From Machismo To Mutuality Essays On Sexism And Woman Man Liberation:

From Machismo to Mutuality Eugene C. Bianchi, Rosemary Radford Ruether, 1984 **Feminism and Christian Tradition** Mary-Paula Walsh, 1999-05-30 This annotated bibliography a volume in the Greenwood series Bibliographies and Indexes in Religious Studies provides access to the numerous writings from the 1960s through the 1990s on feminism and Christian tradition Major feminist theologians and sociologists are represented As a guide to further research this cross disciplinary approach presents themes and issues in both a historical and a topical framework An extensive overview of feminism in relation to the women s movement women s studies sociology and American religion introduces the literature and provides a historical context for the nearly one thousand entries that follow Cross referenced throughout the literature is presented in six thematic categories that include introductory and background materials feminism and the development of feminist theology topical literatures in feminist theology feminism and womanist theology religious leadership of women and responses and recent developments Separate author subject and title indexes complete the volume **From Machismo to Mutuality** Eugene C. Bianchi, Rosemary Radford Ruether, 1976 **Liberation Theologies** Ronald G. Musto, 2020-11-25 First Published in 1991 The following is a comprehensive scholarly bibliography of published materials on the varieties of liberation theology mostly in book form available in English It is intended as an introductory survey to this vast and quickly expanding field for the teacher and student of contemporary theology of biblical hermeneutics and to the interrelationship of politics and religion around the world It will also serve as a comprehensive bibliography *Contemporary American Theologies* Deane W. Fernald, 2004-04-15 An up to date book that surveys almost all of the contemporary schools of Christian thought in America well structured and methodically developed clearly written and easy to read Fernald does an excellent job of pointing out all the differences among the leading thinkers of each camp Fernald s greatest asset is his uncanny ability to synthesize these diverse theologies into a larger conceptual whole without diminishing their distinctiveness A landmark of clarity Richard Quebedeaux in *The Christian Century* *Contemporary American Theologies* assesses the most significant writers and books that make up evangelical black Roman Catholic feminist and liberation theologies Equally useful as an introduction or as a review Marianne Sawicki in *Commonweal* **Jesus and the Feminists?** Margaret Elizabeth Köstenberger, 2008-10-17 This resource provides a detailed survey and critique of various feminist interpretations of Jesus and offers a biblical view of men and women in the church and home The feminist movement has affected every aspect of political and social America and Christians are becoming increasingly aware of how this movement has impacted the church The feminist movement has changed the way evangelicals view not only themselves but also the very Word of God Jesus and the Feminists begins by offering a brief survey of the feminist movement revealing the radical misunderstanding of Jesus that has resulted from this movement Köstenberger then critiques the relevant works of well known feminist scholars and the ways they interpret certain passages of Scripture related to Jesus and his approach to women This practical resource points

the way to a better understanding of the biblical message regarding Jesus stance toward women and offers both men and women a biblical view of their roles in the church and the home **Hollywood and Catholic Women** Kathryn

Schleich,2012-03-23 In this second edition of her exploration of Catholic women in film and television author Kathryn Schleich presents an in depth feminist point of view while addressing important questions about the role of women in both the Church and Hollywood Throughout Schleichs extensive research she noticed that themes of fear mistrust and even hatred of women were prevalent While examining such deeply ingrained attitudes it soon became evident to Schleich that Catholic women still have a long way to go in Hollywood As she carefully explores the sexual tension between Sister Benedict and Father OMalley in *The Bells of St Marys* the brutal murder of Theresa Dunn in *Looking for Mr Goodbar* and the stereotype shattering Grace Hanadarko of *Saving Grace* Schleich offers an insightful portrayal of womens oppression within the Catholic Church and explores whether Catholic women are better off today This study encourages contemplation of the place of Catholic women within the ever changing spheres of cinema and television ultimately encouraging movement toward the goal of achieving equal status for women in all realms of life Ethical Exploration in a Multifaith Society Catherine

