From Approximately Coast To Coast Its The Bob And Ray Show:

Bob and Ray David Pollock,2014-03-01 8 page photo insert **The Concise Encyclopedia of American Radio**

Christopher H. Sterling,Cary O'Dell,2010-04-12 The Concise Encyclopedia of American Radio is an essential single volume reference guide to this vital and evolving medium Comprised of more than 300 entries spanning the invention of radio to the Internet this reference work addresses personalities music genres regulations technology programming and stations the golden age of radio and other topics relating to radio broadcasting throughout its history The entries are updated throughout and the volume includes nine new entries on topics ranging from podcasting to the decline of radio Blind Men and

Elephants Arthur Asa Berger,2017-07-28 In Blind Men and Elephants Arthur Asa Berger uses case histories to show how scholars from different disciplines and scholarly domains have tried to describe and understand humor He reveals not only the many approaches that are available to study humor but also the many perspectives toward humor that characterize each discipline Each case history sheds light on a particular aspect of humor making the combination of approaches of considerable value in the study of social research Among the various disciplines that Berger discusses in relation to humor are communication theory philosophy semiotics literary analysis sociology political science and psychology Berger deals with these particular disciplines and perspectives because they tend to be most commonly found in the scholarly literature about humor as well as being those that have the most to offer Blind Men and Elephants covers a wide range of humor from simple jokes to the uses of literary devices in films Berger observes how humor often employs considerable ridicule directed at diverse groups of people women men animals politicians African Americans Jews Catholics Protestants gay people straight people and so forth The book also explains the risk factor in ridicule as a humorous device Blind Men and Elephants depicts how one entity or one situation can be viewed in as many different ways as the number of people studying it Berger also shows how those multiple perspectives the Rashomon Effect can be used together to create a clearer understanding of humor Blind Men and Elephants is a valuable companion to Berger's recent effort about humor An Anatomy of Humor and will be enjoyed by communication and information studies scholars sociologists literary studies specialists philosophers and psychologists **On the Air** John Dunning,1998-05-07 A wonderful reader for anyone who loves the great programs of old time radio this definitive encyclopedia covers American radio shows from their beginnings in the 1920s to the early 1960s

Seriously Funny Gerald Nachman,2009-08-26 The comedians of the 1950s and 1960s were a totally different breed of relevant revolutionary performer from any that came before or after comics whose humor did much more than pry guffaws out of audiences Gerald Nachman presents the stories of the groundbreaking comedy stars of those years each one a cultural harbinger Mort Sahl of a new political cynicism Lenny Bruce of the sexual drug and language revolution Dick Gregory of racial unrest Bill Cosby and Godfrey Cambridge of racial harmony Phyllis Diller of housewifely complaint Mike Nichols Elaine May and Woody Allen of self analytical angst and a rearrangement of male female relations Stan Freberg and Bob Newhart of

