

# From Joshua To Josiah turning Point In The History Of Israel

**John T. Greene**

## **From Joshua To Josiahturning Point In The History Of Israel:**

**The Land of Canaan and the Destiny of Israel** David Frankel, 2011-06-30 What part does the land of Canaan play in the biblical conception of Israel To what extent does the religion promoted by the Hebrew Bible require that Israel live its communal life in the national homeland And how does life in the land compare in importance with other elements presented as belonging to Israel's ultimate destiny such as for example adherence to the law To what extent must the people of Israel take hold of and settle in the entire land of Canaan for them to fulfill their destiny Might the land be shared with other peoples or must non Israelites be expelled and subjugated or at least kept at a safe and isolated distance Frankel asks these questions and others of the Hebrew Bible as a whole and of the biblical texts individually He shows that all of these questions were addressed by various biblical authors and that diverse and even opposing answers were given to them These issues are not completely new Many of them have been addressed in recent times by various scholars and theologians who have taken a renewed interest in the territorial dimension of the Hebrew Bible However works of a predominantly theological or sociological orientation often suffer from a tendency to read the biblical texts holistically and to gloss over textual snags and inconsistencies For Frankel the snags and inconsistencies in the texts are of central importance They allow him carefully to reconstruct the process of the growth of the texts in question and to reveal both their original forms and their final transformations at the hands of the editors Frankel's analysis shows that behind the present form of several biblical texts lie earlier versions that often displayed remarkably open and inclusive conceptions of the relationship between the people of Israel and the land of Canaan Diachronic analysis of the biblical text is thus an essential component in this book's attempt to retrieve something of the heated theological dynamic that animated the work of the authors and editors whose efforts were consummated in the formation of the Hebrew Bible Frankel presents here many new and previously unrecognized biblical conceptions and traditions that have significant theological implications for the contemporary religious and political situation in the State of Israel Once the biblical conceptions have been accurately identified analyzed and categorized he opens a discussion of the possible relevance of these conceptions to the contemporary situation in which he lives **Von Josua bis**

**Jojachin** Hartmut Rösel, 2014-09-03 This volume deals with the question of the deuteronomistic history in the Old Testament and attempts to demonstrate that such a uniform history never existed the books of Deuteronomy 2 Kings do not contain such a history The first part of the book shows that there is no homogenous conceptual framework in the deuteronomistic historical books For example different concepts of sin and punishment are found Even the destruction of Judah and Jerusalem does not represent a Leitmotiv of divine punishment The second part of the book deals with problems relating to the various deuteronomistic redactions in the historical books of the Old Testament In this book the author introduces new perspectives in the discussion of a central problem of Old Testament scholarship **Sefer Moshe: The Moshe Weinfeld Jubilee**

**Volume** Chaim Cohen, Avi M. Hurvitz, Shalom M. Paul, 2004-06-30 Moshe Weinfeld's contributions to the study of the Bible

and its literature as well as the social and political situation of the Bible in its ancient Near Eastern context are well known In this volume 35 colleagues and students contribute essays organized according to four subjects 1 Exegetical and Literary Studies on the Bible 2 Studies on Biblical Hebrew History and Geography 3 Ancient Near Eastern and Amarna Studies and 4 Studies on Qumran Post biblical Judaism and the Jewish Medieval Commentaries A bibliography and biography of the honoree round out the volume

**The Fall and Rise of Jerusalem** Oded Lipschits, 2005-06-30 The period of the demise of the kingdom of Judah at the end of the 6th century B C E the fall of Jerusalem to the Babylonians the exile of the elite to Babylon and the reshaping of the territory of the new province of Judah culminating at the end of the century with the first return of exiles all have been subjects of intense scrutiny during the last decade Lipschits takes into account the biblical textual evidence the results of archaeological research and the reports of Babylonian and Egyptian sources and provides a comprehensive survey and analysis of the evidence for the history of this 100 year long era He provides a lucid historical survey that will no doubt become the baseline for all future studies of this era

