

# Chink

I dare not move before our baby wakes  
in case we lose these last moments of doze.  
You have your morning tic, a click-jaw  
loud enough to wake even the daws that nest  
in our bedroom chimney stack. The room shrinks  
to your impending clack and my full nose, waiting  
for a sneeze. We're fixed, long enough to look once  
at each other, each a sleep-drooled, chosen lover.  
Our toes graze, by accident we think, a touch  
we will not gauge till later. I break, reach  
for a tissue, notice that we have open peepers.  
This, the first time she wakes without a cry.  
She has become the keeper of our gaze,  
her look, where we begin and end our days.

**From Every Chink of the Ark** Peter Redgrove, 1977-01-01      **Poetic Compounds** Jean Boase-Beier, 2010-10-06 Over the past few decades the book series *Linguistische Arbeiten* Linguistic Studies comprising over 500 volumes has made a significant contribution to the development of linguistic theory both in Germany and internationally The series will continue to deliver new impulses for research and maintain the central insight of linguistics that progress can only be made in acquiring new knowledge about human languages both synchronically and diachronically by closely combining empirical and theoretical analyses To this end we invite submission of high quality linguistic studies from all the central areas of general linguistics and the linguistics of individual languages which address topical questions discuss new data and advance the development of linguistic theory      **Scientist of the Strange** Paul Bently, 2002-06 The present study uncovers the psychical stakes and dramas involved in Redgrove's practice and in turn relates these stakes and dramas to the marked element of cultural critique to be found in Redgrove's nonfiction but which is virtually absent from the poems **BOOK JACKET**      **A Dictionary of Writers and their Works** Christopher Riches, Michael Cox, 2015-01-29 Over 3 200 entries An essential guide to authors and their works that focuses on the general canon of British literature from the fifteenth century to the present There is also some coverage of non fiction such as biographies memoirs and science as well as inclusion of major American and Commonwealth writers This online exclusive new edition adds 60 000 new words including over 50 new entries dealing with authors who have risen to prominence in the last five years as well as fully updating the entries that currently exist Each entry provides details of a writer's nationality and birth death dates followed by a listing of their titles arranged chronologically by date of publication      **Aberration in Modern Poetry** Lucy Collins, Stephen Matterson, 2011-12-22 This critical work considers the role played by elements that might be considered aberrational in a poet's oeuvre With an introductory essay exploring the nature of aberration these fourteen contributions investigate the work of major 20th century poets from the U S Britain Ireland Australia and New Zealand Aberration is considered from the standpoint of both the artist and the audience prompting discussion on a range of important issues including the formation of the canon Each essay discusses the status of the aberrant work and the ways in which it challenges enlarges or supports the overall perception of the poet      **The Desperado Age** ,      **Women Coauthors** Holly A. Laird, 2000 Until recently collaborative authorship has barely been considered by scholars when it has the focus has been on discovering who contributed what and who dominated whom in the relationship and in the writing In *Women Coauthors* Holly Laird reads coauthored texts as the realization of new kinds of relationship Through close scrutiny of literary collaborations in which women writers have played central roles *Women Coauthors* shows how partnerships in writing between two women or between a woman and a man provide a paradigm of literary creativity that complicates traditional views of both author and text and makes us revise old habits of thinking about writing Focusing on the social dynamics of literary production including the conversations that precede and

