From Behind The Plate:

Planet of the Umps Ken Kaiser, David Fisher, 2004-04-19 In this hysterical autobiography Major League Baseball umpire Ken Kaiser brings to life his twenty five years on the baseball diamond *From Behind the Plate* Johnny Bench, 1972

Catcher Peter Morris, 2009 Today the baseball catcher is a familiar but uninspiring figure Decked out in the so called tools of ignorance he stolidly goes about his duty without attracting much attention But it wasn't always that way as Peter Morris shows in this lively and original study In baseball's early days catchers stood a safe distance behind the batter Then the introduction of the curveball in the 1870s led them to move up directly behind home plate even though they still wore no gloves or protective equipment Extraordinary courage became the catcher's most notable requirement but the new positioning also demanded that the catcher have lightning fast reflexes great hands and a cannon for a throwing arm A System of Human Anatomy, Including Its Medical and Surgical Relations Harrison Allen, 1882 *The Metropolitan Traffic Manual* Carrol Romer, 1922 Behind the Plate J. Sterling, 2020-09-02 The most anticipated J Sterling release of the year is finally here You've waited years to meet Jack Carter's son and the wait is over Strap in and enjoy the ride Chance Carter is the son of local baseball legend Jack Carter Now in his junior year at Fullton State Chance is facing challenges he never saw coming Failing a class will stop his draft season short making him ineligible to play and pushing his goal of professional baseball even further away In steps Danika a mouthy tutor from New York who only wants to help him pass his class NOT get in his pants But try telling that to Chance He doesn't trust girls and he definitely doesn't trust his new tutor A lifetime growing up as a Carter taught him that But Danika has issues of her own After an incident that happened last year she doesn't trust athletes and wants nothing to do with them And Chance is no exception The fireworks explode as the two try to deny the chemistry between them and family secrets are revealed Chance doesn't know how to give up on something he wants and he's decided he wants Danika There's just one problem she has a boyfriend she has no intention of breaking up with How can he have her when she belongs to someone else *An Atlas of Human Anatomy* Sir Rickman John Godlee, 1880 *A System of Human Anatomy, Including Its Medical and Surgical Relations: Organs of sense, of digestion, and genitourinary organs* Harrison Allen, 1883 **Official Gazette of the United States Patent Office** United States.
