## **Fanaticism And Conflict In The Modern Age:**

Fanaticism and Conflict in the Modern Age Matthew Hughes, Gaynor Johnson, 2004-12-15 What is fanaticism Is the term at all useful After all one person s fanatic is another s freedom fighter This new book probes these key questions of the twenty first century It details how throughout history there have been fanatics eager to pursue their religious political or personal agendas

**Translation and News Making in Contemporary Arabic Television** Ali Darwish, 2010

**Terrorism Today** Christopher C. Harmon, 2007-10-18 The new edition of this best selling insight into terrorism today has been fully updated and revised to include what the author terms the new militant Moslem international Drawing directly on the words and ideas of terrorists themselves this book is an examination of patterns current trends and future threats in terrorism worldwide It explores the ideology and psychology the politics and policies the strategies and operations of many active small groups and major insurgencies The terrorist leader emerges as a calculating innovated and often well educated person whose use of violence against the innocent is calibrated for maximum effects The closing chapter is a stimulating discussion of the problems of counter terrorism making several key recommendations Terrorism Today will be essential reading for students of terrorism counter insurgency and international security

*The "German Spirit" in the Ottoman and Turkish Army, 1908-1938* Gerhard Grüßhaber, 2018-04-09 The study focuses on the mutual transfer of military knowledge between the German and the Ottoman Turkish army between the 1908 Young Turk revolution and the death of Atatürk in 1938 Whereas the Ottoman and later the Turkish army were the main beneficiaries of this selective appropriation the German armed forces evaluated their prospective ally s military experiences to a lesser extent Through the analysis of archival and published sources and memoir literature the study provides evidence for the impact of this exchange on the armies of both countries and on the Turkish civil society Indeed the officer corps in both countries was a small but influential group of the society for the further development of their nations

**Palestinian Collective Memory and National Identity** M. Litvak, 2009-05-25 This book analyzes the evolution and cultivation of modern Palestinian collective memory and its role in shaping Palestinian national identity from its inception in the 1920s to the 2006 Palestinian elections

Surface and Destroy Michael Sturma, 2011-03-25 World War II submariners rarely experienced anything as exhilarating or horrifying as the surface gun attack Between the ocean floor and the rolling whitecaps above submarines patrolled a dark abyss in a fusion of silence shadows and steel firing around eleven thousand torpedoes sinking Japanese men of war and more than one thousand merchant ships But the anonymity and simplicity of the stealthy torpedo attack hid the savagery of warfare a stark difference from the brutality of the surface gun maneuver As the submarine shot through the surface of the water confined sailors scrambled through the hatches armed with large caliber guns and met the enemy face to face Surface and Destroy The Submarine Gun War in the Pacific reveals the nature of submarine warfare in the Pacific Ocean during World War II and investigates the challenges of facing the enemy on the surface The surface battle amplified the realities of war bringing

submariners into close contact with survivors and potential prisoners of war As Japan s larger ships disappeared from the Pacific theater American submarines turned their attention to smaller craft such as patrol boats schooners sampans and junks Some officers refused to attack enemy vessels of questionable value while others attacked reluctantly and tried to minimize casualties Michael Sturma focuses on the submariners reactions and attitudes toward their victims exploring the sailors personal standards of morality and their ability to wage total war Surface and Destroy is a thorough analysis of the submariner experience and the effects of surface attacks on the war in the Pacific offering a compelling study of the battles that became intolerably personal

**Provincial Life and the Military in Imperial Japan** Stewart Lone,2009-10-23 In contrast to the enduring stereotype of a nation of samurai this book uses provincial newspapers and local records to hear the voices of ordinary people living in imperial Japan through several decades of war and peace These voices reveal the authentic experiences opinions and emotions of men women and children They show that the impression of a uniquely disciplined regimented militaristic society which took root in the Western imagination from the 1890s and which helped bring about the Pacific war of 1941 is a gross illusion Stewart Lone challenges the long standing view of prewar Japan as a militaristic society Instead of relying on the usual accounts about senior commanders and politics at the heart of government he shows the realities of provincial society s relations with the military in Japan at ground level Working from the perspective of civil society and both rural and urban life in the provinces Lone investigates broader civil contacts with the military including schools local businesses leisure and entertainment civic ceremonies and monuments as well as public attitudes towards the military and its values This book will be of interest to upper undergraduates postgraduates and academics interested in military history and Japanese history