surround collaborative writing Women Coauthors treats its coauthored texts as representations as well as acts of collaboration Holly A Laird discusses a wide array of partial and full coauthorships to reveal how these texts blur or remap often uncanny boundaries of self status race reason and culture that of the Delany sisters and Amy Hill Hearth on Having Our Say lesbian couples whose lives and writings were intertwined including Katherine Bradley and Edith Cooper Michael Field and Gertrude Stein and Alice B Toklas and the Native American wife and husband authors Louise Erdrich and Michael Dorris Framed in time by the feminist and abolitionist movements of the mid nineteenth century and the ongoing social struggles surrounding gender race and sexuality in the late twentieth century the partnerships and texts observed in Women Coauthors explore collaboration as a path toward equity both socioliterary and erotic For the authors here who collaborate most fully with each other two are much better than one Poets of Great Britain and Ireland Since 1960 Vincent B. Sherry,1985 Essays on British and Irish poets published in the years between 1960 and 1985 whose methods and outlooks as reflected in their works display the diversity and vitality of poetry during a twenty five year period that ranged from experimental modernism to traditional forms renewed by the shifts of attitude in the 1960s *The Best of Peter Redgrove's Poetry* Peter Redgrove,2007 This volume gathers together poetry and prose from every stage of Peter Redgrove s career and every book It includes pieces that have only appeared in small presses and magazines and in uncollected form

*Sex-Magic-Poetry-Cornwall* Peter Redgrove,Jeremy Mark Robinson,2007 A collection of poems by one of Britain s best but underrated poets Peter Redgrove who died in 2003 The book includes an essay by Jeremy Robinson which analyses all of Redgrove s poetic work including his use of sex magic natural science menstruation psychology myth alchemy and feminism

*Chapters into Verse: Poetry in English Inspired by the Bible* Robert Atwan,Laurance Wieder,1993-05-06 For generations poets have turned to the Bible for insight and inspiration What did so many creative minds find in scripture Is the Bible still a vital source of poetic inspirations Chapters Into Verse is the first comprehensive collection ever made of poems written in English inspired by the Bible A groundbreaking anthology it introduces readers to a distinct heritage of English poetry the scriptural tradition Though frequently ignored and sometimes suppressed this tradition rivals the classical and is every bit as venerable Drawing a unique map of the history of English poetry the two volumes of Chapters Into Verse survey and define the literary legacy of the Scriptures from the fourteenth century to the present Each volume is arranged in scriptural order and each poem is preceded by the biblical passage that inspired it Thus readers can conveniently witness the various ways sacred text has sparked the imagination of poets throughout the ages In Volume I which covers Genesis to Malachi almost every book of the Old Testament is represented The collection features verses both famous and unfamiliar from Milton s Paradise Lost and Lord Byron s Hebrew Melodies to Christopher Smart s hymns and Mary Herbert s psalms The editors have included poems by virtually all the prominent religious poets among them John Donne George Herbert Henry Vaughan Edward Taylor and Gerard Manley Hopkins Included too are devotional and visionary works from a wide range of vintage

poets Robert Burns William Blake Walt Whitman Emily Dickinson Christina Rossetti Alfred Tennyson and Robert Browning Proving that the Bible is just as powerful a source of inspiration today as it was in the past the collection assembles a mixed congregation of modern and contemporary poets such as Marianne Moore Delmore Schwartz Dylan Thomas Robert Frost William Carlos Williams Countee Cullen e e cummings William Butler Yeats Robert Lowell Hugh MacDiarmid Laura Riding Jackson Charles Reznikoff A D Hope Geoffrey Hill Denise Levertov Philip Levine John Ashbery and Derek Walcott Of enduring interest to readers of both scripture and literature this anthology illuminates key passages of the Old Testament The measured speech and inspired leaps of poetry offer a spirited alternative to the textual exegesis usually supplied by prose commentary As such Chapters Into Verse is truly a poets Bible In selection after selection readers will encounter an astonishing variety of religious experiences as a host of poets from many eras and many backgrounds respond to Holy Scripture spiritually profoundly and imaginatively     The Beekeepers Peter Redgrove,1980     *Delta* ,1976     **Current Book Review Citations** ,1980     **The London Magazine** ,1977     **London Magazine** John Lehmann,Alan Ross,1979     **Subject Catalog, 1978** Library of Congress,1978     Subject Catalog Library of Congress,1976     **Books for Secondary School Libraries** National Association of Independent Schools.
