Witten, 2023-11-14 How the image of God is being refashioned from the Protestant pulpit for an increasingly secular world In recent years direct mail Christianity has extended a new kind of invitation to the Protestant faithful slick brochures enumerating the social and psychological advantages of church attendance with no mention whatsoever of spiritual striving suffering or faith in God Does this kind of secularity prevail in mainline Protestant churches Marsha Witten looks for an answer to this question through an in depth analysis of preaching on an important New Testament text the Parable of the Prodigal Son Witten finds that the transcendent and awesome God of Luther and Calvin whose image informed early Protestant visions of the relationship between human beings and the divine has been greatly softened in demeanor in American Protestant churches with only minor resistance from conservative traditions As preached from the pulpits of the Presbyterian Church USA and the Southern Baptist Convention God is a deity whose primary function lies in providing psychological benefits to individual church members the Parable of the Prodigal Son

portrays God as a loving and understanding daddy figure The focus is not on the challenges that the church could pose to the secular sphere of life Instead individuals are encouraged to make the right choices among the secular world s various offerings or as in many Southern Baptist messages to accept God s offer of rescue from the lostness of secular confusions Situating the sermon at the heart of Protestant worship All Is Forgiven shows how complex rhetorical strategies continue to transform Christian faith and help it survive in a secular world *The Quick-Reference Guide to Addictions and Recovery Counseling* Dr. Tim Clinton, Dr. Eric Scalise, 2013-10-15 The newest addition to the popular Quick Reference Guide collection The Quick Reference Guide to Addictions and Recovery Counseling focuses on the widespread problem of addictions of all kinds It is an A Z guide for assisting pastors professional counselors and everyday believers to easily access a full array of information to aid them in formal and informal counseling situations Each of the forty topics covered follows a helpful eight part outline and identifies 1 typical symptoms and patterns 2 definitions and key thoughts 3 questions to ask 4 directions for the conversation 5 action steps 6 biblical insights 7 prayer starters and 8 recommended resources **African American Women with Incarcerated Mates** Avon Hart-Johnson, 2017-11-20 After four decades of mass incarceration in the U S the disproportionate number of black men in prisons has contributed to an epidemic of black women struggling to support fragile families Yet the literature is scant on how African American women are affected by the imprisonment of their partners Drawing on case studies and firsthand accounts the author brings needed perspective to the political economic and psychological challenges they face including the experience of symbolic imprisonment or serving time on the outside
