## **From Jesus To Paul:**

*From Jesus to Paul* Joseph Klausner, 1946      Paul and Jesus James D. Tabor, 2013-11-26 Draws on St Paul's letters and other early sources to reveal the apostles sharply competing ideas about the significance of Jesus and his teachings while demonstrating how St Paul independently shaped Christianity as it is known today      **Paul and Jesus** David Wenham, 2002 It has been fashionable in New Testament scholarship to view the apostle Paul as a religious freelancer who corrupted Jesus' teachings. David Wenham has written convincingly against this view and in this new book he introduces readers to the true Paul. Rooted in a thorough knowledge of the New Testament, this book fulfills two important purposes. First, it provides a superb introduction to Paul himself. Wenham describes Paul's early life, shows the importance of his conversion and follows him on his missionary journeys. Second, the book explores Paul's relation to Jesus. Writing in dialogue with those who wish to distance Paul from Jesus, Wenham shows just how important the ministry and teaching of Jesus were to Paul's own thought and evangelism. What emerges from a study of Paul's epistles is a man who drew extensively on the traditions of Jesus and faithfully worked to spread his message to the rest of the world.      *Jesus, Paul, and the Gospels* James D.G. Dunn, 2011-05-03 This compact theological primer from a widely respected scholar offers a well-integrated and illuminating approach to a variety of basic issues in the study of the New Testament. Provided by publisher      **Jesus and Paul in the Context of Judaism and Early Christianity** Donald A. Hagner, 2025-03-27 In the late nineteenth century, Jewish scholars began to be interested in Jesus and eventually Paul as important figures in the history of the Jewish people. Rightly understood, they argued, Jesus and Paul belonged more to Judaism than to Christianity, as even radical critical Christian scholars were concluding. The earliest believers in Jesus were exclusively Jews, forming something like a new sect within Judaism. The emergence of the Christianity of the New Testament soon became a focus of attention for Jewish scholars, and with this a host of questions arose, such as about the influence of Hellenism, the parting of the ways, the widespread Christian misperception of Judaism, the tragedy of anti-Semitism, and the identity of Jesus as Messiah and Lord. The present essays address these and other issues, maintaining throughout the tension of continuity and discontinuity and stressing the underappreciated radical newness of the New Testament.      Jesus & Paul John W. Fraser, 1974      **From Jesus to Christ** Paula Fredriksen, 2008-10-01 Magisterial. A learned, brilliant, and enjoyable study. *Gaza* *Verm's Times Literary Supplement*. In this exciting book, Paula Fredriksen explains the variety of New Testament images of Jesus by exploring the ways that the new Christian communities interpreted his mission and message in light of the delay of the Kingdom he had preached. This edition includes an introduction, reviews the most recent scholarship on Jesus, and its implications for both history and theology. Brilliant and lucidly written, full of original and fascinating insights. *Reginald H. Fuller, Journal of the American Academy of Religion*. This is a first-rate work of a first-rate historian. *James D. Tabor, Journal of Religion*. Fredriksen confronts her documents principally the writings of the New Testament as an archaeologist would an especially rich, complex site. With

great care she distinguishes the literary images from historical fact As she does so she explains the images of Jesus in terms of the strategies and purposes of the writers Paul Matthew Mark Luke and John Thomas D Evelyn Christian Science Monitor

*Jesus and Paul* Jerome Murphy-O'Connor,2007 Explores a variety of sources to draw a parallel between the lives of Jesus and Paul discussing their births and early years family and education social class and cultural influences and finally their deaths **From Jesus to John** Marinus de Jonge,Martinus Christianus Boer,1993-01-01 **From Jesus to Paul, tr** Joseph Klausner, **Dictionary of Paul and his letters** GERALD F HAWTHORNE,RALPH P MARTIN,DANIEL G REID,2020-05-21

