

An aerial photograph of a beach at sunset or sunrise. The ocean waves are breaking onto the shore, creating white foam. The sand is a warm, golden-brown color. The sky is not visible, but the lighting suggests a low sun. The text is overlaid on the left side of the image.

Nails were not enough to hold God-  
and-man nailed and fastened on the  
Cross, had not love held Him there.

## Fastened On God:

Fastened on God Joseph Moore, 1984-11-01      **New Cyclopaedia of Prose Illustrations** Elon Foster, 1870      *The Eternal Joys of God's Presence. A Sermon Preach'd at the Temple-Church Upon All-Saints Day. Printed at the Request of the Treasurers and Benchers of Those Two Honourable Societies* Henry Felton, 1699      **A Brief Exposition of the Epistles of Paul to the Galatians, Ephesians, Philippians, Colossians and Thessalonians. By James Ferguson ... Reprinted from the Original Edition, 1656-1674. [With the Text.]**, 1841      God's Chosen: Understanding Spiritual Warfare G. Grace Small, 2013-01-14

Gods Chosen Understanding Spiritual Warfare is a book that inspires encourages and teaches Christians to effectively manage warfare and live victoriously for Christ It offers Christians a fresh look at the basis of putting on God s full armor and learning to use the means God affords namely His strength and mighty power As Believers prepare to fight triumphantly against evil and wicked forces we come to an understanding of the challenge purpose and outcome of spiritual warfare Putting on God s armor and standing firm in Him amply equips us to fight offensively and defensively Knowing Jesus fixed the fight in our favor produces confidence to oppose the enemy and remain faithful to God Through conscious engagement in this fight we win against all odds In 2005 during prayer the Holy Spirit inspired me to write this book on spiritual warfare I was going through a precarious time and as usual I sought God in prayer and study of the Word The Holy Spirit led me to Ephesians 6 10 18 As I studied and meditated God moved me to begin writing on the subject of warfare During research and study I discovered there are not enough books addressing this phase of our journey Therefore I saw the need to press through varied attacks to produce this important work      Commentary on the Book of the Prophet Isaiah Ð Volume II John Calvin,      **Alfred the West Saxon** Dugald Macfadyen, 1901      *John Calvin's Bible Commentaries On The Book Of Hosea* John Calvin, Calvin produced commentaries on most of the books of the Bible His commentaries cover the larger part of the Old Testament and all of the new excepting Second and Third John and the Apocalypse His commentaries and lectures stand in the front rank of Biblical interpretation This book embraces the most difficult portion in some respects of THE OLD TESTAMENT and of that portion as acknowledged by all the most difficult is THE BOOK OF THE PROPHET HOSEA Probably no part of Scripture is commonly read with so little benefit as THE MINOR PROPHETS owing no doubt to the obscurity in which some parts are involved That there is much light thrown on many abstruse passages in this Work and more than by any existing Comment in our language is the full conviction of the writer Acute sagacious and sometimes profound the Author is at the same time remarkably simple plain and lucid and ever practical and useful The most learned may here gather instruction and the most unlearned may understand almost every thing that is said The whole object of the Author seems to be to explain simplify and illustrate the text and he never turns aside to other matters He is throughout an Expounder keeps strictly to his office and gives to every part its full and legitimate meaning according to the context to which he ever especially attends      God's Word for America Thomas Nelson Incorporated, World Publishing

Matthew McMahon,2015-07-28 This most excellent work is divided into two parts First Carter exegetes and expounds the wheels of Ezekiel s vision in Ezekiel 1 and 10 Then in the second part he exegetes and expounds the nail in Isaiah s preaching 22 23 Both works are ultimately pointed at the manner in which God sets up and pulls down those wheels and nails that are to work in his providence for his glory among his people Carter s poignant application of his exegesis on Ezekiel s wheels is masterful thought provoking and reaches the inner recesses of the Christian heart It elevates the power of the Son of God who sits on the chariot throne of the wheels of his providence and commands the wheels to move here and there in providential oversight of the whole world His work on the hammering of the nail is equally impressive in its substance showing God s power and providence over those in

authority and those under authority Though Carter is purposeful to deal with circumstances in his time with these passages it does not take much for today s Christian to be spiritually charged by the initial exegesis doctrine and preaching of these works From the Introduction Christians often wonder What is God s will for my life Carter s exposition on God s providence and control of the earth will aid the Christian in making a conscious discernment in answering that question Once the Christian heart and mind is given over to a true realization of God s providence in its power and authority their worldview is held captive in contentment of God s work in their own life God moves things in the world for our good but ultimately his glory Here publishing Carter s sermons has been well worth the time for all Christians need to be aggressively reminded of God s power to be God in the control of all things from the least to the greatest for his own glory The church would do well to study this work to glorify Christ in his all encompassing providence over everyone and everything This is not a scan or facsimile has been updated in modern English for easy reading and has an active table of contents for electronic versions