encroaching pervasive pop media manipulation and in the case of Bob Elliott Ray Goulding of the banalities of broadcasting Mel Brooks of the Yiddishization of American comedy Sid Caesar of a new awareness of the satirical possibilities of television Joan Rivers of the obsessive craving for celebrity gossip and of a latent bitchy sensibility Tom Lehrer of the inane hypocritical mawkishly sentimental nature of hallowed American folkways and in the case of the Smothers Brothers of overly revered folk songs and folklore Steve Allen of the late night talk show as a force in American comedy David Frye and Vaughn Meader of the merger of showbiz and politics and along with Will Jordan of stretching the boundaries of mimicry Shelley Berman of a generation of obsessively self confessional humor Jonathan Winters and Jean Shepherd of the daring new free form improvisational comedy and of a sardonically updated view of Midwestern archetypes Ernie Kovacs of surreal visual effects and the unbounded vistas of video Taken together they made up the faculty of a new school of vigorous socially aware satire a vibrant group of voices that reigned from approximately 1953 to 1965 Nachman shines a flashlight into the corners of these comedians chaotic and often troubled lives illuminating their genius as well as their demons damaged souls and desperate drive His exhaustive research and intimate interviews reveal characters that are intriguing and all too human full of rich stories confessions regrets and traumas Seriously Funny is at once a dazzling cultural history and a joyous celebration of an extraordinary era in American comedy American Humor ,1982 **Revel with a Cause** Stephen E. Kercher,2010-06-15 We live in a time much like the postwar era A time of arch political conservatism and vast social conformity A time in which our nation s leaders question and challenge the patriotism of those who oppose their policies But before there was Jon Stewart Al Franken or Bill Maher there were Mort Sahl Stan Freberg and Lenny Bruce liberal satirists who through their wry and scabrous comedic routines waged war against the political ironies contradictions and hypocrisies of their times Revel with a Cause is their story Stephen Kercher here provides the first comprehensive look at the satiric humor that flourished in the United States during the 1950s and early 1960s Focusing on an impressive range of comedy not just standup comedians of the day but also satirical publications like MAD magazine improvisational theater groups such as Second City the motion picture Dr Strangelove and TV shows like That Was the Week That Was Kercher reminds us that the postwar era saw varieties of comic expression that were more challenging and nonconformist than we commonly remember His history of these comedic luminaries shows that for a sizeable audience of educated middle class Americans who shared such liberal views the period s satire was a crucial mode of cultural dissent For such individuals satire was a vehicle through which concerns over the suppression of civil liberties Cold War foreign policies blind social conformity and our heated racial crisis could be productively addressed A vibrant and probing look at some of the most influential comedy of mid twentieth century America Revel with a Cause belongs on the short list of essential books for anyone interested in the relationship between American politics and popular culture **Encyclopedia of Radio 3-Volume Set** Christopher H. Sterling,2004-03 Produced in association with the Museum of Broadcast Communications in Chicago the Encyclopedia of Radio includes more than 600

entries covering major countries and regions of the world as well as specific programs and people networks and organizations regulation and policies audience research and radio s technology This encyclopedic work will be the first broadly conceived reference source on a medium that is now nearly eighty years old with essays that provide essential information on the subject as well as comment on the significance of the particular person organization or topic being examined *Routledge Revivals: Radio Broadcasting from 1920 to 1990 (1991)* Diane Foxhill Carothers,2016-11-10 First published in 1991 this book presents a comprehensive annotated bibliography of radio broadcasting Its eleven chapter categories cover almost the entire range of radio broadcasting with the exception of radio engineering due to its technical complexity although some of the historical volumes do encompass aspects thus providing background material Entries are primarily restricted to published books although a number of trade journals and periodicals are also included Each entry includes full bibliographic information including the ISBN or ISSN where available and an annotation written by the author with the original text in hand **American National Biography** ,1999 *English Journal* ,1989 **The Scribner Encyclopedia of American Lives: 1986-1990** Karen Markoe,Arnie Markoe,1998 Each vol covers notable Americans who died in a five year period *Public Library Catalog* ,1989 *The New York Times Book Review* ,1985 Presents extended reviews of noteworthy books short reviews essays and articles on topics and trends in publishing literature culture and the arts Includes lists of best sellers hardcover and paperback **Library Journal** ,1983 Includes beginning Sept 15 1954 and on the 15th of each month Sept May a special section School library journal ISSN 0000 0035 called Junior libraries 1954 May 1961 Also issued separately *Talking Book Topics* ,1984 **Textfiles** Ronald A. Sudol,1987 **Books in Print Supplement** ,1994 *The Limits of Irreverence* Stephen Edward Kercher,2000 **National Styles of Humor** Avner Ziv,1988-06-28 This volume represents a first in its analysis of historical trends in the humor of eight Western countries Australia Belgium France Great Britain Israel Italy the United States and Yugoslavia In each country the authors surveyed and assessed the national humor in a way designed to facilitate comparative study Each essay details the historical development of national humor with an emphasis on the twentieth century and contemporary trends The survey includes traditional and popular forms of humor as well as humor in literature the performing and visual arts and the mass media A bibliography suggesting materials for further study completes each chapter Not only do the contributors present a vivid picture of traditional forms of humor such as carnivals popular performances and special festivities they also examine historical changes in humor Each author discusses the functions of humor and as a whole the contributors demonstrate that sexual aggressive social intellectual and defensive humor have developed differently and are appreciated differently
