of self discovery that envelopes everyone in her life As she pursues this torrid affair she will cross countless boundaries and numerous taboos on race sexual orientation social status and alternative relationship dynamics Her guide on this quest will be the heavy yet loving hand of her beloved mentor and boss Lucius Prince As Sarah is taken under his wing and willfully bends to his whim Lucius's inner demons toy with the chinks in the armor that has long kept his heart inaccessible to women As Sarah's mind body and soul are stretched to limits beyond reason she learns to become a better person that can live beyond her gilded cage As she strives to do anything necessary to secure the love of her master it becomes all the more questionable if the breaking point will secure the tether that binds them or drive them forever apart **Shadows of**

Reinventing the Archetype After The Fall Productions, 2010-01-04 Albert Einstein once wrote The world is a dangerous place not because of those who do evil but because of those who look on and do nothing It has been said that art is one of the few ways an individual can make a significant social impact without compromising moral beliefs or causing bloodshed We believe in this ideal and as an act of artistic vigilance have taken heed to the message of the great Einstein and applied ourselves You hold in your hands a true labor of love over 2 years in the making This production has seen its share of sacrifice and personal discovery Its conception was pure and intricate 113 poems arduously arranged piece by piece from cover to cover Designed as a continuous flow uniting the styles of 27 talented writers into one single literary expression

Too Much of a Good Thing J J Murray, 2009-02-01 From the acclaimed author of Something Real and Original Love comes a tender witty and sexy tale of two very different souls whose prayers are answered in surprising ways When recently widowed Joe Murphy meets Shawna Mitchell in an online forum all he's seeking is advice on keeping his home and his family together Shawna's compassionate e mails become his lifeline and as months pass their correspondence grows deep and warm Discovering that Shawna lives only blocks away well it feels like more than luck It feels a lot like hope With three children to raise Shawna has no interest in getting close to another man let alone one who's got three kids of his own And the fact that Joe's white can only complicate matters more But now as they navigate family dates and vacations and their own doubts and fears Joe and Shawna find themselves moving toward a future that's bright new and totally unexpected Because

the only thing more difficult than uniting two stubborn families would be walking away from something that feels so right
