Funny Business Humour Management And Business Culture

G. Morgan, Andrew Sturdy

Funny Business Humour Management And Business Culture:

Funny Business Jean-Louis Barsoux,1993 In *Funny Business* Jean Louis Barsoux explores the neglected area of humour in business From first hand observation and from interviews with a range of practising managers and top industrialists including Sir John Harvey Jones Sir Peter Parker and Sir Allen Sheppard he identifies the way humour is employed at all levels of organizations and in different sectors of the economy

Funny Business Jean-Louis Barsoux,1993 In *Funny Business* Jean Louis Barsoux explores the neglected area of humour in business From first hand observation and from interviews with a range of practising managers and top industrialists including Sir John Harvey Jones Sir Peter Parker and Sir Allen Sheppard he identifies the way humour is employed at all levels of organizations and in different sectors of the economy

The Psychology of Humor at Work Christopher Robert,2016-12-19 This is the first book to look at the psychological processes that enable humor to affect people and teams in the workplace It recognizes that humor plays many roles beyond making people feel happier and more productive and acknowledges humor s potential darker side as well Bringing together a small but growing field of study the book features chapters around core psychological topics such perception creativity and stress while also addressing organizational issues such as leadership teamwork and social networks The collection concludes with chapters on the role of humor in recruitment processes as well as how humor consultants work with organizations Each chapter in *The Psychology of Humor at Work* not only provides a comprehensive review of what is known in that area but also considers future directions for research and practice It will prove fascinating reading for students practitioners and researchers in organizational psychology HRM and business and management

The Routledge Handbook of Language and Humor Salvatore Attardo,2017-02-17 The *Routledge Handbook of Language and Humor* presents the first ever comprehensive in depth treatment of all the sub fields of the linguistics of humor broadly conceived as the intersection of the study of language and humor The reader will find a thorough historical terminological and theoretical introduction to the field as well as detailed treatments of the various approaches to language and humor Deliberately comprehensive and wide ranging the handbook includes chapter long treatments on the traditional topics covered by language and humor e g teasing laughter irony psycholinguistics discourse analysis the major linguistic theories of humor translation but also cutting edge treatments of internet humor cognitive linguistics relevance theoretic and corpus assisted models of language and humor Some chapters such as the variationist sociolinguistics stylistics and politeness are the first ever syntheses of that particular subfield Clusters of related chapters such as conversation analysis discourse analysis and corpus assisted analysis allow multiple perspectives on complex trans disciplinary phenomena This handbook is an indispensable reference work for all researchers interested in the interplay of language and humor within linguistics broadly conceived but also in neighboring disciplines such as literary studies psychology sociology anthropology etc The authors are among the most distinguished scholars in their fields

The Routledge Handbook of Discourse Analysis Michael

Handford, James Paul Gee, 2023-05-15 The Routledge Handbook of Discourse Analysis covers the major approaches to discourse analysis from critical discourse analysis to multimodal discourse analysis and their applications in key educational and institutional settings The handbook is divided into eight sections Approaches to Discourse Analysis Gender Race and Sexualities Narrativity and Discourse Genre and Register Spoken Discourse Social Media and Online Discourse Educational Applications and Institutional Applications The chapters are written by a wide range of contributors from around the world each a leading researcher in their respective field With a focus on the application of discourse analysis to real life problems the contributors introduce the reader to a topic and analyse authentic data This fully revised second edition includes new sections on Gender Race and Sexualities Narrativity and Discourse Genre and Register Spoken Discourse Social Media and Online Discourse and nine new chapters on topics such as digital communication and public policy and political discourse This volume is vital reading for all students and researchers of discourse analysis in linguistics applied linguistics communication and cultural studies social psychology and anthropology

Laughter and Ridicule Michael Billig, 2005-10-03 From Thomas Hobbes fear of the power of laughter to the compulsory packaged fun of the contemporary mass media Billig takes the reader on a stimulating tour of the strange world of humour Both a significant work of scholarship and a novel contribution to the understanding of the humourous this is a seriously engaging book David Inglis University of Aberdeen This delightful book tackles the prevailing assumption that laughter and humour are inherently good In developing a critique of humour the author proposes a social theory that places humour in the form of ridicule as central to social life Billig argues that all cultures use ridicule as a disciplinary means to uphold norms of conduct and conventions of meaning Historically theories of humour reflect wider visions of politics morality and aesthetics For example Bergson argued that humour contains an element of cruelty while Freud suggested that we deceive ourselves about the true nature of our laughter Billig discusses these and other theories while using the topic of humour to throw light on the perennial social problems of regulation control and emancipation

