John McConnell Jr was the famed founder and visionary of Earth Day McConnell s vision was one of creating a day of remembrance solitude and action to restore the broken human relationship to the land Little acknowledged are McConnell s religious convictions or background McConnell grew up in a Pentecostal home In fact McConnell s parents were both founding charter members of the Assemblies of God in 1914 His own grandfather had an even greater connection to the

origins of Pentecostalism by being a personal participant at the Azusa Street Revival in Los Angeles in 1906 Earth Day thus began with strong religious convictions McConnell seeing the ecological demise through his religious background envisioned a day where Christians could show the power of prayer the validity of their charity and their practical concern for Earth's life and people In the spirit of McConnell today's Pentecostal and Charismatic theology has something to say about the earth Blood Cries Out is a unique contribution by Pentecostal and Charismatic theologians and practitioners to the global conversation concerning ecological degradation climate change and ecological justice

Sensational Devotion Jill C. Stevenson, 2013-04-15 Sensational Devotion examines contemporary Passion plays biblical theme parks Holy Land recreations creationist museums and megachurches in order to understand how they serve their evangelical believer users while also shaping larger cultural and national dialogues Jill Stevenson explores how performative media support specific theologies and core beliefs by creating sensual live experiences for those who use them The book explores evangelical performance across a range of media and sites including film television theater tourist attractions museums and places of worship Using historical research coupled with firsthand experiences it critically examines these spaces and events within their specific religious cultural and national contexts while placing them within a long devotional tradition to suggest how they cultivate religious belief by generating vivid sensual affectively oriented and individualized experiences Stevenson's analysis builds upon existing work on performance and cognition as well as theories of affect as it contributes to existing scholarship on American evangelicalism and evangelical Christian media

Jews and the Renaissance of Synagogue Architecture, 1450-1730 Barry L Stiefel, 2015-10-06 Before the mid fifteenth century the Christian and Islamic governments of Europe had restricted the architecture and design of synagogues and often prevented Jews from becoming architects Stiefel presents a study of the material culture and religious architecture that this era produced

God Doesn't Live Here Anymore Michael Wood Daly, 2023-01-16 The church in Canada is in trouble Media reports suggest that nine thousand churches are likely to close over the next ten years The United Church of Canada reports closing a congregation a week The Anglican Church of Canada anticipates closing its last congregation by 2040 and the Roman Catholic Church Canada's largest religious denomination reports having closed one fifth of the tradition's 2 500 congregations *God Doesn't Live Here Anymore* traces the story of the church in Canada from its far off historical roots in biblical times rise to dominance in medieval Europe role in the colonization of Canada strained relations with Canada's First Nations twentieth century prominence and the church's dramatic decline and loss of influence entering the twenty first century Wood Daly pulls no punches in calling the church to accept responsibility for its own decline while maintaining hope that resurrection is still possible The church as Canadians may know it might disappear but for Christians death has never been the end of the story

Symbols of Freedom Matthew J. Clavin, 2023-06-13 How American symbols inspired enslaved people and their allies to fight for true freedom In the early United States anthems flags holidays monuments and memorials were powerful symbols of

an American identity that helped unify a divided people A language of freedom played a similar role in shaping the new nation The Declaration of Independence s assertion that all men are created equal Patrick Henry s cry of Give me liberty or give me death and Francis Scott Key s star spangled banner waving over the land of the free and the home of the brave were anthemic celebrations of a newly free people Resonating across the country they encouraged the creation of a republic where the right to life liberty and the pursuit of happiness was universal natural and inalienable For enslaved people and their allies the language and symbols that served as national touchstones made a mockery of freedom Deriding the ideas that infused the republic s founding they encouraged an empty American culture that accepted the abstract notion of equality rather than the concrete idea Yet as award winning author Matthew J Clavin reveals it was these powerful expressions of American nationalism that inspired forceful and even violent resistance to slavery Symbols of Freedom is the surprising story of how enslaved people and their allies drew inspiration from the language and symbols of American freedom Interpreting patriotic words phrases and iconography literally they embraced a revolutionary nationalism that not only justified but generated open opposition Mindful and proud that theirs was a nation born in blood these disparate patriots fought to fulfill the republic s promise by waging war against slavery In a time when the US flag the Fourth of July and historical sites have never been more contested this book reminds us that symbols are living artifacts whose power is derived from the meaning with which we imbue them

Nonverts Stephen Bullivant, 2022 The United States is in the midst of a religious revolution Around a quarter of US adults now say they have no religion and the great majority of these religious nones are nonverts think converts but from having religion to having none Stephen Bullivant draws on dozens of interviews original analysis of high quality survey data and a wealth of cutting edge studies to present an entertaining and insightful exploration of America s ex religious landscape

