# From Contention To Democracy

**Ruth Berins Collier**

## **From Contention To Democracy:**

From Contention to Democracy Marco G. Giugni, Doug McAdam, Charles Tilly, 1998-09-03 From Contention to Democracy addresses a crucial aspect of contemporary societies the role of social movements for political and social change The volume gathers together essays written by prominent social theorists who have been asked to reflect on the relationship between movements and processes of social political and cultural change Three broad types of movement change nexus are distinguished and discussed incorporation transformation and democratization The chapters in this book all point to the place of social movements in relation to these three processes of change while discussing the history and well known events of social movements Individual occurrences such as the protest of French students in 1968 or Chilean shantytown dwellers are examined The final essay looks ahead wondering what is the future of social movements

### **Re-imagining Democracy**

Cristina Flesher Fominaya, Ramón A. Feenstra, 2023-11-07 This interdisciplinary book draws on leading scholarship on one of the most influential and consequential social movements of the past decades Spain's 15 M movement The volume explores the legacy impact and outcomes of the movement and the lessons it offers for understanding mobilization in times of crisis The book opens with a theoretical reconsideration of the positive ways social movements can impact democracy moving the field forward significantly It also offers rich case studies to explore a range of areas of interest to social movement scholars Chapters explore the biographical consequences of participation in social movements how memories of the movement inspired new mobilizations the reciprocal influence between the 15 M movement and feminist economics how urban democracy was transformed by municipalism arising from the movement how the movement generated a Caring democracy in the face of the Covid pandemic and how it gave rise to a new radical democratic media ecosystem The book explores the movement's political economy as well as reflects on one of its unintended consequences the rise of the penalization of counter hegemonic protest in contemporary Spain Although focused on a single emblematic movement it offers significant insights and lessons for scholarship on contemporary politics and movements Re-imagining Democracy provides a valuable resource for scholars and students interested in the challenges faced by contemporary democracies the dynamics of social movements in times of crisis and the profound impact of social movements on contemporary democracy The chapters in this book were originally published as a peer reviewed special issue of Social Movement Studies

Democratic Quality in Southern Europe Tiago Fernandes, 2024-05-15 Fueled by new data from the Varieties of Democracy project Democratic Quality in Southern Europe takes a close look at the democratic trajectories of France Greece Italy Portugal and Spain over the past fifty years Despite similar beginnings France Greece Italy Portugal and Spain have experienced significant variations in the way their democracies have evolved Covering ground from the protest movements of the late 60s and early 70s to the challenges that resulted from the financial crisis of the Great Recession editor Tiago Fernandes expertly draws together a collection of essays that look beyond the impact of socioeconomic development in these five countries exploring innovative

and nuanced explanations for their diverging paths Democratic Quality in Southern Europe combines new data with classical methodologies to create fresh convincing hypotheses on the development quality and depth of democracy in this critical region Contributors Tiago Fernandes Rui Branco Jo o Cancela Edna Costa Pedro Diniz de Sousa Pedro T Magalh es Edalina Rodrigues Sanches Jos Santana Pereira Tiago Tib rcio

**Beyond Prime Time Activism** Charlotte Ryan, Karen Jeffreys, 2019-03-13 In this accessible introduction to communication activism organizer Karen Jeffreys and sociologist Charlotte Ryan draw on more than two decades of ongoing collaboration using the Rhode Island Coalition for the Homeless RICH as a case study The book examines a community with shared values decision making and conflict resolution procedures tracking its organizing strategy and matched communication plan The authors first describe a communication campaign during the welfare reform battles 1990 1995 in which they began to practice communication activism In ongoing work with two organizations over the next two decades they distil a model of communication activism that draws directly from vibrant traditions of empowerment communication in U S social movements and movements from the Global South Beyond Prime Time Activism provides students and researchers with an invaluable look at contemporary activism practices and with practical tools tried and tested in two decades of social movement engagement This book is ideal for anyone participating in social change movements or studying how they navigate communication and media inequalities

**Popular Protest in China** Kevin J O'Brien, 2009-06-30 Unrest in China from the dramatic events of 1989 to more recent stirrings offers a rare opportunity to consider how popular contention unfolds in places where speech and assembly are tightly controlled The contributors to this volume argue that ideas inspired by social movements elsewhere can help explain popular protest in China

The Oxford Handbook of Latin American Social Movements Federico M. Rossi, 2023 Cover Page Half Title Series Page Title Page Copyright Dedication Contents About the Editor About the Contributors Introduction 1 Multiple Paradigms for Understanding a Mobilized Region Part I Theoretical Perspectives 2 Marxist Theories of Latin American Social Movements 3 Resource Mobilization and Political Process Theories in Latin America 4 New Social Movements in Latin America and the Changing Socio Political Matrix 5 Relational Approaches to Social Movements in and beyond Latin America 6 Network Approaches to Latin American Social Movements 7 Feminist and Queer Perspectives on Latin American Social Movements 8 Decolonizing Approaches to Latin American Social Movements Part II Main Processes and Dynamics 9 Protest Waves in Latin America Facilitating Conditions and Outcomes 10 Social Movements and Nationalism in Latin America 11 Social Movements and Revolutions in Latin America A Complex Relationship 12 Social Movements under Authoritarian Regimes in Latin America 13 Social Movements and Democratization Processes in Latin America 14 Social Movements and Capitalist Models of Development in Latin America 15 Social Movements and Globalization in Latin America 16 Movements and Territorial Conflicts in Latin America 17 Demobilization Processes in Latin America Part III Main Social Movements 18 Transformations of Workers Mobilization in Latin America 19 Peasant Movements in Recent Latin American History 20

