## **Friend In Paradise:**

*The Interpretation of The Meaning of The Holy Quran Volume 57 - Surah As-Saffat* Nasoha Bin Saabin, I have written many books and articles on various topics but since 2013 I have devoted myself fully in writing the interpretation of the Holy Quran in English and with the grace of Allah I have completed the whole Quran on 29th October 2020 with 84 books I believe there is a great need in the whole world for the correct interpretation of the Holy Quran to be written in English Currently there is a great misunderstanding about Islam among Muslims and non Muslims globally The misunderstanding of the meaning of the Holy Quran among Muslims will lead to the wrong practice of Islam which leads to the wrong actions of Muslims The wrong actions of Muslims will lead to misunderstandings about Islam among Muslims and non Muslims The wrong actions of the Muslims have led to many miseries and wars among Muslims The wrong actions of Muslims have also led to many wars and clashes between Muslims and non Muslims In order to avoid miseries wars and clashes from taking place between the whole mankind in the whole world the whole mankind in the whole world need to understand the true teaching of Islam There is no other way for the whole mankind to understand the true teaching of Islam unless the whole mankind is able to read and understand the correct interpretation of the Holy Quran The whole mankind is only able to read and understand the correct interpretation of the Holy Quran when it is written in the universal language of the world English For this very reason I have written the interpretation of the Holy Quran in English Prof Nasoha Bin Saabin

*Friendship and its Discourses in the Seventeenth Century* Cedric C. Brown, 2016-11-03 Cedric C Brown combines the study of literature and social history in order to recognize the immense importance of friendship bonds to early modern society Drawing on new archival research he acknowledges a wide range of types of friendship from the intimate to the obviously instrumental and sees these practices as often co-terminous with gift exchange Failure to recognize the inter-connected range of a friendship spectrum has hitherto limited the adequacy of some modern studies of friendship often weighted towards the intimate or gendered related issues This book focusses both on friendships represented in imaginative works and on lived friendships in many textual and material forms in an attempt to recognize cultural environments and functions In order to provide depth and coherence case histories have been selected from the middle and later parts of the seventeenth century Nevertheless many kinds of bond are recognized as between patron and client mentor and pupil within the family within marriage in courtship or according to fashionable refined friendship theory Both humanist and religious values systems are registered and friendships are configured in cross-gendered and same-sex

relationships Theories of friendship are also included Apart from written documents the range of texts extends to keepsakes pictures funerary monument and memorial garden features Figures discussed at length include Henry More and the Finch Conway family John Evelyn Jeremy Taylor Elizabeth Carey Mordaunt John Milton Charles Diodati Cyriac Skinner Dorothy Osborne Temple William Temple Lord Arlington Sir Orlando Bridgeman and Katherine Phillips and her circle especially Anne Owen Trevor and Sir Charles Cotterell
