A. Smith,2016-03-29 Christianity Today Book Award Winner Martin Institute and Dallas Willard Center Book Award You are what you love But you might not love what you think In this book award winning author James K A Smith shows that who and what we worship

fundamentally shape our hearts And while we desire to shape culture we are not often aware of how culture shapes us We might not realize the ways our hearts are being taught to love rival gods instead of the One for whom we were made Smith helps readers recognize the formative power of culture and the transformative possibilities of Christian practices He explains that worship is the imagination station that incubates our loves and longings so that our cultural endeavors are indexed toward God and his kingdom This is why the church and worshipping in a local community of believers should be the hub and heart of Christian formation and discipleship Following the publication of his influential work *Desiring the Kingdom* Smith received numerous requests from pastors and leaders for a more accessible version of that book s content No mere abridgment this new book draws on years of Smith s popular presentations on the ideas in *Desiring the Kingdom* to offer a fresh bottom up rearticulation The author creatively uses film literature and music illustrations to engage readers and includes new material on marriage family youth ministry and faith and work He also suggests individual and communal practices for shaping the Christian life

Salinger's Soul Stephen B. Shepard,2024-09-10 J D Salinger remains one of America s best known but least understood writers His 1951 book *The Catcher in the Rye* lives on as one of the most iconic American novels of all time Yet after his commercial and literary success Salinger soon retreated to a rural town in New Hampshire and lived in seclusion for the rest of his life He wrote nearly every day but didn t publish any of his work after 1965 He became famous for not wanting to be famous His story however is not over His son Matt has been sorting through the unpublished writing Salinger left

behind after his death in 2010 Most of these stories will be released soon and are heavily influenced by his years in seclusion Salinger s Soul tells of his traumatic experience in World War II as well as his transition from the Judaism of his youth to his embrace of a mystical form of Hinduism known as Vedanta It was Vedanta that influenced his post Catcher fiction from Nine Stories to Franny and Zooey Yet Salinger veered from Vedanta in one crucial way he didn t heed its dictum to lead a life of celibacy Instead Salinger was obsessed with young women those in the last minutes of their girlhood In all his wartime experience his religious beliefs and his romantic relationships defined his life in seclusion and influenced his writing Salinger s Soul looks at his little known personal voyage of discovery **The American Friend** ,1926
