**Nationalist Mobilization and the Collapse of the Soviet State** Mark R. Beissinger,2002-02-04 This 2002 study examines the process of the disintegration of the Soviet state **Ideology and the Collapse of the Soviet System** Neil Robinson,1995-01-01 this is an excellent book which sheds considerable light upon the role of ideology particularly in the last years of the Soviet Union Graeme Gill Europe Asia Studies this work is a serious attempt to bring ideology back into discussions about the end of the Soviet Union Bartholomew Goldyn Slovo This innovative book offers a critical history of the development of Soviet ideology discussing its centrality to Soviet politics and the destructive effect that it had on the Gorbachev reforms Neil Robinson analyses the nature and historical evolution of Soviet ideology between 1917 and 1985 to demonstrate the structural importance of Soviet ideological discourse and the uncertain place that it allocated to the communist party in the Soviet political system On the basis of this analysis Dr Robinson provides a fresh interpretation of Gorbachev s political reforms He describes the ideological dynamic that underwrote the development of perestroika how Gorbachev s ideas on democratization sent contradictory messages to the communist party and how this stimulated opposition to perestroika from party cadres and Soviet society The Soviet Transition Ottorino Cappelli,Rita di Leo,Stephen White,2014-04-08 Of course we watched it all on television day by day as the Evil Empire transmuted into the Circus Bear but seeing it and knowing what to think about it are not the same Scholars from eastern and western Europe and North America help out in 14 papers from an April 1992 conference in Naples **The Awakening of the Soviet Union** Geoffrey A. Hosking,1991 One of the world s preeminent scholars of the Soviet Union with many personal contacts there Geoffrey Hosking provides a unique perspective on the rapid changes the country is experiencing Other books have focused on the political changes taking place under Gorbachev Hosking s lively analysis illuminates the social cultural and historical developments that have created the need and openness for sweeping political and economic change **Russia's Bitter Path to Modernity** Alexander Chubarov,2001-01-01 Will it follow the model of the Western capitalist democracies as those who applied the economic shock therapy of the early 90s hoped or will it chose its own distinct path of development In this history of Russia from 1917 to the present Alexander Chubarov teases out certain themes developed in his previous book on

tsarist Russia The Fragile Empire One of the key factors to Russia's distinctiveness is its halfway location in the center of the Eurasian landmass This lends an inevitability to the traditional cultural schism between Westernizing reformers and Slavophiles Neither approach says Chubarov will work on its own Chubarov offers a balanced view abstaining from narrow ideologically biased assessments and examines the triumphs yes and failures of Russia's Soviet development within Russia's own cultural and historical context Without ever minimizing the brutalities of the Soviet period the state terror the collectivizations the labor camps the deportations of whole peoples Chubarov demonstrates much continuity between tsarist and Soviet Russia with the latter often repeating the former's mistakes Russia says Chubarov cannot turn its back on its Soviet experience Far from being a blind alley or aberrant phase the Soviet period was an organic part of Russia history and was largely successful in turning Russia and most of the other Soviet republics into modern states

### **Soviet Politics**

Richard Sakwa, 2012-11-12 Soviet Politics in Perspective is a new edition of Richard Sakwa's successful textbook Soviet Politics an introduction Thoroughly revised and updated it builds on the previous editions comprehensive and accessible exploration of the Soviet system from its rise in 1919 to its collapse in 1991 The book is divided into five parts which focus on key aspects of Soviet politics They are historical perspectives beginning with the Tsarist regime on the eve of Revolution the rise and development of Stalinism through to the decline of the regime under Brezhnev and his successors and Gorbachev's attempts to revive the system institutions of Government such as the Communist Party security apparatus the military the justice system local government and participation theoretical approaches to Soviet politics including class and gender politics the role of ideology and the shift from dissent to pluralism key policy areas the command economy and reform nationality politics and foreign and defence policy an evaluation of Soviet rule and reasons for its collapse Providing key texts and bibliographies this book offers the complete history and politics of the Soviet period in a single volume It will be indispensable to students of Soviet and post Soviet politics as well as the interested general reader

### **Late Soviet Culture**

Thomas Lahusen, Gene Kuperman, 1993 As the Soviet Union dissolved so did the visions of past and future that informed Soviet culture With Dystopia left behind and Utopia forsaken where do the writers artists and critics who once inhabited them stand In an advancing present answers editor Thomas Lahusen Just what that present might be in literature and film criticism and theory philosophy and psychoanalysis and in the politics that somehow speaks to all of these is the subject of this collection of essays Leading scholars from the former Soviet Union and the West gather here to consider the fate of the people and institutions that constituted Soviet culture Whether the speculative glance goes back to czarist Russia or Soviet Freudianism to the history of aesthetics or the sociology of cinema in the 1930s or forward to the market Stalinism one writer predicts or the open text of history another advocates a sense of immediacy or history in the making animates this volume Will social and cultural institutions now develop organically the authors ask or is the society faced with the prospect of even more radical reforms Does the present rupture mark the real moment of Russia's encounter with modernity The options