Women's Movements in Latin America From Elite Organizing to Intersectional Mass Mobilization 21 Indigenous Movements in Latin America Characteristics and Contributions 22 Afro Social Movements and the Struggle for Racial Equality in Latin America

**Technology, Media and Social Movements** Cristina Flesher Fominaya, Kevin Gillan, 2020-06-29 This book offers an interdisciplinary set of contributions from leading scholars and explores the complex relationship between media technology and social movements It provides a valuable resource for scholars and students working in this rapidly developing field Providing theoretical engagement with contemporary debates in the field of social movements and new media the book also includes a theoretical overview of central contemporary debates a re evaluation of theories of social movement communication and a critical overview of media ecology and media approaches in social movement scholarship The theoretical contributions are also developed through empirical case studies from around the world including the use of Facebook in student protests in the UK the way power operates in Anonymous the politics of mundanity in China the emotional dynamics on Twitter of India's Nirbhaya protest and analysis of Twitter networks in the transnational feminist campaign Take Back The Tech This book was originally published as a special issue of Social Movement Studies

**Sites of Asian Interaction** Timothy Norman Harper, Sunil Amrith, 2014-07-14 This book sheds light on the history of political and religious globalisation in modern Asia transcending both national and imperial boundaries while expanding the range of methodologies and sources brought to bear on studying Asia's modernity It illuminates how ideas travelled across Asia and how they changed in the process

*Contesting Higher Education* Donatella della Porta, Lorenzo Cini, César Guzmán-Concha, 2020-06-03 Using new research on higher education in the UK Canada Chile and Italy this rigorous comparative study investigates key episodes of student protests against neoliberal policies and practices in today's universities As well as examining origins and outcomes of higher education reforms the authors set these waves of demonstrations in the wider contexts of student movements political activism and social issues including inequality and civil rights Offering sophisticated new theoretical arguments based on fascinating empirical work the insights and conclusions revealed in this original study are of value to anyone with an interest in social political and related studies

*The Oxford Handbook of the African Sahel* Leonardo A. Villalón, 2021 This Handbook provides a multidimensional and interdisciplinary assessment of the West African Sahel region in all of its complexity

*Social Movements, 1768-2004* Charles Tilly, 2019-01-22 Westerners invented social movements during the 18th century but after that social movements became vehicles of popular politics across the world By locating social movements in history prize winning social scientist Charles Tilly provides rich and often surprising insights into the origins of contemporary social movement practices relations of social movements to democratization and likely futures for social movements

**Power in Movement** Sidney Tarrow, 2022-08-11 A fully updated edition of this classic study now covering movements including the Arab Spring and the 2021 Capitol attack

**Reducing Inequalities** Rémi Genevey, R. K. Pachauri, Laurence Tubiana, 2013-01-01 The reduction of inequalities within

and between countries stands as a policy goal and deserves to take centre stage in the design of the Sustainable Development Goals agreed during the Rio 20 Summit in 2012 The 2013 edition of *A Planet for Life* represents a unique international initiative grounded on conceptual and strategic thinking and most importantly empirical experiments conducted on five continents and touching on multiple realities This unprecedented collection of works proposes a solid empirical approach rather than an ideological one to inform future debate The case studies collected in this volume demonstrate the complexity of the new systems required to accommodate each country's specific economic political and cultural realities These systems combine technical financial legal fiscal and organizational elements with a great deal of applied expertise and are articulated within a clear well understood growth and job generating development strategy Inequality reduction does not occur by decree neither does it automatically arise through economic growth nor through policies that equalize incomes downward via ill conceived fiscal policies Inequality reduction involves a collaborative effort that must motivate all concerned parties one that constitutes a genuine political and social innovation and one that often runs counter to prevailing political and economic forces

*Egypt in a Time of Revolution* Neil Ketchley, 2017-04-03 This book considers the diverse forms of mass mobilization and contentious politics that emerged during the Egyptian Revolution of 2011 and its aftermath Drawing on a catalogue of more than 8 000 protest events as well as interviews video footage and still photographs Neil Ketchley provides the first systematic account of how Egyptians banded together to overthrow Hosni Mubarak and how old regime forces engineered a return to authoritarian rule Eschewing top down structuralist and culturalist explanations the author shows that the causes and consequences of Mubarak's ousting can only be understood by paying close attention to the evolving dynamics of contentious politics witnessed in Egypt since 2011 Setting these events within a larger social and political context Ketchley sheds new light on the trajectories and legacies of the Arab Spring as well as recurring patterns of contentious collective action found in the Middle East and beyond