**Scottish Soldier and Empire, 1854-1902** Edward M. Spiers,2006-07-20 The Scottish Soldier and Empire 1854 1902 reflects upon the iconic role of the Scottish soldier as an empire builder from the Crimean War to the end of the nineteenth century It examines how the soldier commented on this imperial experience largely through letter diaries and poems published in the provincial press how his exploits were reviewed in Scotland and how military achievements contributed to both a growing sense of national identity and a deepening degree of imperial commitment

**Operation Totalize 1944** Stephen A. Hart,2016-05-19 In Operation Totalize Lieutenant General Guy Simonds II Canadian Corps launched an attack from its positions along the Bourgu bus Ridge south of Caen striking south southeast astride the main Caen Falaise road toward the high ground that dominated the town of Falaise and the key west east lateral road that ran through this town Using sophisticated operational art the initial break in achieved rapid success indeed more tactical success than any previous Allied break in attack in Normandy However despite this rapid initial success Totalize did not subsequently secure a decisive operational level victory Indeed Simonds forces subsequently struggled swiftly to complete the second break in battle and to transit into rapid exploitation operations Had Simond s force been successful the German army may not have been able to extract themselves from the Falaise pocket and would have been

surrounded and defeated possibly bringing about the early end of the war in Europe

**Marriage and Fatherhood in the Nazi SS** Amy Carney, 2018-01-01 Marriage and Fatherhood in the Nazi SS by Amy Carney is the first work to significantly assess the role of SS men as husbands and fathers These families contributed to the transformation of the SS into a racially elite family community that was poised to serve as the new aristocracy of the Third Reich

**The 12th SS Panzer Division "Hitlerjugend"** Adrian Dragoş Defta, 2021-06-21 This book demythologises one of the top Waffen SS units during the Second World War the Hitlerjugend Division In addition to bringing together new research in European historiography it also represents an innovative scientific approach using social psychology It provides insights into inner psychological mechanisms that facilitated moral disengagement and culminated in the division's unparalleled combat motivation and war crimes Best known for their alleged fanaticism Nazi indoctrination and inclination to perpetrate atrocities Hitlerjugend soldiers are analysed here using perspectives drawn from across sociology anthropology and psychology

**The Australian Pursuit of Japanese War Criminals, 1943-1957** Dean Aszkielowicz, 2017-09-05

The Pacific War Christina Twomey, Ernest Koh, 2014-09-15 The Pacific War is an umbrella term that refers collectively to a disparate set of wars however this book presents a strong case for considering this assemblage of conflicts as a collective singular war It highlights the genuine thematic commonalities in the legacies of war that cohere across the Asia Pacific and shows how the wars both individually and collectively wrought dramatic change to the geo political makeup of the region This book discusses the cultural political and social implications of the Pacific War and engages with debates over the war's impact legacies and continuing cultural resonances Crucially it examines the meanings and significance of the Second World War from a truly international perspective and the contributors present fascinating case studies that highlight the myriad of localised idiosyncrasies in how the Pacific War has been remembered and deployed in political contexts The chapters trace the shared legacy that the individual wars had on demographics culture and mobility across the Asia Pacific and demonstrate how in the aftermath of the war political borders were transformed and new nation states emerged The book also considers racial and sexual tensions which accompanied the arrival of both Allied and Axis personnel and their long lasting consequences as well as the impact returning veterans and the war crime trials that followed the conflict had on societies in the region In doing so it succeeds in illuminating the events and issues that unfolded in the weeks months and indeed decades after the war This interdisciplinary volume examines the aftermaths and legacies of war for individuals communities and institutions across South Southeast and East Asia Oceania and the Pacific world As such it will be welcomed by students and scholars of Asian history modern history and cultural history as well as by those interested in issues of memory and commemoration

