Corveleyn, Louise Ammentorp, 2024-08-13 Let Nature Be Your Teacher Integrating Nature Based Learning in the Elementary Classroom advocates for a transformative shift in elementary education through incorporating nature based learning into the curriculum In an era dominated by indoor education and heightened screen time Louise Ammentorp and Helen M Corveleyn respond to the urgent need to reconnect children with nature This book aims to gray the boundary between indoor and outdoor learning bringing students outdoors as well as bringing nature inside Supported by a growing body of research in a flourishing movement for nature based learning this book highlights ways to incorporate authentic experiences across content areas Each chapter offers vetted lesson and activity ideas that can be adapted to any classroom Let Nature Be Your Teacher aims to inspire educators parents and administrators and equip them with the tools and knowledge to prioritize nature based learning fostering a generation that values and protects our natural world **Growing Up in Child Care** Ben Mardell, 2002 Combining compelling interviews and photos with his own research at Harvard and classroom experience Ben has produced a book that is at once a scholarly study and one of the most visually and verbally eloquent books available about the education of young children *The Handbook of the Study of Play* James E. Johnson, Scott G. Eberle, Thomas S. Henricks, David Kuschner, 2015-02-05 The Handbook of the Study of Play brings together in two volumes thinkers whose diverse interests at the leading edge of scholarship and practice define the current field Because play is an activity that humans have shared across time place and culture and in their personal developmental timelines and because this behavior stretches deep into the evolutionary past no single discipline can lay claim to exclusive rights to study the subject Thus this handbook features the thinking of evolutionary psychologists ethologists and biologists neuroscientists developmental psychologists psychotherapists and play therapists historians sociologists and anthropologists cultural psychologists philosophers theorists of music performance and dance specialists in learning and language acquisition and playground designers Together but out of their varied understandings the incisive contributions to The Handbook take on vital questions

of educational policy of literacy of fitness of the role of play in brain development of spontaneity and pleasure of well being and happiness of fairness and of the fuller realization of the self These volumes also comprise an intellectual history retrospective looks at the great thinkers who have made possible the modern study of play *Young Children* ,2000

American Book Publishing Record ,2000-07 Play and Meaning in Early Childhood Education Doris Pronin Fromberg,2002 Focusing on ages 0 8 this book integrates contemporary theories of play with curriculum practice This book matches the process of teaching young children to the ways in which young children develop meaning It provides a bridge between child development and curriculum studies The book is divided into four sections two theoretical and two practical The theoretical sections make concepts accessible by providing clear definitions specific examples and illustrating their relationship to play The practical sections deal with how to develop environmental design begin the year organize a classroom and implement numerous practical ways for teachers to use playful approaches in early childhood instruction For early childhood educators and care givers **Forthcoming Books** Rose Arny,1999 **Boletin Internacional de Bibliografia Sobre Educacion** ,2002 *The British National Bibliography* Arthur James Wells,2002 *Books In Print 2004-2005* Ed Bowker Staff,Staff Bowker, Ed,2004
