**Programming** ,2000 *The Annihilation of Foreverland* Tony Bertauski,2013-12-28 When kids awake on an island they re told there was an accident Before they can go home they will visit Foreverland an alternate reality that will heal their minds Reed dreams of a girl that tells him to resist Foreverland He doesn t remember her name but knows he once loved her He ll have to endure great suffering and trust his dream And trust he s not insane Danny Boy the new arrival meets Reed s dream girl inside Foreverland She s stuck in the fantasy land that no kid can resist Where every heart s desire is satisfied Why should anyone care how Foreverland works INTERVIEW WITH THE AUTHOR HOW IMPORTANT ARE NAMES TO YOU IN THIS BOOK DID YOU CHOOSE THEM BASED ON SOUND OR MEANING Almost all of my books have names with special meaning some foreshadowing a big twist In *The Annihilation of Foreverland* Reed s name was symbolic of his ability to tolerate suffering bending in the face of gale forces but never breaking WHERE DOES YOUR TOMORROW SPRING FROM IN OTHER WORDS HOW DID YOU COME UP WITH THE CRAZY WORLD Sometimes I can t remember how the story started by the time I get to the end *The Annihilation of Foreverland* started with the premise of identity I wanted to write it as a YA book in the science fiction dystopia genre in a way that slowly unfolded as well as questioned who we are and explore our fear of death and what we re willing to do to avoid it Like all of my stories it does have a romantic angle mixed into the action Because it should GIVE YOUR BOOK THE BECHDEL TEST IT HAS TO HAVE AT LEAST TWO NAMED WOMEN IN IT WHO TALK TO EACH OTHER ABOUT SOMETHING BESIDES A MAN I failed because there s only one female in *The Annihilation of Foreverland* However the young adult sequel *Foreverland is Dead* passes with flying colors since its mostly female characters that rarely talk about men WHAT SORT OF BODY COUNT ARE WE TALKING HERE The bodies die but not necessarily the characters Chew on that a second DO YOU WANT YOUR TOMORROW TO MAKE IT BIG AS IN JK ROWLINGS BIG WHY OR WHY NOT Believe it or not no Don t get me wrong I d like to make enough cash to pay off this house and send my kids to college but I ll pass on fame and fortune Anonymity is a blessing YOU CAST YOUR CHARACTERS FOR A MOVIE

WHO MAKES IT In The Annihilation of Foreverland I only casted two characters in my head while I was writing it The Director is Jeff Bridges and Mr Jones is Anthony Hopkins It was like watching a movie as I wrote HAVE YOU WRITTEN IN ANY OTHER GENRES BESIDES YA DYSTOPIAN WHAT DREW YOU TO YOU THIS GENRE I ve been fascinated by consciousness identity and what this all means since I was young I would read my grandfather s science fiction books with elements of artificial intelligence and alternate realities and wonder what happened when they died I suppose that s why all of my writing deals with the big mysteries of life in one way or another In a way I write for my own exploration in a sort of thought experiment approach pulling apart our identities exploring what makes us who we are If I lost my memories would I still be me If I had my body parts replaced with synthetic replications at what point would I not be me Do I even need a body What am I A few years ago I figured I d write a romance novel Since all of my books have a romantic element I thought it would be fun Halfway through the novel I found myself thinking more and more about the next project a dystopian idea So 40 000 words in I scrapped the romance novel and got back to what I love Science fiction

**Musings of a Christian Physician on the Physical and Spiritual Healing of Man** Joseph DeMay MD FAAP, 2020-05-27 I had always believed in the healing power of our Lord and viewed my life as one of service to Him via the practice of medicine But in retrospect I had a deeper trust in the power of modern medicine and science than I did in Jesus Christ and His fully accomplished work on the Cross My thinking was flawed but as I grew in my walk with the Lord and meditated on Scripture more fully I began to see the superiority of faith over the limited interventions modern medical science had to offer and that this interplay between faith and science was not mutually exclusive but complimentary for the spiritual aspects of our lives illuminate and empower the carnal aspects of intellect and physical senses I began jotting notes to myself related to this interplay of faith and healing and science and just filed them away for years I Then in December of 2017 a baby was born to a first time mother of mine his little body riddled with the most fulminant form of acute lymphoblastic leukemia almost always fatal His absolutely miraculous healing was the impetus to start putting these thoughts into writing in the form of weekday morning emails entitled A Christian Doctor's View of Healing Faith and Science It was soon made clear to me that these writings were to take the form of a year long devotional book comprised of short weekday messages that are intimately linked such that they can be read through as a book And that book was to paint a picture and that picture was to be of a face and the face was to be that of Jesus for He is the source of all healing