U.S. Marines and Irregular Warfare, 1898-2007, 2008 Product Description Since the tragic events of 9 11 and the consequent advent of the Global War on Terrorism there has been a remarkable surge of interest in counterinsurgency This anthology presents 27 articles on counterinsurgency and irregular warfare particularly highlighting and examining the U S Marine

Corps roles in conflicts from 1898 through 2007 It also includes an extensive bibliography of works on these conflicts Continuing discussion and study of these subjects is of critical importance to the ongoing efforts of the United States and its allies in the Global War on Terrorism The anthology is divided broadly into two halves the first half presents historical examples of counterinsurgency involving the United States from the Philippines and the Banana Wars up through Vietnam while the second half addresses the nation s contemporary efforts in this regard Articles cover the situations in Iraq Afghanistan and the Horn of Africa The selected bibliography addresses a broad range of subjects on higher end operational strategic level of war considerations on geopolitical context and on a varied array of related topics political theory historical case studies failed states cultural studies and analysis and many others that all provide context or play a role in conducting a counterinsurgency and achieving success in the realm of irregular warfare Colonel Stephen S Evans USMCR researched and compiled this work as a field historian with the Marine Corps History Division He has experience at various operational levels both joint and multinational in CONUS and overseas and has performed duty with all three MEFs MARFORLANT MARFOREUR and U S forces in Korea He has also held a range of positions in administrative and educational roles at Quantico and the Pentagon Colonel Evans holds a doctorate in history from Temple University and has published two historical monographs Men of War Alexander Rose,2016-03-01 In the grand tradition of John Keegan s enduring classic The Face of Battle comes a searing unforgettable chronicle of war through the eyes of the American soldiers who fought in three of our most iconic battles Bunker Hill Gettysburg and Iwo Jima This is not a book about how great generals won their battles nor is it a study in grand strategy Men of War is instead a riveting visceral and astonishingly original look at ordinary soldiers under fire Drawing on an immense range of firsthand sources from the battlefield Alexander Rose begins by re-creating the lost and alien world of eighteenth century warfare at Bunker Hill the bloodiest clash of the War of Independence and reveals why the American militiamen were so lethally effective against the oncoming waves of British troops Then focusing on Gettysburg Rose describes a typical Civil War infantry action vividly explaining what Union and Confederate soldiers experienced before during and after combat Finally he shows how in 1945 the Marine Corps hurled itself with the greatest possible violence at the island of Iwo Jima where nearly a third of all Marines killed in World War II would die As Rose demonstrates the most important factor in any battle is the human one At Bunker Hill Gettysburg and Iwo Jima the American soldier as much as any general proved decisive To an unprecedented degree Men of War brings home the reality of combat and just as important its aftermath in the form of the psychological and medical effects on veterans As such the book makes a critical contribution to military history by narrowing the colossal gulf between the popular understanding of wars and the experiences of the soldiers who fight them Praise for Men of War A tour de force strikingly vivid well observed and compulsively readable The Daily Beast Military history at its best This is indeed war up close as those who fought it lived it and survived it if they could Men of War is deeply researched beautifully written The Wall Street Journal A brilliant riveting

