Friends In The Seventeenth Century:

Friends in the Seventeenth Century Charles Evans, 2024-01-28 Reprint of the original first published in 1875

FRIENDS IN THE SEVENTEENTH CENTURY CHARLES. EVANS, 2018 **Friends in the Seventeenth Century** Evans Charles 1802-1879, 2015-10-18 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **FRIENDS IN THE 17TH CENTURY** Charles 1802-1879 Evans, 2016-08-26 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant *Friends in the Seventeenth Century (Classic Reprint)* Charles Evans, 2015-07-18 Excerpt from Friends in the Seventeenth Century The motive that has prompted the preparation of the present work has been the hope that by thus bringing the substance of the principal parts of the narratives of other writers into a more condensed form the members of the religious Society of Friends especially the young may be induced to make themselves familiar with its rise and the severe trials that attended its early progress that thus they may become better acquainted with the character of the instruments employed by the Head of the Church to gather Friends into a distinct body the manner in which He prepared them for the service and the consistent system of Scriptural doctrine they inculcated under the teaching and help of his Holy Spirit Want of correct information on these points has led some to slight or undervalue the religious attainments and Christian standing of those extraordinary men and women who amid contumely

and suffering of which few now have an adequate conception reasserted the simplicity and spirituality of the Gospel proclaimed anew some of its cardinal truths that had been long obscured or disregarded demonstrated the inconsistency therewith of the man made ordinances and will worship existing in the professing Church and exemplified in life and conversation the self denying requirements of the divine law written in the heart About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Friends in the Seventeenth Century ... New and revised edition Charles EVANS (M.D.),1885 Friendship and Its Discourses in the Seventeenth Century Cedric Clive Brown,2016 Cedric C Brown combines the study of literature and social history in order to recognize the immense importance of friendship bonds to early modern society Drawing on new archival research he acknowledges a wide range of types of friendship from the intimate to the obviously instrumental and sees these practices as often co terminous with gift exchange Failure to recognize the inter connected range of a friendship spectrum has hitherto limited the adequacy of some modern studies of friendship often weighted towards the intimate or gendered related issues This book focuses both on friendships represented in imaginative works and on lived friendships in many textual and material forms in an attempt to recognize cultural environments and functions In order to provide depth and coherence case histories have been selected from the middle and later parts of the seventeenth century Nevertheless many kinds of bonds are recognized as between patron and client mentor and pupil within the family within marriage in courtship or according to fashionable refined friendship theory Both humanist and religious values systems are registered and friendships are configured in cross gendered and same sex relationships Theories of friendship are also included Apart from written documents the range of texts extends to keepsakes pictures funerary monument and memorial garden features Figures discussed at length include Henry More and the Finch Conway family John Evelyn Jeremy Taylor Elizabeth Carey Mordaunt John Milton Charles Diodati Cyriac Skinner Dorothy Osborne Temple William Temple Lord Arlington Sir Orlando Bridgeman and Katherine Phillips and her circle especially Anne Owen Trevor and Sir Charles Cotterell

First among Friends H. Larry Ingle,1996-01-04 In First Among Friends the first scholarly biography of George Fox 1624 91 H Larry Ingle examines the fascinating life of the reformation leader and founding organizer of the Religious Society of Friends more popularly known today as the Quakers Ingle places Fox within the upheavals of the English Civil Wars Revolution and Restoration showing him and his band of rude disciples challenging the status quo particularly during the Cromwellian Interregnum Unlike leaders of similar groups Fox responded to the conservatism of the Stuart restoration by facing down challenges from

internal dissidents and leading his followers to persevere until the 1689 Act of Toleration It was this same sense of perseverance that helped the Quakers to survive and remain the only religious sect of the era still existing today This insightful study uses broad research in contemporary manuscripts and pamphlets many never examined systematically before Firmly grounded in primary sources and enriched with gripping detail this well written and original study reveals unknown sides of one who was clearly First Among Friends Women in the Seventeenth-Century Quaker Community Catie Gill,2017-03-02 Focussing on Quaker pamphlet literature of the commonwealth and restoration period Catie Gill seeks to explore and explain women s presence as activists writers and subjects within the early Quaker movement Women in the Seventeenth Century Quaker Community draws on contemporary resources such as prophetic writing prison narratives petitions and deathbed testimonies to produce an account of women s involvement in the shaping of this religious movement The book reveals that far from being of marginal importance women were able to exploit the terms in which Quaker identity was constructed to create roles for themselves in public and in print that emphasised their engagement with Friends religious and political agenda Gill s evidence suggests that women were able to mobilise contemporary notions of femininity when pursuing active roles as prophets martyrs mothers and political activists The book s focus on collective Quaker identities which arises from its analysis of multiple authored texts is key to its claims that gender issues have to be considered when analysing the sect s emergent system of values and Gill assesses the representation of women in male authored texts in addition to female writers attitudes to agency A bibliography that for the first time lists men and women s involvement as contributors as well as authors to Quaker pamphlets provides a valuable resource for scholars of seventeenth century radicalism First Among Friends : George Fox and the Creation of Quakerism H. Larry Ingle Professor of History University of Tennessee-Chattanooga,1994-03-03 In First Among Friends the first scholarly biography of George Fox 1624 91 H Larry Ingle examines the fascinating life of the reformation leader and founding organizer of the Religious Society of Friends more popularly known today as the Quakers Ingle places Fox within the upheavals of the English Civil Wars Revolution and Restoration showing him and his band of rude disciples challenging the status quo particularly during the Cromwellian Interregnum Unlike leaders of similar groups Fox responded to the conservatism of the Stuart restoration by facing down challenges from internal dissidents and leading his followers to persevere until the 1689 Act of Toleration It was this same sense of perseverance that helped the Quakers survive the only religious sect of the era still existing today Firmly grounded in primary sources and enriched with gripping detail this well written and original study reveals hitherto unknown sides of one who was clearly First Among Friends **Friends in Life and Death** Richard T. Vann,David Eversley,2002-07-25 An unparalleled study of patterns of child bearing marriage and death among a major religious grouping

