Wisden Anthology 1978-2006 Stephen Moss,2006-10-01 A definitive tome essential to all cricket book collectors and Wisden readers In the early 1980s Wisden published four anthologies that celebrated the best of Wisden Cricketers Almanack stretching back to its first edition in 1864 Edited by the respected jazz musician raconteur and cricket lover Benny Green these volumes proved very popular Wisden readers have long awaited a fifth updated volume to cover the intervening period marked by all time greats like Viv Richards Ian Botham Richard Hadlee Imran Khan Sachin Tendulkar Steve Waugh Brian Lara and Shane Warne The Wisden Anthology 1978 2006 meets this demand though it does not follow the style of the Benny Green volumes Rather than selecting random highlights Stephen Moss has edited this anthology with the aim of painting a coherent picture of cricket's evolution over the past 30 years Quite simply it is a story of revolution beginning in Test cricket's centenary year when England regained the Ashes Geoffrey Boycott scored his hundredth hundred Ian Botham took five for 74 on debut and Kerry Packer's millions ensured the era of deferential players earning a pittance was over for good Thirty years on for better or worse cricket has changed radically The top players form a highly paid elite who rarely venture beyond the international arena television calls the tune the political balance of power has shifted towards Asia one day cricket in coloured clothing is ubiquitous and run rates rise inexorably while batsmen tear bowlers to pieces as never before To the gnarled old pros of the 1950s the game must be unrecognisable A genuine revolution charted in 40 000 Wisden pages over the past 30 years is now distilled into a 1 280 page anthology that selects the matches players events and controversies which ushered the game into a brave new century

Glory Days of Cricket Mote, Ashley,2015-02-02 Broadhalfpenny Down is the Mecca of cricket The Bat and Ball Inn across the road is pavilion to the whole cricket world This is the home of the legendary 18th century Hambledon Club Every cricketer wants to visit it because they know this is where cricket began Only it didn't That Broadhalfpenny Down is the birthplace of cricket is one of the most

well established myths in sporting history Yet this ground still holds a unique place in the history of the game It is where a simple country pastime evolved into a national sport where the crude techniques of the first players evolved into subtler skills Between the 1750s and late 1790s Broadhalfpenny Down staged the biggest matches and fielded the most famous team playing all England 51 times and winning on 29 occasions often in front of 20 000 spectators Here for the first time since 1907 is a full account of the events of more than 200 years ago Extensively researched and compiled and updated for this 2015 ebook edition its author Ashley Mote played competitive club cricket for more than 50 years He is a non playing member of numerous cricket clubs A former journalist scriptwriter and businessman he now writes non fiction Between Overs Michele Savidge,2022-03-07 The 1970s in the East Midlands was a decade of mediocrity As a young girl growing up there Michele Savidge seemed destined for a prosaic life But everything changed when as a 12 year old she saw Viv Richards bat At that moment she fell in love with Richards and with West Indies cricket She set her sights on becoming a cricket journalist and realised that dream in spite of the obstacles in her way Between Overs is an elegiac often comedic romp through the trials Michele faced It includes outrageous Me Too incidents in depth appraisals of her hero Viv Richards and a close encounter with actor Peter O Toole Births life bereavement and depression took her away from the sport she loved But the 2019 Cricket World Cup a purple and green polyester tracksuit and the intense climax of the final at Lord s saw the old flame rekindled and taught Michele how to love life and cricket again HANDBOOK OF CRICKET PSYCHOLOGY M. N. VISWANATH,K. SRINATH,2025-04-01 This book deals with the mental aspects of cricket Though the game of cricket is deemed a physical sport in reality it is equally a mind sport Knowledge of the mind skills involved and its application is very important to the overall performance Taking all this into account we decided to bring out the handbook on psychology of cricket This book is unique its own way as it is the first of its kind to address the niche topic about the mental aspects of the game Post COVID was the period saw many cricketers come out in the open and expressed mental health concern This book addresses these concerns and will be a ready reckoner to modern day cricketers A Delicious Slice Of Johnnners Brian Johnston,2011-09-30 Following Brian Johnston s death in 1994 Prime Minister John Major appeared to speak for the nation when he remarked that Summers will never be the same To an Englishman s ears the sound of leather against willow will always be closely associated with the cheerful tones of Johnnners Brian Johnston was a man who admitted I have this absurd hankering to make people laugh He also summed up his books as the meanderings of a remarkably happy and lucky person to whom life like cricket is a funny game and still a lot of fun Lovingly edited by his eldest son Barry A Delicious Slice of Johnnners is a wonderfully enjoyable compendium of three of Johnnners best loved books the autobiographies It s Been a Lot of Fun and It s a Funny Game and Rain Stops Play **Beefy's Cricket Tales** Ian Botham,Dean Wilson (Ghostwriter),2013-10-10 Life is very rarely dull or quiet when Sir Ian Botham is around One of Britain s greatest sportsmen Beefy has always worked hard and played hard and this book reflects that Botham has compiled some of his favourite stories

from a life devoted to cricket and brought them all together in one volume With the help of his huge network of friends colleagues team mates and opponents he has put together a wonderful collection of the best and the funniest stories from the cricket world Featuring contributions from legends such as Shane Warne fellow commentators and former team mates including David Gower and many of the current England team this is a book the reader can pick up and immediately be privy to some of cricket s strangest and most hilarious moments from the player who turned up to a game without any clothes on to avoid being fined for wearing the wrong kit to the cricketing legend whose desire for a burger landed him in hot water

