**Fantastic Night** Stefan Zweig, 2015-05-05 I alone know that I am only just beginning to live He is distinguished rich a member of fashionable society utterly bored But over the course of one fantastic night a young Baron becomes a thief unashamed and awakes to life for the first time This collection is full of tales of infinite passions of intense encounters that transform lives a knock on a door that forces a whole community to take flight a doomed attempt to save a soul poisoned by addiction a love soured into awful cruelty of longing and liberation They are the gripping work of a master storyteller unmatched and completely unforgettable

*Captain Fantastic* Tom Doyle, 2017-03-21 The true story of Elton John's meteoric rise from obscurity to worldwide celebrity in the weird wild 1970s based on rare one on one interviews with the Rocket Man himself now the subject of a major motion picture In August 1970 Elton John achieved overnight fame with a rousing performance at the Troubadour in Los Angeles Over the next five years the artist formerly known as Reginald Dwight went from unheard of to unstoppable scoring seven consecutive 1 albums and sixteen Top Ten singles in America By the middle of the decade he was solely responsible for 2 percent of global record sales One in fifty albums sold in the world bore his name Elton John's live shows became raucous theatrical extravaganzas attended by all the glitterati of the era But beneath the spangled bodysuits and oversized eyeglasses Elton was a desperately shy man conflicted about his success his sexuality and his narcotic indulgences In 1975 at the height of his fame he attempted suicide After coming out as bisexual in a controversial Rolling Stone interview that nearly wrecked his career and announcing his retirement from live performance in 1977 at the age of thirty he gradually found his way back to the thing he cared about most the music *Captain Fantastic* gives readers a behind the scenes look at the rise fall and return to glory of one of the world's most mercurial performers Rock journalist Tom Doyle's insider account of the Rocket Man's turbulent ascent is based on a series of one on one interviews in which Elton laid bare many previously unrevealed details of his early career Here is an intimate exploration of Elton's working relationship with songwriting partner Bernie Taupin whose lyrics often chronicled the ups and downs of their life together in the spotlight Through these pages pass a parade of legends whose paths crossed with Elton's during the decade including John Lennon Bob Dylan Groucho Marx Katharine Hepburn Princess Margaret Elvis Presley and an acid damaged Brian Wilson A fascinating portrait of the artist at the apex of his celebrity *Captain Fantastic* takes us on a rollicking fame and drug fueled ride aboard Elton John's rocket ship to superstardom Praise for *Captain Fantastic* Veteran rock journalist Tom Doyle continues his foray into the 1970s music scene with a compelling profile of an unlikely rock star In chronicling Elton John's stratospheric rise to fame replete with platinum records increasingly outlandish stage shows and mountains of cash the author deftly manages to keep his subject in sharp focus Based on hours of one on one interviews with *Captain Fantastic* himself this breezy yet comprehensive biography demonstrates what it was like for the talented musician to churn out an impossible string of hit records A great way to better understand the man behind the garish glasses and
