## **From Embers To A Flame How God Can Revitalize Your Church:**

*From Embers to a Flame* Harry L. Reeder, 2008      *From Embers to a Flame* Harry L. Reeder, III, David Swavely, 2004-06-04 Expounds biblical principles that if applied to even the unhealthiest church the Lord can use to take the church from embers to a flame      *The Heart of Hebrews* Leslie Powers, 2018-08-08 Making the presence of God known in the world goes to the very heart of the church's purpose Yet it is a formidable challenge How can the church make the presence and glory of God a reality in a world that both denies God and hates the church By the church bearing the image of Jesus Christ in the world through word and deed for as the unknown author of Hebrews declares Jesus is the radiance of God's glory and the exact representation of His being Hebrews 1:3 It is not the primary purpose of the church to specialize in economic social or political issues but rather to proclaim the good news of what God has accomplished in and through Jesus Christ When the church quits proclaiming Christ to proclaim a message of love acceptance tolerance and affirmation then it ceases to effectively fulfill its purpose and loses its relevancy Christ came into the world to proclaim the Gospel in the marketplace and He did so while never surrendering His identity or sacrificing His purpose for the sake of relevancy He expects his church in every age to do likewise The greatest need in the church today is exactly what the early church needed in the first century In a church that is infected with a spiritual apathy has forsaken her first love has compromised truth and is lukewarm a new vision of the risen and glorified Christ dwelling in her midst is needed The only method God designed to lead the church to recover the awareness of Christ's presence is prayer and preaching that focuses on Jesus Christ Thus if the church is to flourish again there is no greater need than a recovery of faithful powerful biblical preaching whose subject is Christ and the new birth      *Revitalize* Andrew M. Davis, 2017-04-04 Church health is measured by more than just numbers but declining membership is often a key symptom of a church in crisis The pastor of a dying church doesn't need to be told it is dying he needs to find the way forward and he needs hope Author and pastor Andrew Davis offers readers the lessons he's learned in his own journey of leading church transformation including keeping Christ's ownership of the church central being humble choosing your battles wisely empowering godly men to join in leadership making prayer a priority focusing on the Word and more Church decline is not inevitable *Revitalize* gives pastors the spiritual support they long for and the practical advice they need to turn their churches around and position them for greater health in the future      **A Liturgical Praxeology on the Rehearsal of Attitudes** Ferdi P. **Comeback Churches** Ed Stetzer, Mike Dodson, 2007-05-01 Research shows that over time most churches plateau and then eventually decline Typically they start strong and experience periods of growth then stagnate and lose members Since 1991 the North American population has increased by 15 percent while the number of unchurched people has increased by 92 percent Large church houses that were filled in the 1950s and 60s now hold a fraction of their capacity To counter this trend authors Ed Stetzer and Mike Dodson surveyed 300 churches from across ten different denominations that recently achieved healthy evangelistic growth after a significant season of decline What they have discovered is an exciting method of congregation reinvigoration that is shared in the new book entitled *Comeback Churches* Endorsements As a successful pastor church planter researcher and advisor to thousands of churches Ed Stetzer speaks from a wealth of experience with all kinds of churches Now in one volume your church can benefit from his wisdom This book is a winner Dr Rick Warren author of *The Purpose Driven Life* and *The Purpose Driven Church* First and foremost it is biblical Second it is well researched And third it is immensely practical and applicable this book should be in the hands of hundreds of thousands of pastors staff and church leaders Simply stated it is just that good Thom S Rainer author of *Simple Church* president CEO of Lifeway Christian Resources Finally a book of practical advice that is based on research I have seen it both ways endless research with little advice or much advice with little facts This book strikes the balance with perfection Elmer Towns Dean of Liberty University This is the most helpful practical book on church revitalization I've read this century Leonard Sweet Drew Theological School George Fox University *Comeback Churches* is more than a pep talk It's rooted in the right stuff to bring a congregation out of the dismal into the vital Jack W Hayford President International Foursquare Churches Chancellor The King's College and Seminary No one to my knowledge has done the hard research presented the facts and offered such sound advice as Ed Stetzer and Mike Dodson *Comeback Churches* is the number one book on turning around declining and plateauing church ministry Gary L McIntosh D Min Ph D Biola University A refreshing book by authors who know how to make research exciting and instructional Leaders and members of non growing evangelical churches should read this book it wouldn't hurt mainliners either Bill Easum Easum Bandy Associates

