Fringe Patriots Carl R. Smith, 2003-02 **Fringe Patriots** Carl Smith, 2005-01-01 Waves of Rancor Robert L. Hilliard, Michael C. Keith, 2016-07-01 The airwaves in America are being used by armed militias conspiracy theorists survivalists the religious right white supremacists neo Nazis and other radical groups to reach millions with their messages of hate and fear Waves of Rancor examines the origin nature and impact of right wing electronic media including radio television cable the internet and even music CDs **The Party of Fear** David H. Bennett, 1995-11-14 Why for two hundred years have some American citizens seen this country as an endangered Eden to be purged of corrupting peoples or ideas by any means necessary To the Know Nothings of the 1850s the enemy was Irish immigrants To the Ku Klux Klan it was Jews blacks and socialists To groups like the Michigan Militia the enemy is the government itself and some of them are willing to take arms against it The Party of Fear which has now been updated to examine the right wing resurgence of the 1990s is the first book to reveal the common values and anxieties that lie beneath the seeming diversity of the far right From the anti Catholic riots that convulsed Philadelphia in 1845 to the 1995 bombing in Oklahoma City it casts a brilliant cautionary light not only on our political fringes but on the ways in which ordinary Americans define themselves and demonize outsiders

Molding Clay Carl R. Smith, 2025-04-24 Heroes and heroines come in all shapes and sizes Clay and his friends continue to plow the road as loved ones fall all around them False Patriots, 1996 Discusses the actions that anti governmental patriots have taken in America Who they are what they believe conspiracy theories patriot enemies divine mandate operations they have carried out and histories of their leaders Includes a list of more than 800 patriot organizations and paramilitary training sites and groups which are active in every state including 441 unauthorized militia groups Profiles the most notorious leaders in history Examines OK City Bombing Amtrak passenger train derailment etc Glossary and bibliography Photos Wildland Evan Osnos, 2021-09-14 INSTANT NEW YORK TIMES BESTSELLER After a decade abroad the National Book Award and Pulitzer Prize winning writer Evan Osnos returns to three places he has lived in the United States Greenwich CT Clarksburg WV and Chicago IL to illuminate the origins of America's political fury Evan Osnos moved to Washington D C in 2013 after a decade away from the United States first reporting from the Middle East before becoming the Beijing bureau chief at the Chicago Tribune and then the China correspondent for The New Yorker While abroad he often found himself making a case for America urging the citizens of Egypt Iraq or China to trust that even though America had made grave mistakes throughout its history it aspired to some foundational moral commitments the rule of law the power of truth the right of equal opportunity for all But when he returned to the United States he found each of these principles under assault In search of an explanation for the crisis that reached an unsettling crescendo in 2020 a year of pandemic civil unrest and political turmoil he focused on three places he knew firsthand Greenwich Connecticut Clarksburg West Virginia and Chicago Illinois Reported over the course of six years Wildland follows ordinary individuals as they navigate the varied

landscapes of twenty first century America Through their powerful often poignant stories Osnos traces the sources of America s political dissolution He finds answers in the rightward shift of the financial elite in Greenwich in the collapse of social infrastructure and possibility in Clarksburg and in the compounded effects of segregation and violence in Chicago The truth about the state of the nation may be found not in the slogans of political leaders but in the intricate details of individual lives and in the hidden connections between them As Wildland weaves in and out of these personal stories events in Washington occasionally intrude like flames licking up on the horizon A dramatic prescient examination of seismic changes in American politics and culture Wildland is the story of a crucible a period bounded by two shocks to America s psyche two assaults on the country s sense of itself the attacks of September 11 in 2001 and the storming of the U S Capitol on January 6 2021 Following the lives of everyday Americans in three cities and across two decades Osnos illuminates the country in a startling light revealing how we lost the moral confidence to see ourselves as larger than the sum of our parts

Patriots, Politics, and the Oklahoma City Bombing Stuart A. Wright,2007-06-11 This book explores social movements by analyzing an escalating spiral of tension between the Patriot movement and the state centered on the mutual framing of conflict as warfare By examining the social construction of warfare as a principal script or frame defining the movement state dynamic Stuart A Wright explains how this highly charged confluence of a war narrative engendered a kind of symbiosis leading to the escalation of a mutual threat that culminated in the Oklahoma City bombing Wright offers a unique perspective on the events leading up to the bombing because he served as a consultant to Timothy McVeigh s defense team for eighteen months and draws on primary data based on face to face interviews with McVeigh The book contends that McVeigh was firmly entrenched in the Patriot movement and was part of a network of warrior cells that planned and implemented the bombing