Shelley,2017-03-24 This book considers the theory and application of ethics for a multifaith society Much ethics taught in the UK has been dominated by Christian ethics their relation to secularism and by the Enlightenment s reaction against theology as a basis for ethical thought In contrast to these perspectives this book brings secular and theological ethics into dialogue considering the degree to which secular ethics has common roots with theological perspectives from various traditions The book assesses the application of ethical and theological principles in today s multifaith society Aiming to enhance ethical understanding and awareness across divergent worldviews identifying at what points divergence does occur the author examines topics such as reason and ethics in theology natural law utilitarianism and deontology and differences of approach to interpreting religious scriptures The focus on ethical methods is illustrated through topical concerns in religion and ethics for example sexuality marriage and education and religion in relation to global ethics and human rights *The Love Factor*

in Marriage Explored Daniel J. Vassell, Sr.,2001 *Public Practice, Private Law* Gary Chartier,2016-04-07 Marriage is ordinarily a public practice supported by as well as supportive of society But it need not fall within the purview of the state Public Practice Private Law articulates a conception of marriage as a morally rich and important institution that ought to be subject to private rather than legislative or judicial ordering It elaborates a robust understanding of marriage that captures what both different sex and same sex couples might see as valuable about their relationships It explains why sexual ethics won t yield a normative model of marriage and why the kind of marital love worth wanting can It goes on to show how an understanding of marriage as rooted in demanding commitments can allow for divorce before arguing that the state should cease to sponsor marriages It concludes by suggesting that both state and non state institutions should acknowledge the marriages of same sex couples **Scripture and Ethics** Jeffrey S. Siker,1997 Siker brings together the history of biblical

interpretation and the study of uses of the Bible in Christian ethics to examine how the Bible has actually been used in Christian theological ethics and in the process profiling eight influential twentieth century theologians **American Theology, Superhero Comics, and Cinema** Anthony Mills, 2013-10-01 Stan Lee who was the head writer of Marvel Comics in the early 1960s co created such popular heroes as Spider Man Hulk the X Men the Fantastic Four Iron Man Thor and Daredevil This book traces the ways in which American theologians and comic books of the era were not only both saying things about what it means to be human but starting with Lee they were largely saying the same things Author Anthony R Mills argues that the shift away from individualistic ideas of human personhood and toward relational conceptions occurring within both American theology and American superhero comics and films does not occur simply on the ontological level but is also inherent to epistemology and ethics reflecting the comprehensive nature of human life in terms of being knowing and acting This book explores the idea of the American monomyth that pervades American hero stories and examines its philosophical and theological origins and specific manifestations in early American superhero comics Surveying the anthropologies of six American theologians who argue against many of the monomyth's assumptions principally the staunch individualism taken to be the model of humanity and who offer relationality as a more realistic and ethical alternative this book offers a detailed argument for the intimate historical relationship between the now disparate fields of comic book superhero film creation on the one hand and Christian theology on the other in the United States An understanding of the early connections between theology and American conceptions of heroism helps to further make sense of their contemporary parallels wherein superhero stories and theology are not strictly separate phenomena but have shared origins and concerns

Mutuality Dawn M. Nothwehr, 2005-07-25 By selecting as her focus mutuality Nothwehr brings to the fore an issue of perennial importance in Christian social ethics that of power As she shows feminist theology invites religious ethicists to reconceive normative questions of power from the vantage point of its dynamic mutual sharing a sharing that encompasses not only individual relations but society and the natural world She also demonstrates how attention to relations of mutuality sheds light on the spectrum of classical Christian theological and moral topics revealing dimensions of our traditions that standard assumptions about power as domination tend to obscure Christine Firer Hinze Associate Professor of Theology Marquette University This book allows mutuality to take its rightful place along with love and justice in Christian social ethics Written with great clarity with excellent scholarship and with the thinking of key historical figures in mind this book focuses on the thinking of four contemporary Christian feminists Beverly Wildung Harrison Carter Heyward Elizabeth Johnson and Rosemary Radford Ruether to show that mutuality is at the heart of ethics But it does more It shows that mutuality at the heart of the human at the heart of the divine and at the heart of the meeting between the two John J Shea visiting Associate Professor of Pastoral Care and Counseling Boston College Dawn Nothwehr employs a corrective category mutuality At first blush the term would seem too tender and nebulous to address the splits in our consciousness but this theologian brings well

