[With Illustrations, Including Portraits.].** Edward James STACKPOLE (the Younger.), Wilbur Sturtevant NYE, 1959      **Cedar Mountain to Antietam** M. Chris Bryan, 2022-01-04 This history of the Union XII Corps skillfully weaves firsthand accounts into a compelling story about the triumphs and defeats of this venerable unit Bradley M Gottfried author of The Maps of Antietam The diminutive Union XII Corps found significant success on the field at Antietam Its soldiers swept through the East Woods and the Miller Cornfield permanently clearing both of Confederates repelled multiple Southern assaults against the Dunker Church plateau and eventually secured a foothold in the West Woods This important piece of high ground had been the Union objective all morning and its occupation threatened the center and rear of Gen Robert E Lee s embattled Army of Northern Virginia Yet federal leadership largely ignored this signal achievement and the opportunity it presented The achievement of the XII Corps is especially notable given its string of disappointments and hardships in the months leading up to Antietam M Chris Bryan s Cedar Mountain to Antietam begins with the formation of this often luckless command as the II Corps in Maj Gen John Pope s Army of Virginia on June 26 1862 Bryan explains in meticulous detail how the corps endured a bloody and demoralizing loss after coming within a whisker of defeating Maj Gen Stonewall Jackson at Cedar Mountain on August 9 suffered through the hardships of Pope s campaign before and after the Battle of Second Manassas and triumphed after entering Maryland and joining the reorganized Army of the Potomac The men of this small corps earned a solid reputation in the Army of the Potomac at Antietam that would only grow during the battles of 1863 This unique study which blends unit history with sound leadership and character assessments puts the XII Corps actions in proper context by providing significant and substantive treatment to its Confederate opponents Bryan s extensive archival research newspapers and other important resources together with detailed maps and images offers a compelling story of a little studied yet consequential command that fills a longstanding historiographical gap      **From Cedar Mountain to Antietam, August-September, 1862** Edward James Stackpole, 1959      From Cedar Mountain to Antietam Edward James Stackpole, 1959      **The Era of the Civil War--1820-1876** Louise A.