The Gift of the Land and the Fate of the Canaanites in Jewish Thought Katell Berthelot, Joseph E. David, Marc Hirshman, 2014-04 A compelling analysis of Jewish thought from ancient times to the present on the issue of the gift of the land of Israel and the fate of the Canaanites

Biblical Sinai traditions Israel Knohl, 2025-02-20 This book discusses the the beginning of writing and the Beginning of Biblical Literature Making the claim that the poetic descriptions of God s appearance from Sinai and the giving of commandments are older than the story in the Torah this book looks at the drama of the redesign of Sinai traditions and their transfer from the oral poetic expression to the creation of written story Taking place against the background of the intensification of literacy in the ancient Israeli society in the eighth century BC the book argues that the emergence of scriptural prophecy is the other side of the same coin This work is an important read for scholars of early Christianity

**Mishneh Todah** Nili Sacher Fox, David A. Glatt-Gilad, Michael J. Williams, 2009-06-30 Jeffrey H Tigay A M Ellis Professor of Hebrew and Semitic Languages and Literatures at the University of Pennsylvania master teacher and scholar extraordinaire conservative rabbi and lifelong student of Torah receives due ovation in this exceptional volume a tribute to his indelible impression on Jewish scholarship and pedagogy The volume is arranged according to Professor Tigay s primary topics of interest deuteronomic studies ancient Israelite religion and its Near Eastern context and ancient Israelite literary tradition The reader will enjoy diverse studies such as Gender Transformation and Transgression Contextualizing the Prohibition of Cross dressing in Deuteronomy 22 5 The Problem of Evil in the Book of Job and Linen and the Linguistic Dating of P and will value the erudition of scholars such as Moshe Greenberg Emanuel Tov Gary Rendsburg William Hallo and Baruch Levine In the customary appreciations and throughout the volume colleagues students and friends laud Professor Tigay s intellectual tenacity relational warmth pedagogical prowess and devotion to Torah A former student aptly speaks for those who know him best A scholar s immortality lies in his or her work It rests too in his or her students and in the respect

won from his or her colleagues A Festschrift like this one for Jeff Tigay is merely a token of that legacy the acknowledgment by his students and colleagues that the work is indeed worth celebrating This legacy will surely be a boon and delight to the reader

*Hezekiah in History and Tradition* Robb Andrew Young, 2012-05-03 The Judean monarch Hezekiah remains one of the most significant figures in biblical studies For all of his greatness however there is little about him that may be stated with certainty This study provides a detailed reexamination of this enterprising ruler It commences with data outside the biblical text from Assyrian records and ancient Near Eastern archaeology which may be brought to bear in reconstructing the historical Hezekiah and subsequently proceeds to augment this picture based on his portrayal in the books of Kings First Isaiah and Chronicles Its focus is on those issues that either remain contentious in biblical scholarship or else have been resolved into a general consensus that needs to be called into question

*An Ethical View of Human-Animal Relations in the Ancient Near East* Idan Breier, 2022-10-19 Exploring the earliest literary evidence for human animal relations this volume presents and analyzes biblical and Mesopotamian Sumerian Assyrian and Babylonian sources from the third millennium BCE through to the consolidation of the biblical literature in the first millennium BCE Key Features Provides the first comprehensive study of these texts from an ethical perspective Examines proverbs popular aphorisms myths epic literature wisdom literature historiography prophecy and law codes Applies methodology from current contemporary biblical and ancient Near Eastern scholarship and human animal ethics thereby raising new questions that lead to fresh insights An Ethical View of Human Animal Relations in the Ancient Near East is essential reading for scholars and graduate students of animal ethics applied ethics and biblical studies