The Dictionary of Paul and his letters is a one of a kind reference work Following the format of its highly successful companion volume the Dictionary of Jesus and the Gospels this Dictionary is designed to bring students teachers ministers and laypeople abreast of the established conclusions and significant recent developments in Pauline scholarship No other single reference work presents as much information focused exclusively on Pauline theology literature background and scholarship In a field that recently has undergone significant shifts in perspective the Dictionary of Paul and His Letters offers a summa of Paul and Pauline studies In depth articles focus on individual theological themes such as law resurrection and Son of God broad theological topics such as Christology eschatology and the death of Christ methods of interpretation such as rhetorical criticism and social scientific approaches background topics such as apocalypticism Hellenism and Qumran and various other subjects specifically related to the scholarly study of Pauline theology and literature such as early catholicism the centre of Paul s theology and Paul and his interpreters since F C Baur Separate articles are also devoted to each of the Pauline letters to hermeneutics and to preaching Paul today The Dictionary of Paul and His Letters takes its place alongside the Dictionary of Jesus and the Gospels in presenting the fruit of evangelical New Testament scholarship at the end of the twentieth century committed to the authority of Scripture utilising the best of critical methods and maintaining dialogue with contemporary scholarship and challenges facing the church **The Oxford Handbook of Pauline Studies**

Matthew V. Novenson,R. Barry Matlock,2022-04-08 The Oxford Handbook of Pauline Studies brings together a diverse international group of experts on the apostle Paul It examines the authentic texts from his own hand other ancient texts falsely attributed to him the numerous early Christian legends about him and the many meanings that have been and still are made of these texts to give a twenty first century snapshot of Pauline Studies Divided into five key sections the Handbook begins by examining Paul the person a largely biographical sketching of the life of Paul himself to the limited extent that it is possible to do so It moves on to explore Paul in context and Pauline Literature looking in detail at the letters manuscripts and canons that constitute most of our extant evidence for the apostle Part Four uses a number of classic motifs to describe what modern experts describe as Pauline Theology and Part Five considers the many productive reading strategies with which recent interpreters have made meaning of the letters of Paul It is demonstrated that reading Paul is not and never has been just one thing It has always been a matter of the particular questions and interests that the reader brings to these very

generative texts The Oxford Handbook of Pauline Studies thoroughly surveys the state of Pauline studies today paying particular attention to theory and method in interpretation It considers traditional approaches alongside recent approaches to Paul including gender race and ethnicity and material culture Brought together the chapters are an ideal resource for teachers and students of Paul and his letters Jesus, Paul, and the Law James D. G. Dunn,1990-01-01 Drawing upon ten years of research experience the master scholar James D G Dunn presents a book on a major issue in the study of Christian origins what were the attitudes toward Jewish law within earliest Christianity This volume not only gathers the author's significant contributions to date but also includes new material Divided into nine parts it is set in the wider context of a living dialogue and debate The introduction maps out Dunn's extensive work in Pauline and Markan studies The final chapter The Theology of Galatians serves as a summary of Dunn's current position on Paul and the law and brings the volume to a convincing conclusion *A Theology of the New Testament* George Eldon Ladd,1993-09-02 Ladd's magisterial work on New Testament theology has well served scores of seminary students since 1974 Now this comprehensive standard evangelical text has been carefully revised by Hagner to include an update of Ladd's survey of the history of the field of New Testament theology an augmented bibliography and an entirely new subject index **An Index to Periodical Literature on the Apostle Paul** Mills,2019-07-01 The volume updates an important earlier work by Bruce M Metzger Index to Periodical Literature on the Apostle Paul first published in 1960 which undertook to list periodical materials available before 1960 This volume was the first book in the New Testament Tools and Studies series published by Brill As with Metzger's volume this new work lists periodicals in a wide spectrum of languages including English and Russian This volume adds considerably to the 3 013 entries of Metzger's original work To facilitate use the original classification and numbering scheme developed by Metzger is retained in the new references as well as in a few from a second edition by Metzger 1970 They are inserted in their proper classification by subject and date and are indicated by the original number with an alpha extension In a few instances new classifications are offered e g structuralism *The Jesus Paul Knew* James W. Reapsome,2018-04-17 Many of us may have thought more about Paul's foundational theology than about how Paul learned more about Jesus and what it meant to obey him in the everyday tests of his faith This ten session LifeGuide Bible Study guide leads us through the growth in the apostle Paul's knowledge of Jesus and how it changed his life when at pivotal points he intersected with Jesus The Call Adam Hamilton,2015-05-26 With Adam Hamilton we have traced the life of Jesus from his birth The Journey through his ministry The Way to his death and resurrection 24 Hours That Changed the World What happened next Follow the journeys of Paul beginning with his dramatic conversion as he spread the Gospel through modern day Greece and Turkey Travel to the early church sites and explore Paul's conversations with the Romans Corinthians Galatians Ephesians Philippians Colossians and Thessalonians In this six week study you are invited to experience faith through Christ's greatest teacher and missionary Endorsements Adam Hamilton has proven to be a faithful guide to applying the Bible to modern life in a sane and balanced

