Man's Best Friends - True Stories of the World's Most Heroic Dogs John

McShane,2012-07-27 For thousands of years men and women have known who to turn to in times of trouble a dog All over the world dogs have risked and often lost their lives to look after the human beings they care for Their intelligence devotion and astonishing courage to help humans in distress on countless occasions almost defies belief Their stories range from Roselle the Labrador who led her blind owner to safety from the carnage of the World Trade Centre to the legends of Balto and Togo two of the huskies who traversed over 1 000 kilometres of snow and ice to bring life saving medicine to an isolated town and Swansea Jack the black Labrador who rescued almost 30 people from drowning and who had a statue erected in his honour Many of the dogs featured in this book have been specially trained to help humans a task they eagerly set about regardless of the physical risk they face as a result Then there are the family pets who when danger threatens react with total disregard for their own wellbeing caring only about one thing protecting the humans they love *Until Heaven Then, My Friend* Tana Osborn,2014-05-22 Have you ever shed tears at the earthly death of a beloved dog Have you ever wondered if you'd be with your furry friend or friends again Have you ever dared to look in the Scriptures to find anything at all that might tell you unmistakably that your beloved dogs journey ends safely in heaven The reassurance you are looking for is found in Gods Word and is brought out in this book Even though the Bible is meant to lay out the plan for human redemption there are countless Scriptures that clearly and directly provide a peace that floods your soul giving you peace and comfort In this wonderfully reassuring book complete with many photos it shows us that there is actually a great deal of easily found information telling us that our dog friends will be waiting for us in heaven There are many Bible teachers that concur but if you want to hear it straight from Gods Word to give you an overwhelming confident peace to your spirit then this book can give you that confidence It can help you change your good bye forever to until heaven then my friend when I see you again

We Are Best Friends: Animals in Society Leslie Irvine,2019-10-01 Friendships between humans and non human animals were once dismissed as sentimental anthropomorphism After decades of research on the emotional and cognitive capacities of animals we now recognize human animal friendships as true reciprocal relationships Friendships with animals have many of the same characteristics as friendships between humans Both parties enjoy the shared presence that friendship entails along with the pleasures that come with knowing another being Both friends develop ways of communicating apart from or in addition to spoken language [Our Furry Friends](#) Scientific American Editors,2015-12-21 In the U S more than half of households have a pet usually more than one They're usually considered members of the family and some of us even call them our furry children The strength of the human pet bond tells us as much or more about ourselves as it does about our pets and in this eBook *Our Furry Friends The Science of Pets* we look at why dogs and cats behave the way they do and what makes our bond with them so strong In her opening article *Pets Why Do We Have Them* Daisy Yuhas discusses the variety of reasons for pet ownership including our emotional need to nurture other living things This emotional bond brings its own benefits such as social support and reduced stress making us happier and healthier How and why pets came to adopt

humans is another question entirely and two articles From Wolf to Dog and The Taming of the Cat look at the evolution of the human relationship with dogs and cats respectively Pets behavior is examined further in several articles including The World According to Dogs in which Julie Hecht deciphers what it means when a dog won't play and whether that guilty look really indicates a feeling of responsibility Meanwhile in The Inner Life of Cats Kate Wong investigates feline quirks such as why cats purr or bring their kills to their humans Finally all pet owners know that animals feel things and science is starting to agree As we learn in Do Animals Feel Empathy and When Animals Mourn many species grieve over the loss of relatives or close companions indicating that empathy and grief could have neural and evolutionary roots