*Between Woman, Man and God* Hagith Sivan, 2004-08-01 According to the demands of the Decalogue manhood entails the avoidance of stealing killing and coveting not to mention apostasy and violation of the Sabbath and other men's property What then would be the essence of womanhood if different By selecting female characters narratives as interpretative clues for the law this book presents a legal behavioral and representational reading of the Decalogue Beginning with an analysis of the legal contents of each Commandment through allied legal texts which relate to women and to the feminine each chapter continues with an investigation of the ways in which the activities of the female and male protagonists of select narratives elucidate the range of Commandments

**A Life in Parables and Poetry: Mishael Maswari Caspi** John T. Greene, 2020-08-10 No detailed description available for A Life in Parables and Poetry Mishael Maswari Caspi

**Hidden Polemics in Biblical Narrative** Amit, 2022-07-04 In current usage polemics is broadly defined as the practice of rhetorical persuasion or as the rhetorical presentation of an argument in dispute The phenomenon of polemics is found throughout the whole corpus of biblical literature In most instances the polemics is direct but sometimes indirect and occasionally it appears to be deliberately covert This book is primarily concerned with exploring the phenomenon of covert polemics Dealing first with considerations of method definition and characterization the study moves on to the analysis of a number of narrative texts and the uncovering of their covert polemical content Polemics of this

type is a feature of biblical writing on a range of central issues and can be instructively isolated in texts relating to cultic locations Beth El Jerusalem questions of leadership the houses of Saul and David community boundaries the Samaritans and other problems of legitimation **Heaven, Hell, and the Afterlife** J. Harold Ellens, 2013-07-25 Christianity Islam and Judaism all feature ideas about heaven hell and afterlife and these concepts have evolved over time within these religions This work supplies a detailed and coherent understanding of the broad scope of spiritual thinking in the last 3 000 years within the Abrahamic traditions Heaven Hell and the Afterlife Eternity in Judaism Christianity and Islam provides an all encompassing examination of historic and contemporary perspectives on afterlife in Western religions In these three volumes Judaic Christian and Muslim scholars join forces providing an unprecedented review of their individual faith s traditions Every significant issue and major theme is discussed no controversial topic is avoided From ancient doctrines to modern day outlooks of conservatives progressives and liberals in all three religions all are analyzed and presented here The framework of the volumes underscores how the ethics and concepts of eternity in the Western action religions contrast with Eastern religions that tend to be characterized as passive or withdrawal religions in their ethics and their notions of afterlife as absorption within universal spirit Nirvana or nonexistence This work is well suited for undergraduate and graduate students general readers interested in religion and professional scholars particularly those in fields corollary to religious study

Bethsaida in Archaeology, History and Ancient Culture J. Harold Ellens, 2014-06-12 This volume is an archaeological analysis history and description of a key excavation of the site of biblical Bethsaida the most important Holy Land location in the narrative of Jesus life This volume presents some of the pre eminent biblical archaeological scholars in the field all of whom were associated with Professor John T Greene either in the process of decades of archaeological exploration of the ancient site of Bethsaida or in some other related activity in the field of biblical studies and religion Professor Greene has been a leading scholar in the excavation and publication of field reports and historical and biblical analysis of the rich lode of discoveries that Bethsaida has revealed to us This volume will be the highly sought after summary of the historical biblical information now available about ancient Bethsaida the location at which Jesus vacationed taught healed and announced his self perception as the promised Jewish Messiah who became a new kind of Christian Messiah after his death by crucifixion on a Roman cross in approximately 30 CE in Jerusalem Bethsaida in Archaeology History and Ancient Culture A Festschrift in Honor of John T Greene describes the operational life of the ordinary people religious communities military movements and socio political hierarchy from a ground level perspective of the centuries before and during the lifetimes of Philo Judaeus Jesus of Nazareth and Flavius Josephus It is unique in its popular presentation of this key era for scholarly research appealing to both scholars in the field and informed non professional readers as well as scholars in corollary disciplines This volume will be immensely sought after by a wide range of those persons who expect interesting important and highly readable works from municipal and academic libraries as well as the popular book stores throughout the English speaking

