A Fast Gun for Judas Marc Alexander, 1968 Whispering Corner Marc Alexander, 2013-02-13 Estranged from his family and down on his luck author Jonathan Northrop is at a turning point in his life when he purchases Whispering Corner a beautiful old house in a remote Dorset setting When strange whisperings and invisible presences begin to invade the house Jonathan draws on these as inspiration for his new novel But frighteningly the characters in his book start appearing in his life and he fears he may have awakened some ancient psychic presence Amidst increasing supernatural activity real life and fiction begin to intertwine to lead to a horrifying climax The Dark Domain Marc Alexander, 2014-09-30 The Dark Domain Martin Winter first meets the Auber twins on holiday beside Derwentwater where their great and mysterious house looms over the lakeside They strike up an immediate friendship and when they come together again as adults the old bonds seem to remain Geoffrey is now a leading figure in the glamorous London art world and Martin's earlier passion for the beautiful Leila now matures into an adult love affair But an ancient curse shadows the Auber family And when Martin steps over the threshold dividing past from present the worldly from the supernatural he understands at last the danger threatening the doomed House of Auber and himself **One Dead Indian** Peter Edwards, 2011-06-22 On September 4 1995 several Stoney Point Natives entered Ipperwash Provincial Park near Sarnia Ontario and began a peaceful protest aimed at reclaiming a traditional burial ground Within seventy two hours one of those protestors Anthony Dudley George was dead shot by an OPP officer In One Dead Indian after covering the tragedy from the beginning journalist Peter Edwards examines the circumstances surrounding George's death and asks a number of tough questions including How much pressure did the Ontario government put on the OPP to get tough As the official public inquiry attempt to shed light on what really happened Peter Edwards s investigation of this question brings the story right up to the present The Plague Pit Marc Alexander, 2014-04-12 Deep foundations are being dug on a City building site when some old brickwork is revealed Part of it collapses releasing a gust of air so foul that the men nearby begin to choke and retch Finally the nauseous stench disperses and they discover a burial crypt dating back to the Great Plague of London in 1665 But these pits should never be disturbed When the intruders begin to show horrifying symptoms fever nausea revolting swellings all will die hideously within five days The frightened authorities struggle to stop a national crisis So the victims are isolated and a cover up is launched But one of the men who entered the pit cannot be traced God's Children E.B Gilchrist, P.A Taylor, 2022-03-01 Be careful who you trust things are not always as they seem Marcus Churchill is a bright fit and handsome young man with a strong sense of justice and fair play He lives in a world where truth and social order are the norm and where deception and crime are simply beyond his comprehension That was until one day a lie provokes a sequence of events that expose just how imperfect and fragile his ordered society really is In this fast moving action adventure filled with subtle twists and turns romance humour and even corruption and war Marcus s mundane and tidy life is turned into a struggle for survival not just his own survival

but also the survival of his world God's Children will grip you from start to finish However to the philosophers among us this story might be read as an exploration of the challenging topic of how society treats its minority and hard to understand groups wrapping issues of race colour disability and political correctness into the storyline in a subtle and totally novel yet highly entertaining way

Straight to the Heart of Luke Phil Moore, 2017-04-21 Luke is excited As the only non Jewish writer in the New Testament he can hardly believe that God became a human not just for Jewish boys like Peter and Paul but for Gentiles just like him His excitement about the Gospel is contagious as he tells us wide eyed All of this happened for you too Want to explore Luke but feel like you don't have the time Straight to the Heart of Luke is a concise and bite size approach to Bible study giving you nuggets of information that you can think about throughout the day Bible study for busy people Luke was so unlike the other New Testament writers that many of his contemporaries believed he wasn't qualified to write Scripture at all But to understand the message of his gospel we need to grasp who he was Luke was the only New Testament writer who was not a Jew The apostle Paul defends him by stating explicitly that his gospel was as much Holy Scripture as the Old Testament Luke was an outsider to the Jewish faith that God inspired to compile an account of the life of Jesus in order to show people all around the world that what Jesus said and did him said and did for us all The astonishing message of Luke's gospel is that what happened to Jesus happened for you Phil Moore helps us to understand and see God's wisdom in choosing Luke as a writer He shows that Luke assures us that this isn't someone else's story he came for you We can say yes to Jesus discovering

that he can use you And that all this is possible because he made a way for you **Talithia** T.
