Fancy Rats:

Fancy Rats Diane özdamar, 2018-08-15 People have prejudices about and fears towards rats they are misunderstood creatures However for a large segment of the population the rodents are cherished pets The fancy rat is the most common breed of domesticated or pet rat The name fancy rat derives from the idea of animal fancy the promotion of domesticated animals or the phrase to fancy meaning to like or appreciate Wild caught specimens that become docile and bred for many generations still fall under the fancy type In this book animal activist and photographer Diane Ozdamar shares compelling personality filled portraits and stories about rats she s fostered leading the way to help the countless rats currently living in animal shelters to find loving homes The stories that accompany the portraits will give readers a sense of each subject s unique personality fascinating behaviors and social interactions In addition zdamar provides tips about rats care and maintenance and explains how to adopt rescue rats how many rats to adopt and why Readers will also get a behind the scenes look at zdamar s photographic approach including how she uses a mini photo studio to produce such images She provides quick photography tips for people who d like to take pictures of their rats lending the confidence they need to enjoy their own creative photo shoots

Fancy Rats Gisela Bulla, 1999 From a series of books which provides information on all aspects of pet care for new and prospective pet owners

Fancy Rats Keeping Ralph Hooks, 2024-08-05 Fancy rats are an intriguing and distinctive option for pet owners and this introductory chapter will offer a thorough overview of these interesting critters From their history and origins to the numerous sorts of fancy rats and why they make good pets this chapter lays the groundwork for a pleasant adventure into the world of fancy rat care

History Origins The domestication of rats dates back to the early 18th century in Europe Initially viewed as pests their intelligence and trainability quickly drew the attention of rat catchers who started to retain and raise them for fun The name fancy rat originates in England where the National Fancy Rat Society NFRS was founded in 1976 to encourage breeding and caring for these pets Fancy rats are descended from the wild brown rat *Rattus norvegicus* Selective breeding has improved features like coat color pattern and temperament resulting in the diversified and pleasant rats we know today Fancy rats unlike their wild counterparts are bred for domestication resulting in animals that are more sociable and more adapted to living with people

Various Types of Fancy Rats Fancy rats come in a variety of colors coat kinds and patterns Understanding the various breeds may assist future owners in selecting the appropriate pet for their needs Some popular varieties of fancy rats are

Standard Rats These are the most common kind distinguished by smooth short hair and standard ear shapes

Dumbo Rats Named for their bigger rounder ears that lay lower on the sides of their heads giving them a unique and endearing look

The Rex Rats Rex rats may be identified by their curly hair and whiskers as well as their distinct texture

Hairless rats As the name implies these rats have no hair revealing their smooth exposed skin

The Satin Rats Satin rats are distinguished by their lustrous glossy hair which reflects light nicely

Hooded Rat These rats have a unique color pattern with a colorful head and shoulders and a white body

that resembles a hooded cloak Why Get a Fancy Rat as a Pet Fancy rats are excellent pets for various reasons Their intelligence and trainability make them engaging companions Rats unlike many tiny pets can learn names do tricks and even traverse mazes Their problem solving ability and curiosity keep them interested in new challenges offering unending amusement for their owners Furthermore fancy rats are very gregarious creatures They thrive on contact with both humans and other rats making them excellent for persons who have the time and want to build strong bonds with their pets Rats like being handled caressed and even cuddling with their owners demonstrating a degree of compassion and trust that is unusual for tiny animals Rat Jerry Langton,2014-05-20 From its origins in the swamps of Southeast Asia to its role in the medieval Black Death to its unshakeable niche in modern urban centers the rat has incredible evolutionary advantages Combining biology with history and social commentary with firsthand experience Rat dispels the myths and exposes the little known facts about the ubiquitous rodent Plague carrier city vermin and an out and out menace to modern man the rat like death and taxes is a certain fixture in humankind s history Rats are found in virtually every nook and cranny of the globe and their numbers are ever increasing Rats are always adapting and they seem to outwit any attempts by humans to wipe them out What makes the rat such a worthy adversary and how has it risen to the top of the animal kingdom Rats have been discovered living in meat lockers The rats in there simply grew longer hair fatter bodies and nested in the carcasses they fed upon A female rat can under good conditions have well over 100 000 babies in her lifetime A rat can fall fifty feet onto pavement and skitter away unharmed A rat s jaws can exert a force more than twenty times as powerful as a human s The front side of a rat s incisors are as hard as some grades of steel In Rat How the World s Most Notorious Rodent Clawed Its Way to the Top Jerry Langton explores the history myth physiology habits and psyche of the rat and even speculates on the future of the rat and how they might evolve over the next few hundred years Pet Rats Colin Patterson,2006-08-30 Nervous pet rat owners or those who want to get one if you don t know much about rats but would like your little ratties to be happy and healthy and stop them from chewing everything going to the bathroom on you biting you and more then this could be the most important book you ll ever read Pet rat expert Colin Patterson s complete system will have your ratties trusting you as their close friend doing neat tricks that impress your friends and living as long as possible Even if you re almost never home you re a total beginner and you don t have time to read through volumes of time consuming material
