

1. Just cause

- **Protection from external attack**

- the first and foremost (only?) just cause of war; based on the right of self-defense.
- Article 51 Charter of the United Nations: “Nothing in the present Charter shall impair the inherent right of individual or collective self-defense if an armed attack occurs against a Member of the United Nations.”

Some have maintained the humanitarian intervention is also justified, where we go to war to save the lives of innocent people who are being attacked by an aggressor.

From Just War To Justified Intervention:

Embracing the Beat of Phrase: An Mental Symphony within **From Just War To Justified Intervention**

In some sort of taken by screens and the ceaseless chatter of fast connection, the melodic splendor and psychological symphony developed by the published word usually disappear in to the background, eclipsed by the persistent noise and interruptions that permeate our lives. However, situated within the pages of **From Just War To Justified Intervention** an enchanting literary treasure overflowing with natural thoughts, lies an immersive symphony waiting to be embraced. Constructed by a masterful musician of language, that fascinating masterpiece conducts readers on an emotional journey, well unraveling the concealed tunes and profound impact resonating within each cautiously constructed phrase. Within the depths with this emotional examination, we will examine the book is main harmonies, analyze its enthralling writing fashion, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.