Gentlemen and Sledgers Rob Smyth,2015-05-21 From the celebrated mock obituary following England s first ever defeat by Australia on home soil in 1882 to the on pitch insults or sledges of today ashes cricket has spawned nearly as many memorable quotes as it has balls bowled and runs scored Gentlemen and Sledgers charts the ebb and flow of Anglo Australian cricketing fortunes across 131 years and 314 matches by telling the stories behind 100 memorable ashes quotations From fast bowler Jeff Thomson s classic I enjoy hitting a batsman more than getting him out I like to see blood on the pitch in 1975 to Michael Clark s notorious advice to Jimmy Anderson to get ready for a broken arm in 2013 the quotations embrace quips insults examples of the dark art of sledging and even the occasional considered cricketing judgement Evoking memorable moments and matches as well as highs and lows in the careers of Australia and England s greatest players Gentlemen and Sledgers is an informal freewheeling discursive and entertainingly opinionated history of the ashes

The Cambridge Companion to Cricket Anthony Bateman,Jeffrey Hill,2011-03-17 Few other team sports can equal the global reach of cricket Rich in history and tradition it is both quintessentially English and expansively international a game that has evolved and changed dramatically in recent times Demonstrating how the history of cricket and its international popularity is entwined with British imperial expansion this book examines the social and political impact of the game in a variety of cultural sites the West Indies India Pakistan Sri Lanka South Africa Australia and New Zealand An international team of contributors explores the enduring influence of cricket on English identity examines why cricket has seized the imagination of so many literary figures and provides profiles of iconic players including Bradman Lara and Tendulkar Presenting a global panoramic view of cricket s complicated development its unique adaptability and its political and sporting controversies the book provides a rich insight into a unique sporting and cultural heritage

Broadside

Stuart Broad,2015-11-05 The photograph was splashed all over the front pages of the newspapers Stuart Broad s astonished face after a brilliant catch in the slips helped him towards a remarkable spell of eight for 15 that as good as won the Ashes for England Once more England were playing an exciting brand of cricket and giving their fans plenty to cheer about Now in Broadside Broad explains how the side bounced back from a very disappointing World Cup to rediscover the form and passion that led them to an unexpected Ashes triumph Only a few weeks before there had been calls for captain Alastair Cook to step down and for Kevin Pietersen to be recalled to the side For Broad too there were battles to be fought including

recovery from a serious injury and regaining his confidence as a batsman after suffering a horrific blow to his face After a moderate series in the Caribbean England began to find a new approach against New Zealand which they carried through to devastating effect to win the Ashes Now one of the senior figures in the squad Broad talks about the key factors in the comeback and the challenges and excitements in the life of an international cricketer With revealing behind the scenes insight into the England set up Broad takes the reader into the thick of the action as the team went from the lows of World Cup disappointment to the highs of Ashes victory Along the way they inspired all who saw them with their infectious enthusiasm and positive approach

The Immortals of English Cricket Bill Ricquier, 2021-06-23 In *The Immortals of English Cricket* Bill Ricquier tells the cricketing life stories of eleven of England's greatest male cricketers Ricquier selects his Immortal English team from players who didn't just dominate they changed the game with their sheer will Those portrayed include Jack Hobbs the highest run scorer in the history of first class cricket Ian Botham who was the most famous sportsman in the country in the 1980s and James Anderson England's leading Test wicket taker Selected also is Wilfred Rhodes the legendary slow left arm bowler who made almost 40 000 first class runs and took over 4 000 first class wickets and the extraordinary Fred Trueman described as the finest bloody fast bowler that ever drew breath *The Immortals of English Cricket* will inspire discussion debate and controversy but indisputably represents a team of remarkable skill and character one to proudly represent the Crown and Three Lions on any Elysian field *Grovel!* David Tossell, 2012-05-11 When England cricket captain Tony Greig announced that he intended to make the West Indies grovel he lit a fire that burned as intensely as the sunshine of Britain's long hot summer of 1976 Spurred on by what they saw as a deeply offensive remark by a white South African Clive Lloyd's touring team made Greig pay through the exciting batting of Viv Richards and the frightening pace of bowlers Michael Holding and Andy Roberts *Grovel* provides a fascinating study of the events and social issues surrounding one of the sport's most controversial and colourful tours Runner up in Best Cricket Book category at both the British Sports Book Awards and Cricket Society Book of the Year Forthright foreword by Tony Greig in which he addresses one of the most infamous comments in cricket history Featuring interviews with key figures from English and West Indian cricket Addresses all the vibrant sporting storylines of the series while examining the darker undercurrent that existed in a period of ongoing racial tension around the country Traces the origins of the great West Indies team of the 1970s and 80s which featured in the film *Fire of Babylon*

