Now in a revised and expanded 12th edition, *New Jersey Day Trips* offers everyone a fascinating journey through hundreds of tourist attractions in all corners of the Garden State. Plus, this comprehensive resource explores the most popular points just beyond the state's borders. Patrick Sarver has updated most entries and added more than twenty new points of interest to an already extensive list of destinations, making this the most sought-after guidebook about New Jersey. *Pastor in the Pasture* Daryn Dawes, 2025-01-06. God has always taught his people the biggest lessons of life through a variety of ways. Farming has become one of the ways God has used to teach this unlikely farmer some of life's most important lessons. Through a series of unexpected events, God decided to take a pastor and place him in the pasture. While in the pasture, this pastor had to learn to care for animals. He had to learn how to make hay. While he was learning how to farm, ultimately he was learning something so much more valuable: he was learning about life.

While this pastor was in the pasture he learned about trust worry relationships failure and patience Who knew you could learn so much from sheep goats and peacocks This book is not a how to book for farmers it is more like a how not to farm book Rather this book is a collection of the stories and experiences many failures and few successes that I have had as a pastor while starting a farm Behind each and every story is a lesson that God wants his people to learn So for the past several years I have taken the lessons learned in the pasture and shared them from the pulpit in my church Now I want to share those lessons with you I hope that you will follow along with the pastor in the pasture and see what God wants to teach you