world      **Athens in Jerusalem** Yaacov Shavit, 1997-10-01 According to the author the Hellenistic tradition played a role as a model for Jewish modernisers to draw upon as they perceived a lack in Jewish culture The author believes that Greek and Hellenistic concepts are now internalised by the Jewish people      **Ancient Israel's History and Historiography** Nadav Na'aman, 2006 Throughout the past three decades Nadav Na'aman has repeatedly proved that he is one of the most careful historians of ancient Canaan and Israel With broad expertise he has brought together archaeology text and the inscriptional material from all of the ancient Near East to bear on the history of ancient Israel and the land of Canaan during the second and first millenniums B C E Many of his studies have been published as journal articles or notes and yet together they constitute one of the most important bodies of literature on the subject in recent years particularly because of the careful attention to methodology that Na'aman always has brought to his work This final volume in the 3 volume set of Na'aman's collected essays contains 29 essays Among the topics addressed are the sources available to Israel's historians late in the first millennium B C E the reality behind the narratives relating to the history of the United Monarchy the effect of the author's own time on the composition of the histories of Saul David and Solomon and the contributions of archaeology to the study of the tenth century B C E In the course of covering these themes Na'aman touches on topics such as history and historiography textual and literary problems historical geography society administration cult and religion      The Murmuring Stories of the Priestly School David Frankel, 2014-09-03 This book deals with the stories of Israelite complaint or murmuring in the wilderness found in the books of Exodus and Numbers that were composed and edited by the priesthood of ancient Israel It discusses the significance of the theme of rebellion and complaint for the ancient priests and analyses the part they played in the development of the theme in the Pentateuch After a general introduction on the theme of murmuring and on the Priestly School the book goes on to analyze four major priestly texts the manna story Exodus 16 the story of the Scouts Numbers 13 14 the story of the rebellions surrounding the figure of Korah Numbers 16 17 and the story of the Waters of Merivah Numbers 20 The significance of the book is two fold First it develops a methodology that allows one to discriminate between early priestly narrative materials and later priestly editorial supplementation Second the work demonstrates the antiquity of the priestly narrative lore in the Pentateuch and the significant role which the priests played in creating and developing major narrative traditions in ancient Israel      *Going Up and Going Down* Yitzhak (Itzik) Peleg, 2015-06-18 In *Going Up and Going Down* Yitzhak Peleg argues that the story of Jacob's dream Genesis 28 10 22 functions as a *mise en abyme* as a figure trope or structure that somehow reflects in compact form in miniature the larger structure in which it appears Greenstein Close examination reveals that focusing on the vision of Jacob's dream and understanding it as a symbolic dream facilitates an explanation of the dream and its meaning Scholars have historically classified the dream as theophany the purpose of which is to explain how Beth El became a sacred place and as such the vision in Jacob's dream is generally accepted as merely ornamental or even lacking a message in itself Whilst Peleg does not contradict or seek to go

against identification of the dream as theophany he sees a more nuanced purpose behind its presentation Peleg's proposal is that the description of the vision and especially that of the movement of the angels is not embellishment supplementation or scenic background of God's message but that it directly symbolizes the path taken by the Patriarchs to and from the Promised Land Furthermore the narrative context and visual description in the dream in which Angels of God were going up and down it appears when Jacob is on his way to Harran that is to say when he is about to leave Israel

**Individuals and Institutions in the Ancient Near East** Uri Gabbay, Shai Gordin, 2021-10-25 This volume honors Ran Zadok's work by focusing on his sustained interest in Mesopotamian social history It brings together a rich array of scholarship on ancient names deities individuals and institutions from Persepolis to the Levant Building on Zadok's intellectual concerns this book includes contributions that expand our understanding of the diverse tapestry of the peoples who inhabited the Ancient Near East

**Isaiah 40-66** Shalom M. Paul, 2012-05 This volume presents Shalom Paul's comprehensive study of the oracles of the anonymous prophet known as Second Isaiah In his commentary Paul offers thorough exegesis of the historical linguistic literary and theological aspects of Isaiah 40-66