explored by literary historians film scholars novelists and political scientists make this book a heady tour of cultural possibilities An expanded version of a special issue of South Atlantic Quarterly Spring 1991 with seven new essays Late Soviet Culture will stimulate scholar and general reader alike Contributors Katerina Clark Paul Debreczeny Evgeny Dobrenko Mikhail Epstein Renata Galtseva Helena Goscilo Michael Holquist Boris Kagarlitsky Mikhail Kuraev Thomas Lahusen Valery Leibin Sidney Monas Valery Podoroga Donald Raleigh Irina Rodnyanskaya Maya Turovskaya Six Years that Shook the World Rachel Walker,1993 Focuses on the six years of perestroika in the Soviet Union and suggests that many of the problems confronting the new states were first created during this time The book tries to explore and explain some of these developments covering events up to August 1992 Russia's Unfinished Revolution Michael A. McFaul,2015-05-15 For centuries dictators ruled Russia Tsars and Communist Party chiefs were in charge for so long some analysts claimed Russians had a cultural predisposition for authoritarian leaders Yet as a result of reforms initiated by Mikhail Gorbachev new political institutions have emerged that now require election of political leaders and rule by constitutional procedures Michael McFaul traces Russia's tumultuous political history from Gorbachev's rise to power in 1985 through the 1999 resignation of Boris Yeltsin in favor of Vladimir Putin McFaul divides his account of the post Soviet country into three periods the Gorbachev era 1985 1991 the First Russian Republic 1991 1993 and the Second Russian Republic 1993 present The first two were he believes failures failed institutional emergence or failed transitions to democracy By contrast new democratic institutions did emerge in the third era though not the institutions of a liberal democracy McFaul contends that any explanation for Russia's successes in shifting to democracy must also account for its failures The Russian Soviet case he says reveals the importance of forging social pacts the efforts of Russian elites to form alliances failed leading to two violent confrontations and a protracted transition from communism to democracy McFaul spent a great deal of time in Moscow in the 1990s and witnessed firsthand many of the events he describes This experience combined with frequent visits since and unparalleled access to senior Russian policymakers and politicians has resulted in an astonishingly well informed account Russia's Unfinished Revolution is a comprehensive history of Russia during this crucial period **Russia** Edward Acton,2014-09-19 This text has established itself as the best general introduction to Russian history providing a forceful and highly readable survey from earliest times to the post Soviet State At the heart of the book is the changing relationship between the State and Russian society at large The second edition has been substantially rewritten and updated and new material and fresh insights from recently accessible research have been incorporated into every chapter **Revolutionary Passage** Marc Garcelon,2005-06-09 Revolutionary Passage is a cultural social and political history of Russia during its critical period of transformation at the end of the twentieth century Marc Garcelon traces the history of perestroika and the rise of Vladimir Putin arguing that the pressure Mikhail Gorbachev's reforms put on the Soviet system gave birth to movements for democratic change He also shows that the very political arrangements that prompted the fall of Communism

also killed hopes for subsequent reform At the turning point of this political revolution stood Democratic Russia or DemRossiia the principal organization of the Russian democratic movement that helped to dismantle the Soviet system and force the Soviet leadership to change course However as post Soviet Russia committed itself to globalization and U S style economic reforms the country directed itself away from the Democratic reforms called for by organizations like DemRossiia and such groups collapsed Revolutionary Passage provides a close examination of the DemRossiia Garcelon deftly illuminates the rise and decline of this organization and how the processes of revolutionary change impacted both Russia and the world

The A to Z of Marxism David Walker, Daniel Gray, 2009-08-13 Marxism one of the few philosophies that turned into an effective movement not so long ago was the official ideology in one form or another of much of humanity It was promulgated initially by the Soviet Union then imposed on much of Central and Eastern Europe later emerged in the People s Republic of China and gradually spread to other parts of Asia and even bits of Africa and Latin America Although declining in its initial popularity it still remains strong in several countries and is supported by numerous communist and other parties and countless individuals around the world The A to Z of Marxism covers the history of Marxism and all its thinkers and schools of thought in a comprehensive manner This is done through a chronology an introductory essay a bibliography and hundreds of cross reference dictionary entries on basic terms and concepts significant thinkers and doers and also the parties and countries that followed it

### Farewell Perestroika A Soviet Chronicle Introduction

In the digital age, access to information has become easier than ever before. The ability to download Farewell Perestroika A Soviet Chronicle has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Farewell Perestroika A Soviet Chronicle has opened up a world of possibilities. Downloading Farewell Perestroika A Soviet Chronicle provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Farewell Perestroika A Soviet Chronicle has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Farewell Perestroika A Soviet Chronicle. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Farewell Perestroika A Soviet Chronicle. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Farewell Perestroika A Soviet Chronicle, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Farewell Perestroika A Soviet Chronicle has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