A History of the Friends in America Allen Clapp Thomas,Richard Henry Thomas,1919 **Friends' Intelligencer** ,1875 *The American Friends, Peace Conference Held at Philadelphia Twelfth Month 12th, 13th and 14th, 1901* American

Friends' peace conference,1902 **Friends' Intelligencer United with the Friends' Journal** ,1887 *Female Friends and the Making of Transatlantic Quakerism, 1650-1750* Naomi Pullin,2018-05-24 Quaker women were unusually active participants in seventeenth and eighteenth century cultural and religious exchange as ministers missionaries authors and spiritual leaders Drawing upon documentary evidence with a focus on women s personal writings and correspondence Naomi Pullin explores the lives and social interactions of Quaker women in the British Atlantic between 1650 and 1750 Through a comparative methodology focused on Britain and the North American colonies Pullin examines the experiences of both those women who travelled and preached and those who stayed at home The book approaches the study of gender and religion from a new perspective by placing women s roles relationships and identities at the centre of the analysis It shows how the movement s transition from sect to church enhanced the authority and influence of women within the movement and uncovers the multifaceted ways in which female Friends at all levels were active participants in making and sustaining transatlantic Quakerism **Historical Dictionary of the Friends (Quakers)** Margery Post Abbott,Mary Ellen Chijioke,Pink Dandelion,John William Oliver,2011-12-01 The modern reputation of Friends in the United States and Europe is grounded in the relief work they have conducted in the presence and aftermath of war Friends also known as Quakers have coordinated the feeding and evacuation of children from war zones around the world They have helped displaced persons without regard to politics They have engaged in the relief of suffering in places as far flung as Ireland France Germany Ethiopia Egypt China and India Their work was acknowledged with the award of the Nobel Peace Prize in 1947 to the American Friends Service Committee AFSC and the Friends Service Council of Great Britain More often however Quakers live worship and work quietly without seeking public attention for themselves Now the Friends are a truly worldwide body and are recognized by their Christ centered message of integrity and simplicity as well as their nonviolent stance and affirmation of the belief that all people women as well as men may be called to the ministry The expanded second edition of the Historical Dictionary of the Friends Quakers relates the history of the Friends through a chronology an introductory essay an extensive bibliography and over 700 cross referenced dictionary entries on concepts significant figures places activities and periods This book is an excellent access point for scholars and students who will find the overviews and sources for further research provided by this book to be enormously helpful *Turning Toward the Victim* Thomas Gates,2025-06-10 Part primer on Ren Girard s groundbreaking mimetic theory part Bible study through the lens of mimetic theory and part dialogue with early and contemporary Quakers *Turning Toward the Victim* demonstrates how these three perspectives can mutually inform one another in unexpected ways Contemporary liberal Friends Quakers have largely drifted away from the Bible due in part to its seeming sanction of divine violence Girard by contrast sees the themes of sacred violence and its overcoming as central to the biblical witness and so can provide the means by which Quakers and others might reengage with the Scriptures Girard s claim that the biblical God has nothing to do with violence will resonate with Friends traditional

commitment to nonviolence and peacemaking Girard's insights into the scapegoat mechanism can also help us to understand the witness of early Friends who functioned as the scapegoat caste in seventeenth century England Using the traditional Quaker framework of conviction conviction and conversion Thomas Gates explores the relevance of these concepts for Friends and other Christians today Why Can't We Be Friends? Dominique Naar, 2025-07-08 Why Can't We Be Friends is a thought provoking exploration of one of the most enduring conflicts in modern history the strife between Israelis and Palestinians Inspired by the centuries old family feud rooted in the heart of the Middle East this book delves deep into the complexities of this long standing dispute Through a lens of compassion and understanding the author argues that the path to peace lies in friendship love and forgiveness This compelling narrative challenges readers to look beyond entrenched positions and envisions a future where empathy and human connection can heal generations of division More than providing a historical account of the conflict this book is a must read for anyone who wants to learn how to bridge differences through human connection **Imaginary Friends** James Emmett Ryan, 2009-08-06 Spanning four centuries Imaginary Friends takes readers through the shifting representations of Quaker life in a wide range of literary and visual genres from theological debates missionary work records political theory and biography to fiction poetry theater and film It illustrates the ways that during the long history of Quakerism in the United States these imaginary Friends have offered a radical model of morality piety and anti modernity against which the evolving culture has measured itself

Reviewing **Friends In The Seventeenth Century**: Unlocking the Spellbinding Force of Linguistics
