Kern, 2017-01-30 Excerpt from The Listening Heart A Book of Devotional Interpretations The psalmist s heart was desolate We do not know who or what was the enemy that had smitten his life down to the ground but we do know whither he turned for relief He stretched forth his hands unto God thirsting for Him as a weary land for the rain of heaven It was his prayer that with the passing of the night his grievous trial might also somehow pass away and the voice of his Deliverer be heard in loving kindness again In the morning for the morning itself is a deliverance God s strong and gentle angel of resurrection Its words unto the ends of the earth with no articulate speech or language are words of quickening power About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *The Way of Silence* David Steindl-Rast, 2016-05-03 The tranquility of order is a dynamic tranquility the stillness of a flame burning in perfect calm of a wheel spinning so fast that it seems to stand still Silence in this sense is not only a quality of the environment but primarily an attitude an attitude of listening Let us give to one another that gift of silence so that we can listen together and listen to

one another Only in this silence will we be able to hear that gentle breath of peace that music to which the spheres dance that universal harmony to which we too hope to dance Austrian born Benedictine monk David Steindl Rast is one of the most influential and beloved spiritual teachers of our time For decades Brother David has divided his time between periods of monastic life at the Mount Saviour Monastery in New York and extensive lecture tours on five continents He has brought spiritual depth into the lives of countless people whom he touches through his lectures his workshops and his writings Brother David was one of the first Roman Catholics to participate in Buddhist Christian dialogue studying under Zen teachers and building bridges between religious traditions His newest book *The Way of Silence* draws heavily on Buddhist teachings to cultivate the practice of deep listening turning away from noise and distraction paying attention and embracing quiet *The Way of Silence* embraces paradox absence versus presence in silence Dynamic tranquility The all oneness of aloneness Humbly trusting in God you ll practice emptying your mind in order to receive wisdom insight and understanding You ll learn to listen deeply with a trusting heart and you ll joyously discover a new interior freedom that will make you feel more vibrant and more fully alive

McKenzie,2010-09-01 Empowers the preacher to understand the role of wise leader to which he or she has been called and to claim that role with conviction and joy Pastors are called to an exciting ministry of proclamation and leadership That excitement however often turns to demoralization and burnout as pastors become increasingly uncertain of what their role is supposed to be Competing claims by the congregation the denomination and society about who and what the pastor is supposed to be breed confusion and

disappointment Are they primarily managers Therapists Fundraisers A way out of this confusion lies in reclaiming the biblical understanding of who the pastor is One of the biblical roles within the pastoral vocation that often goes neglected is that of wise teacher or sage Scripture presents as a model of pastoral leadership those who interpret the word and will of God for daily living Especially in their preaching pastors are called to help the congregation understand their place in God's world In this book Alyce McKenzie lays out the four qualities of the wise teacher the bended knee the listening heart the cool head and the courageous voice and encourages pastors to make each of these integral to their ministry and vocation She goes on to demonstrate that the sermon is the prime opportunity to function in the role of wise teacher She offers strategies for applying biblical wisdom to all areas of everyday life The strategies include 1 Preaching that is as sensory as life is using imagery metaphor simile and story to connect with people's emotions as well as their intellect 2 Preaching that uses first person experiences without being narcissistic 3 Preaching that teaches without boring 4 Preaching on public often controversial issues that minimizes defensiveness and maximizes dialogue
