It has been seen as the most theological of the four canonical Gospels. In this volume Richard Bauckham, a leading biblical scholar and a bestselling author in the academy, illuminates main theological themes of the Gospel of John. Bauckham provides insightful analysis of key texts covering topics such as divine and human community, God's glory, the cross and the resurrection and the sacraments. It will also be of interest to New Testament scholars and theologians **Rhetoric, History, and Theology** Jason A. Myers, Todd D. Still, 2022-03-07 The subjects of rhetoric, history and theology intersect in unique ways within New Testament and early Christian literature.
