

The background of the slide is a collage of three distinct physics experiments. On the left, a pendulum with a blue bob is suspended from a stand. In the center, a glass of water has a thick, white, foamy liquid being poured into it from a beaker. On the right, a hand holds a blue battery with a coiled wire attached, and a small white circle with ten colored dots is positioned above it. A blue banner with white text is at the bottom.