**Can These Bones Live** Bill Henard, 2015-06 Bill Henard believes that there is hope for the established church for your church Some people may have already pronounced the church dead but these dead bones can live Whether your church is seven years old or one hundred and seventy you may be seeing evidences that your church needs vision direction and revitalization

**Corruption in South Africa's liberal democratic context** F. P. Kruger, Ben J. de Klerk, Gert Breed, H.J.C. Pieterse, J.M. Vorster, Rudy A. Denton, Friedrich Wilhelm De Wet, 2016-12-31 This collected work written primarily by practical theologians reflects on the phenomenon of corruption in the liberal democracy of post apartheid South Africa Liberal democracy has considerable salience in the contemporary world Not only is it the form that many of the world's most powerful and influential nations approve of but it is a political system that has been tried and used

by many developing countries South Africa is described as predominantly Christian and in such a context corruption should not be expected However it is strongly prevalent and undermines the values of both democracy and Christianity Not only does corruption promote a general lack of trust in institutions and leadership but it stimulates a perpetual culture of corruption that invades all spheres of life The book suggests strategies for redressing the current culture of corruption Although the chapters represent different perspectives the shared objective is to emphasise that corruption is unethical as well as to describe and explain why it is taking place and how the situation should appear The explanation focuses on the negative consequence of corruption it does not respect human dignity or the otherness of others it exacerbates poverty it weakens religious values and norms and it is not conducive to social cohesion in the country The authors also share the theological premise that God is present in this world In the kingdom of God believers are encouraged to participate in the clean up process which includes combating the phenomenon of corruption

McIntosh,2012-05 Veteran church consultant calls church leaders back to the hope that God can and does restore churches equipping them with practical tools to bring about healthy growth **Decisions, Decisions** David Swavely,2003 How can I know what God wants me to do We make choices and then our choices makes us or break us This is true of big decisions of course but little decisions are just as important because they lead to the big ones All of our choices are the threads in the fabric of our future Ultimately our decisions are so important because they have ramifications beyond this life and into eternity What s more the way we make decisions is a central part of our personal relationship with God We need to learn how to make good decisions so that will be able to make the best choice immediately and instinctively In clear and thoughtful steps Swavely uncovers and explains the principles that God uses to lead and guide us including how we should consider feelings impressions or prompting circumstances counsel desires and prayer This brief yet relentlessly biblical book also helps us avoid some common errors that can rob our joy and send us off in the wrong direction Here in this theologically grounded volume you will gain the wisdom and discernment necessary to practice God s way of making good decisions that honor him **Who are You to Judge?** David Swavely,2005 The sin of judging and the error of legalism cause many of the interpersonal conflicts we experience as believers Plaguing many of our Christian institutions from churches to schools to families these problems sap our spiritual strength and weaken the work of God in our midst This helpful book defines judging and legalism in a biblical manner and discusses two often overlooked biblical commands do not pass judgment before the time and do not exceed what is written 1 Cor 4 5 6 Learning to identify and avoid these problems will help promote peace and joy in the body of Christ and release believers to serve God in the freedom of his grace All Christians have at one time or another borne the brunt of inappropriate judging and the burden of legalism and will welcome this book **God's Pattern for Revitalization** Robert Beckett,2023-03-30 The most common question that most pastors and church leaders ask themselves is Where do I start in revitalizing my church Revitalizing a church can seem like a daunting task but there are some key steps that pastors and church leaders can take to begin the process of transforming their church into an active and vibrant center of the Christian community The first step that pastors should take is to prayerfully assess the current state of the church This will involve reflecting on the church s current successes and challenges to better understand where changes need to be made That understanding can come only from God himself God has provided us with an example of how revitalization and revival can take place in a church This book will enlighten and inform on the way that God intends for his church to be vibrant and alive again in the community of believers and surrounding neighbors Using Scripture as the pattern and guide readers will gain confidence and courage to move their