unique book *Men of War* will be a classic. General David H. Petraeus, U.S. Army Retired. The fact is that *Men of War* moves and educates with the reader finding something interesting and intriguing on virtually every page. National Review: This is a book that has broad value to a wide audience. Whether the reader aims to learn what actually happens in battle, draw on the military lessons within, or wrestle with what actually defines combat, *Men of War* is a valuable addition to our understanding of this all too human experience. The New Criterion: A highly recommended addition to the literature of military history. Rose writes vividly and memorably with a good eye for the telling detail or anecdote. Kirkus Reviews: starred review. Using the firsthand accounts of brave soldiers who fought for freedom, Rose sheds new light on viewpoints we haven't heard as widely before. It's a welcome perspective in an era where most people have no military experience to speak of. The Washington Times: Rose poignantly captures the terror and confusion of hand-to-hand combat during the battle. The Dallas Morning News: If you want to know the meaning of war at the sharp end, this is the book to read. James McPherson, Pulitzer Prize-winning author of *The War That Forged a Nation*. *World Terrorism: An Encyclopedia of Political Violence from Ancient Times to the Post-9/11 Era* James Ciment, 2015-03-10. First Published in 2015. This collection holds three volumes. Terrorism is a term that defies easy definition and its meaning has also changed over the course of history. Because this encyclopedia aims at comprehensiveness across time, geography, and the conceptual landscape, it applies the broadest definition of terrorism: the use of violence or the threat of violence to effect political change through fear, in which the victims of the violence. The encyclopedia is divided into six parts. **The U.S. and the War in the Pacific, 1941-45** Sandra Wilson, Michael Sturma, Arjun Subrahmanyam, Dean Aszkielowicz, J. Charles Schencking, 2022-01-26. The U.S. and the War in the Pacific, 1941-45 analyzes the Pacific War with a focus on America's participation in the conflict. Fought over a great ocean and vast battlefields using the most sophisticated weapons available, the Pacific War transformed the modern world. Not only did it introduce the atomic bomb to the world, it also reshaped relations among nations and the ways in which governments dealt with their own peoples, changed the balance of power in the Pacific in fundamental ways, and helped to spark nationalist movements throughout Asia. This book examines the strategies, technologies, intelligence capabilities, home front mobilization, industrial production, and resources that ultimately enabled the United States and its allies to emerge victorious. Major themes include the impact of war, conceptions of race, Japanese perspectives on the conflict, and America's relations with its allies. Using primary documents, maps, and concise writing, this book provides students with an accessible introduction to an important period in history. Incorporating recent scholarship and conflicting interpretations, the book provides an insightful overview of the topic for students of modern American history. World War II and the Asia Pacific. **The Malmedy Massacre** Steven P. Remy, 2017-03-14. During the Battle of the Bulge, Waffen-SS soldiers shot 84 American prisoners near Malmedy, Belgium, the deadliest mass execution of U.S. soldiers during World War II. Drawing on newly declassified documents, Steven Remy revisits the massacre and the most infamously controversial war crimes trial in American history to

set the record straight [Atrocities, Massacres, and War Crimes](#) Alexander Mikaberidze,2013-06-25 Both concise and wide ranging this encyclopedia covers massacres atrocities war crimes and genocides including acts of inhumanity on all continents and serves as a reminder that lest we forget history will repeat itself The 400 plus entries in *Atrocities Massacres and War Crimes An Encyclopedia* provide accessible and concise information on the difficult subject of abject human violence committed on all continents The entries in this two volume work describe atrocities massacres and war crimes committed in the 20th century thereby documenting how human beings have repeatedly proven their capability to commit horrific acts of inhumanity even in relatively recent times and within the modern era The encyclopedia covers countries treaties and terms profiles individuals who had been formally indicted for war crimes as well as those who have committed mass atrocities and gone unpunished and addresses human rights violations crimes against humanity and crimes against peace

**Rorke's Drift and Isandlwana** Ian F. W. Beckett,2019-01-03 The battle of Isandlwana on 22 January 1879 the first major encounter in the Anglo Zulu War witnessed the worst single day s loss of British troops between the battle of Waterloo in 1815 and the opening campaigns of the First World War in August 1914 Moreover decisive defeat at the hands of the Zulu came as an immense shock to a Victorian public that had become used to easy victories over less technologically advanced indigenous foes in an expanding empire The successful defence of Rorke s Drift which immediately followed the encounter at Isandlwana and for which 11 Victoria Crosses were awarded averted military disaster and went some way to restore wounded British pride but the sobering memory of defeat at Isandlwana lingered for many years while the legendary tale of the defence of Rorke s Drift was re awakened for a new generation in the epic 1964 film *Zulu* starring Michael Caine In this new volume in the *Great Battles* series Ian F W Beckett tells the story of both battles investigating not only their immediate military significance but also providing the first overarching account of their continuing cultural impact and legacy in the years since 1879 not just in Britain but also from the once largely inaccessible and overlooked Zulu perspective
