf) Laura Cottingham,2020-10-15 In Rainer Werner Fassbinder s *Fear Eats the Soul* *Angst Essen Seele Auf* 1974 Emma Brigitte Mira a working class widow and former member of the Nazi party marries Ali El Hedi ben Salem a much younger Moroccan migrant worker Set in Munich during the 1970s the film melds the conventions of melodrama with a radical sensibility to present a portrait of racism and everyday hypocrisy in post war Germany It is a film about the way conventional society detests anything and anybody unfamiliar but also a film about the hopes and limits of love Intricately directed beautifully performed and designed to show Munich life in all its shabby kitschiness *Fear Eats the Soul* may be Fassbinder s finest film Laura Cottingham celebrates Fassbinder s achievement placing *Fear Eats the Soul* in relation to his extraordinarily prolific career in theatre film and television Her analysis pulls back the thin curtain that separated his work from his tumultuous life She also explores the director s debt to the lush Hollywood melodramas made by fellow German Douglas Sirk especially *All That Heaven Allows* 1955 In a detailed scene by scene analysis Cottingham shows how Fassbinder managed to combine beauty and tenderness with fierce political critique Reading Bibles, Writing Bodies Timothy K. Beal,David Gunn,2002-06 The Bible is often said to be one of the foundation texts of Western culture The present volume shows that it goes far beyond being a religious text The essays explore how religious political and cultural identities including ethnicity and gender are embodied in biblical discourse Following the authors we read the Bible with new eyes as a critic of gender ideology politics and culture We ask ourselves new questions about God s body about women s role about racial prejudices and about the politics of the written word *Reading Bibles Writing Bodies* crosses boundaries It questions our most fundamental assumptions about the Bible It shows how biblical studies can benefit from the mainstream of Western intellectual discourse throwing up entirely new questions and offering surprising answers Accessible engaging and moving easily between theory and the reading of specific texts this volume is an exciting contribution to contemporary biblical and cultural studies