informed care to its definition It becomes in her hands a critical tool which can do healing surgery on many foundational categories of Catholic theology and indeed on much of modern thinking beyond the pale of Catholicism Mutuality calls attention to the essential interdependency of all that is in our cosmos Daniel C Maguire Professor of Theological Ethics Marquette University *The Pauline Doctrine of Male Headship* James E. Bordwine, 2009-05-01 I am not aware of a comprehensive volume on the Pauline Doctrine of Male Headship authored by an active pastor who must live with the practical applications of that ancient and ever valid teaching Dr Bordwine an active pastor thus serves the Christian community by providing a book which both interacts so well and widely with differing opinions and which also clearly states the meaning of the biblical text and its significance for the church of this age and the days that follow I am therefore very thankful for its publication and heartily commend it George W Knight III President The Council on Biblical Manhood and Womanhood *My Quests for Hope and Meaning* Rosemary Radford Ruether, 2013-10-02 This book is an autobiography tracing Rosemary Radford Ruether's intellectual development and writing career Ruether examines the influence of her mother and family on her development and particularly her interactions with the Roman Catholic religious tradition She delves into her exploration of interfaith relations with Judaism and Islam as well Her educational formation at Scripps College and the importance of historical theology is also a major emphasis Mental illness has also affected Ruether's nuclear family in the person of her son and she details the family's struggle with this issue Finally in this intellectual autobiography Ruether explores her long concern and involvement with ecology feminism and the quest for a spirituality and practice for a livable planet **Homosexuality in the Church** Jeffrey S. Siker, 1994-01-01 Outstanding authorities on scripture tradition reason biology ethics and gendered experience discuss one of the most divisive debates in the church today the place of homosexuals in the community of faith The balanced treatment of the issues and the contrasting insights of the essays make this a valuable resource for reflection individually or in groups *Human Rights in the Constitutional Law of the United States* Michael J. Perry, 2013-07-08 In the period since the end of the Second World War there has emerged what never before existed a truly global morality Some of that morality the morality of human rights has become entrenched in the constitutional law of the United States This book explicates the morality of human rights and elaborates three internationally recognized human rights that are embedded in US constitutional law the right not to be subjected to cruel inhuman or degrading punishment the right to moral equality and the right to religious and moral freedom The implications of one or more of these rights for three great constitutional controversies capital punishment same sex marriage and abortion are discussed in depth Along the way Michael J Perry addresses the question of the proper role of the Supreme Court of the United States in adjudicating these controversies **Living Issues in Ethics** Richard T. Nolan, Frank G. Kirkpatrick, 1982 **After Eden** Mary Stewart Van Leeuwen, 1993 Written by an interdisciplinary team of scholars this substantial volume offers a wide ranging examination from a Christian perspective of the many complexities surrounding gender relations

showing how they have changed and how they still need to change if we are to be the men and women God meant us to be
No other book treats the systemic embedding of gender issues in all areas of life *Women, Power, and Therapy* Marjorie
Braude, 1988 The woman seriously interested in her personal growth and self awareness will find this volume indispensable
reading She can learn how to assume power over her relationships mind body and positions in society Leading feminist
therapists provide methods that can help women make their aspirations for power a reality in the workplace in social
situations in intimate relationships Topics include black women and the politics of skin color and hair agoraphobic women
and behavior change unlearning victim behavior decision making about contraception single mothers by choice female
alcoholism and affiliation needs and much more This volume is on the cutting edge of the rapidly expanding body of literature
and knowledge in women s studies and describes new and frequently controversial ideas and programs It deals with issues of
power over the intimacies of women s bodies and psyches as well as power in the workplace professional societies and the
courts In order to help the reader understand these issues more fully this fine book also describes some of the historical and
social contexts in which women have not had power or have gained power