Youthful Preaching Richard Voelz, 2016-01-21 What if adolescents aren t bored with preaching What if they have and are interacting with preaching in complex various ways that have escaped the attention of adult listeners and preachers What if their own preaching informed the ways adults think about Christian faith and theories practices of preaching While much recent discussion in preaching revolves around underrepresented groups the relationship between adolescent youth and preaching remains largely unexplored Youthful Preaching brings youth into contemporary conversations about preaching by listening to their voices and by advocating for communities of faith and practice to seek ways to reimagine renew and strengthen the relationships between youth adults and preaching

Sacred Space for the Missional Church William R. McAlpine, 2011-02-14 Sacred Space for the Missional Church examines the strong link between the theology and mission of the Church and the spaces in which and from which that theology and mission are lived out The author demonstrates that the built environment is not incidental or even subservient to mission Rather it is a key player in the fulfillment and the communication of that mission The book begins with a working definition of the missional church underscoring the connection between God s mission missio Dei and the Church s mission The reader is presented with

historical and theological frameworks for sacred space and reminded of the pivotal role of the built environment in the fulfillment of the mission of the Church. The design and construction of sacred spaces are shown to be fundamentally a theological exercise and not solely a matter of function, pragmatics and fiscal astuteness. The author questions the uncritical application of blanket statements such as 'form must follow function' and challenges the conviction that it does not matter where worship occurs, only that it occurs. The book addresses genuine concerns such as legitimizing the cost of church buildings and concludes with practical suggestions and essential questions that must be considered in posturing the built environment within the missional praxis of the Church.

Respectable Methodism Daniel F. Flores, 2023-03-07. The Wesleyan Methodist movement entered American history as a fragment of British Methodism. It quickly took on a new identity in the early republic and grew into a vibrant denomination in the nineteenth century. The transitions from the rugged pioneer religion modeled by Bishop Francis Asbury to the urbane religion of industrial America was by design the goal of influential leaders of the Methodist Episcopal Church. Nathan Bangs was perhaps one of the most significant of such leaders. He rose from obscurity to the ranks of power and influence by refining patterns of worship, expanding denominational publishing and structuring ministerial education. This study is concerned with the development of respectability in American Methodism. It also explores questions on how Bangs and other leaders dealt with in-house conflicts on issues related to race, slavery and the poor.

Mass Exodus Stephen Bullivant, 2019-05-30. Of those raised Catholic, just 13% still attend Mass weekly and 37% say they have no religion. But is this all the fault of Vatican II and its runaway reforms? Or are wider social, cultural and moral forces primarily to blame? In 1962 Pope John XXIII opened the Second Vatican Council with the prophecy that a new day is dawning on the Church, bathing her in radiant splendour. Desiring to impart an ever-increasing vigour to the Christian life of the faithful, the Council Fathers devoted particular attention to the laity and set in motion a series of sweeping reforms. The most significant of these centred on refashioning the Church's liturgy, the source and summit of the Christian life, in order to make it pastorally efficacious to the fullest degree. Over fifty years on, however, the statistics speak for themselves. In America, only 15% of cradle Catholics say that they attend Mass on a weekly basis; meanwhile, 35% no longer even tick the Catholic box on surveys. In Britain, the signs are direr still. Catholicism is not the only Christian group to have suffered serious declines since the 1960s. If anything, Catholics exhibit higher church attendance and better retention than most Protestant churches do. If Vatican II is not the cause of Catholicism's crisis, might it instead be the secret to its comparative success? *Mass Exodus* is the first serious historical and sociological study of Catholic lapsation and disaffiliation. Drawing on a wide range of theological, historical and sociological sources, Stephen Bullivant offers a comparative study of secularization across two famously contrasting religious cultures: Britain and the USA.

The American Exception, Volume 1 Frank J. Lechner, 2017-01-09. This book examines what makes the United States an exceptional society, what impact it has had abroad, and why these issues have mattered to Americans. With historical and comparative evidence, Frank J. Lechner describes the

distinctive path of American institutions and tracks changes in the country's national identity in order to assess claims about America's exceptional qualities. The book analyzes several focal points of exceptionalist thinking about America including the importance of US Constitution and the American sense of mission and explores several aspects of America's distinctive global impact for example in economics and film. In addition to discussing the distinctive global impact of the US this first volume delves into religion law and sports.

Building Faith Robert Brenneman, Brian J. Miller, 2020-06-01

The social sciences have largely ignored the role of physical buildings in shaping the social fabric of communities and groups. Although the emerging field of the sociology of architecture has started to pay attention to physical structures Brenneman and Miller are the first to combine the light of sociological theory and the empirical method in order to understand the impact of physical structures on the religious groups that build transform and maintain them. *Building Faith* explores the social impact of religious buildings in places as diverse as a Chicago suburb and a Guatemalan indigenous Mayan village all the while asking the questions How does space shape community and How do communities shape the spaces that speak for them.
