Light from Afar Sidwell Mokgothu, Joel Bengbeng, Cláudio Carvalhaes, Nadiyka Gerbish, 2023-10-01 Advent is celebrated differently throughout the world. Some cultures barely observe the waiting and focus on the Christmas celebration. Others feel deeply the contrast between present circumstances and God's promise of a better future, making for a season of fasting and prayer. All of them focus on Christ as the Light of the world. *Light from Afar* is a daily Advent devotional that illuminates the season through the unforgettable stories and reflections of four writers from around the world. Authors Nadiyka Gerbish (Ukraine), Joel Bengbeng (Philippines), Cláudio Carvalhaes (Brazil), and Sidwell Mokgothu (South Africa) share cultural and religious traditions of the Advent season in their daily reflections. Each day's meditation includes a scripture reading, a prayer, an opportunity for reflection, and a link to a song from the author's home country. The light of the star of Bethlehem has spread around the world. The people who have heard the good news have stories to tell and traditions to share. By joining with Christians from different cultures and countries in prayer, we can experience the hope, love, joy, and peace of Advent, leading ultimately to Immanuel, God with us, on Christmas day.

It is an absorbing story beautifully written in which two different cultures combine and illuminate each other, culminating in a heart-warming ending. But as this new family is being born, it is really only the beginning.