A War to the Knife Richard Bentley, 2019-06-18 The book tells the story of two test match series England vs West Indies in 1933 and West Indies vs England in 1935 The England team was one of the best to ever play the game Their side including Herbert Sutcliffe Wally Hammond Harold Larwood and captained by Douglas Jardine had just battered Australia by 4-1 in the infamous bodyline series Australians though regarded the bodyline series as a travesty what was supposed to be a gentle game for gentlemen had been turned into a struggle for dominance characterised by violence intimidation and injury The West Indian team made up of from the populations of Britain's

scattered possessions in the Caribbean and divided by race as well as island loyalties seemingly had little chance against Jardine's juggernaut. But cricket in the West Indies was more than just a game; the cricket field was a place where the island's black population could meet their white compatriots as equals in competition. Competitions they often won. West Indian cricket was an exciting new thing suffused with athletic excellence, passion, the desire for dignity and financial security. Could men like Learie Constantine, Manny Martindale and George Headley take West Indian cricket out into the world and beat the best the British had to offer?

The Hollow Crown Mark Peel, 2020-05-18 Award-winning cricket writer Mark Peel charts the development of the England captaincy from 1945 to the present with portraits of England's 43 captains. Is England's failure to produce sufficient leaders of stature especially in comparison with Australia down to individual deficiencies or the exacting nature of the job?

The Art of Captaincy Mike Brearley, 2015-06-18 The best book on captaincy written by an expert. Mike Atherton, Mike Brearley is one of the most successful cricket captains of all time and in 1981 he captained the England team to the momentous Ashes series victory against Australia. In *The Art of Captaincy* his study on leadership and motivation he draws directly on his experience of managing a team which included a pugnacious Ian Botham and Geoffrey Boycott to explain what it takes to be a leader on and off the field. Giving an insight into both his tactical understanding of the game as well as how to get a group of individuals playing as a team in order to get the best out of them. *The Art of Captaincy* is a classic handbook on how to generate and inspire success. With a foreword by former England player and BBC commentator Ed Smith to celebrate the thirtieth anniversary of its first publication and an afterword by director Sam Mendes. *The Art of Captaincy* remains urgently relevant for cricket fans and business leaders alike. Covering the ability to use intuition, resourcefulness, clear-headedness and the importance of empathy as a means of achieving shared goals. Brearley's seminal account of captaincy is both the ultimate blueprint for creating a winning mind set but also shows how the lessons in the sporting arena can be applied to any walk of personal and professional life.

Sport Histories Eric Dunning, Dominic Malcolm, Ivan Waddington, 2004-06 *Sport Histories* draws on figurational sociology to provide a fresh approach to analysing the development of modern sport. The book brings together ten case studies from a wide range of sports including mainstream sports such as soccer, rugby, baseball, boxing and cricket to other sports that until now have been largely neglected by sports historians such as shooting, motor racing, tennis, gymnastics and martial arts. This groundbreaking work highlights key debates in the analysis of modern sport such as the relative influence of intra-national class conflict and international conflict, the relative prominence of commercially led processes in different contexts, the centrality of concerns over violence, differences between elite and mass-led sports developments. Above all, *Sport Histories* proves the distinctiveness of the figurational sociological approach and its usefulness in the study of the development of modern sport.

Cricketing Cultures in Conflict Boria Majumdar, J. A. Mangan, 2004 This title looks at the economic and social implications of the 2003 Cricket World Cup in various countries and explores the role of cricket in relation to South Africa, Pakistan, Sri

Lanka West India and Kenya **The Pictorial History of Cricket** Ashley Brown,1988 208 p ill **Head On - Ian Botham: The Autobiography** Ian Botham,2009-09-15 Voted the greatest English cricketer of the 20th century by the fans Sir Ian Botham is the English game's one true living legend and his story both on and off the pitch reads like a Boy's Own rollercoaster ride Born with a natural genius for cricket Botham began breaking records with bat and ball from a young age and soon became the man English cricket expected most from After a troubled period as England's captain Botham rose once again to become a national hero with his display in the Miracle Ashes of 1981 But with his confrontational nature and wild streak he began regularly making the wrong kind of headlines With accusations of drink and drugs affairs and ball tampering he became hounded by the tabloid pack never sure whether they wanted him to triumph or implode Now a Knight and just as famous for his tireless charity work Beefy gives us the definitive story of his never dull life and times in his own no nonsense words