way and I trust him as an interpreter of the Apostle Paul for today Philip Yancey author of *Vanishing Grace* and *The Jesus I Never Knew* Pastor and teacher Adam Hamilton succeeds brilliantly in introducing the life and ministry of Paul Adam's interweaving of personal testimony and ministry insights provide important lessons for Christian disciples today something Paul himself would have readily welcomed Dr Mark Wilson Asia Minor Research Center Antalya Turkey Adam Hamilton demonstrates theologically and spiritually how indispensable the apostle Paul is to both the early Christian and 21st century church This book is a wonderful gift for the church and I recommend it with utmost Christian enthusiasm Dr Israel Kamudzandu Associate Professor of New Testament and Biblical Interpretation Saint Paul School of Theology I regularly lead groups of seminary students alums clergy and laity on immersion trips to Greece and Turkey This book will certainly be on my reading list Jaime Clark Soles Associate Professor of New Testament Altshuler Distinguished Teaching Professor Perkins School of Theology

*Paul's Letter to the Romans* Arland J. Hultgren, 2011-05-16 Building on his own translation from the Greek Hultgren walks readers through Romans verse by verse illuminating the text with helpful comments probing into major puzzles and highlighting the letter's most inspiring features He also demonstrates the forward looking missional character of Paul's epistle written as Hultgren suggests to introduce Roman Christians to the major themes of Paul's theology and to inspire in them both confidence in the soundness of his teaching and support for his planned missionary efforts in Spain

*If We Follow Jesus, He Will Lead Us Out of Christianity and Into Messianic Judaism* Donald Werner, 2020-02-03 Beginning around the 4th Century the Christian church accelerated its downhill slide into apostasy Today the Christian church is nothing at all what we read about in the Book of Acts and that is because it has set aside Jesus teachings to follow the teachings of Paul Jesus teachings and Paul's teaching are polar opposites and cannot be reconciled regardless of how hard the church tries to gloss over the differences Today's Christian Church bases its doctrines on Paul's writings to the exclusion of Jesus words And because they have set Jesus words aside they have rejected God's Torah law which Jesus told us to keep and that leads to many other problems And as a result today the Christian church is divided into hundreds of sects and it is confused and weak Christians following those corrupt doctrines are lawless which means God does not answer their prayers Proverbs 28:9 and they worship in vain Mark 7:7-9 Read this book to learn much more and what we must do to be among the redeemed

**Paul on the Cross** David A. Brondos, Even as theologians and others have become more critical of classic theories of atonement Brondos maintains biblical scholars have continued to understand Paul's soteriology based on the language and categories of a thousand years later In this vital volume he draws the theological consequences of the new perspective on Paul for our understanding of the meaning and efficacy of Jesus' death Paul says Brondos understood Jesus' death primarily as the consequence of his mission of serving as God's instrument to bring about the awaited redemption of Israel in which Gentiles throughout the world would also be included For Paul Jesus' death is salvific not because it satisfies some necessary condition for human salvation as most doctrines of the atonement have

traditionally maintained nor because it effects some change in the situation of human beings or the world in general but because God responded to Jesus faithfulness unto death by raising him ensuring that all the divine promises of salvation would be fulfilled through him Jesus death forms part of an overarching story culminating in the redemption of Israel and the world it is this story and in particular what precedes and follows Jesus death on the cross which makes that death redemptive for Paul