**Reorganizing Popular Politics** Ruth Berins Collier, 2009 A comparative analysis of lower class interest politics in Argentina Chile Peru and Venezuela Examines the proliferation of associations in Latin America's popular sector neighborhoods in the context of the historic problem of popular sector voice and political representation in the region Provided by publisher

*The SAGE Handbook of European Studies* Chris Rumford, 2009-07-01 This volume brings together some of the biggest names in European Studies to analyse the most important trajectories of Europe's development and the challenges faced by the continent today No one interested in Europe will be able to ignore this extraordinary collection of scholarship Professor Thomas Diez University of Birmingham In its range and comprehensiveness it will be hard to beat and it will certainly become an invaluable resource for sociologists political scientists historians and all others seeking the best information and most up to the date approaches to the study of Europe today Professor Krishan Kumar University of Virginia An impressive account of the state of the art of the study of contemporary Europe This is an outstanding work and a definite companion to all those interested in contemporary Europe

Journal of Contemporary European Studies Europe is one of the world's oldest civilizations But what does it mean to be European today What place does Europe have in global affairs How should we analyze its key institutions system of governance and broader cultural social and political dynamics This exhaustive and timely handbook Explores the transformations that characterize contemporary Europe Investigates how we can best study Europe Consolidates European studies and provides a platform for future study Increases the profile of European studies The Handbook promotes the increasing diversity of perspectives employed in the study of contemporary Europe and EU integration and is situated within the context of Europe's transformations It offers balanced coverage of political social economic cultural and institutional dimensions of Europe and includes chapters by leading authorities including Ulrich Beck Craig Calhoun Donatella della Porta Claus Offe Anssi Paasi Ben Rosamond Gurinder Bhambra and Charles Tilly Multidisciplinary in organization inclusive in coverage and cutting edge in scope The SAGE Handbook of European Studies is a landmark resource for anyone interested in Europe

*The Consequences of Social Movements* Lorenzo Bosi, Marco Giugni, Katrin Uba, 2016-01-19 Social movements have attracted much attention in recent years both from scholars and among the wider public This book examines the consequences of social movements covering such issues as the impact of social movements on the life course of participants and the population in general on political elites and markets and on political parties and processes of social movement institutionalization The volume makes a significant contribution to research on social movement outcomes in three ways theoretically by showing the importance of hitherto undervalued topics in the study of social movements outcomes methodologically by expanding the scientific boundaries of this research field through an interdisciplinary approach and new methods of analysis and empirically by providing new evidence about social movement outcomes from Europe and the United States

**Democratization and Social Movements in South Korea** Sun-Chul Kim, 2016-01-29 South Korea provides an intellectual challenge in the fields of social movements and democracy in that intense mobilization and the strong influence of social movements have accompanied steady democratization for more than two decades despite major theories having predicted otherwise This book examines how social movements in previously authoritarian contexts evolve after democratic transition using South Korea as a case study It explores how democratic change influences the form of social movements and how social movements affect the pace and direction of democracy in turn It explains how South Korean social movements were able to attain strong political influence by focusing on four causal factors the configuration of major political actors during the transition period the relational dynamics among social movement groups the relationship between social movements and institutionalized political actors and the impact of transnational forces in the post transition period Unlike previous scholarship the book takes a historical actor centered and process oriented approach that closely follows the interactions among contending actors through event sequences rather than being driven by abstract theoretical frameworks In doing so it analyses uses a broad range of evidence including police records untapped activist documents presidential

memoirs newspaper accounts and original data sets Shedding light on the complex political reality that gave rise to a contentious civil society in South Korea after democratization this book also illuminates the institutional conditions that can help promote domestic peace and stability Therefore it will be of great use to students and scholars of Korean Studies Korean politics and social movements as well as policy makers

### **Public Control of Armed Forces in the Russian Federation**

Nadja Douglas,2017-10-06 The volume deals with the fundamentals of the contemporary relations between civic actors and state power structures The main focus lies on public control of armed forces and the question of why civilians should have a vigilant eye on the military institution as well as the civilian authority that legitimizes the use of force Based on the example of conscription and recruitment as an intersection between the military and society this study engages in an analysis of institutional change in the politico military field in post Soviet Russia Taking a critical stance on conventional military sociology the book shifts the focus away from the exclusive power relationship between political and military elites in the context of national security Instead it takes into consideration human and societal security i e the needs and demands of individuals and groups at the grassroots level affected by the military and the prevailing security situation in Russia The book addresses readers with an interest in civil military relations contemporary Russian affairs and social movement theories

*The Emerald International Handbook of Activist Criminology* Victoria Canning,Greg Martin,Steve Tombs,2023-08-09 Collectively The Emerald International Handbook of Activist Criminology explores the contemporary terrain around new and emergent issues and forms of activism and offers cutting edge conceptualizations of the methodological and practical applications of activist engagement solidarity and resistance