Multiculturalism, Multilingualism and the Self Danuta Gabryś-Barker, Dagmara Gałajda, Adam Wojtaszek, Paweł Zakrajewski, 2017-05-11 This book offers several insights into cross cultural and multilingual learning drawing upon recent research within two main areas Language Studies and Multilingual Language Learning Teaching It places particular emphasis on the Polish learning environment and Poles abroad Today's world is an increasingly complex network of cross cultural and multilingual influences forcing us to redefine our Selves to include a much broader perspective than ever before The first part of the book explores attitudes toward multiculturalism in British political speeches joking behaviour in multicultural working settings culture dependent aspects of taboos and swearing and expressive language of the imprisoned adding a diachronic perspective by means of a linguistic study of The Canterbury Tales In turn the studies in the second part focus on visible shifts in contemporary multilingualism research learners attitudes towards multiple languages they acquire teachers perspectives on the changing requirements related to multiculturalism and immigrant brokers

professional experience in the UK **Funny Business: Building Soft Skills Through Comedy** , *Leadership Discourse at Work* S. Schnurr,2008-12-23 Employing a discourse analytical approach this book focuses on the under researched strategy of humour to illustrate how discursive performances of leadership are influenced by gender and workplace culture Far from being a superfluous strategy that distracts from business humour performs a myriad of important functions in the workplace context **Organizational Misbehaviour** Stephen Ackroyd,Paul Thompson,1999-03-30 A textbook specifically aimed at organizational misbehaviour it certainly fills a gap containing a large survey of academic literature on the subject The book is good it brings to light subjects which are too often neglected and it provides an understanding of phenomena which are so common in organizations but at the same time so vague and incomprehensible Organization Studies From soldiering and absenteeism to humour in organizations and the emergence politics of sexuality this book explores the latest forms of organizational subversion and offers fresh insights of the underlying dynamics of management and organizational processes The book opens with a critique of orthodox organizational analysis and maps out the wide terrain across which organizational misbehaviour occurs The authors go on to examine the interconnections between identity formation the pursuit of autonomy and organizational misbehaviour and explore how clearly the tendency to misbehave is deeply embedded in organizational life Organizational Ethnography Sierk Ybema,Dvora Yanow,Harry Wels,Frans H Kamsteeg,2009-08-20 Just as newspapers do not typically engage with the ordinary experiences of people s daily lives so organizational studies has also tended largely to ignore the humdrum everyday experiences of people working in organizations However ethnographic approaches provide in depth and up close understandings of how the everyday ness of work is organized and how in turn work itself organizes people and the societies they inhabit Organizational Ethnography brings contributions from leading scholars in organizational studies that serve to unpack an ethnographic perspective on organizations and organizational research The authors explore the particular problems faced by organizational ethnographers including questions of gaining access to research sites within organizations the many styles of writing organizational ethnography the role of friendship relations in the field problems of distance and closeness the doing of at home ethnography ethical issues standards for evaluating ethnographic work This book is a vital resource for organizational scholars and students doing or writing ethnography in the fields of business and management public administration education health care social work or any related field in which organizations play a role *Emotion Management in the Workplace* Sharon Bolton,2004-11-18 The exciting new book explores the management of emotion in organizations and the emotion management skills organizational actors need to possess in order to achieve organizational objectives whilst also acknowledging the subjective experiences of its members The key strength of this sole authored text lies in its critical approach and labour process orientation It will appeal to students of organizational studies gender studies sociology and human resource management at undergraduate and postgraduate level **Oxford Handbook of Positive Psychology and Work** P. Alex Linley,Susan Harrington,Nicola

Garcea,2010 Part of the Oxford Library of Psychology the Oxford Handbook of Positive Psychology and Work examines what positive psychology offers to our understanding of key issues in working life today Drawing on the disparate literatures from positive psychology management I O psychology and human resources the volume begins with a consideration of the changing world of work that sets the context for the rest of the book and then moves into a specific consideration of work issues from the perspective of positive psychology Chapters focus on such topics as strengths leadership human resource management employee engagement communications well being and work life balance The volume will be a core resource for both researchers and practitioners interested in the application of positive psychology to work **Beyond Organizational**

Change G. Morgan,Andrew Sturdy,2000-05-04 In this distinctive and valuable contribution to understanding organisational change different levels and types of analysis are drawn on and connected This is achieved through an exploration of the conditions processes and outcomes of change in the field of UK financial services **The Role of Individual Differences**

in Occupational Stress and Well Being Pamela L. Perrewé,Daniel C. Ganster,2011-08-10 Deals with the examination of occupational stress health and well being with particular emphasis on the multi disciplinary nature of occupational stress This title also examines the role of individual difference in occupational stress health and well being *Sociology, Work and*

Industry Tony Watson,2004-02-24 In the fourth edition of this successful and popular text Tony Watson explains how the discipline of sociology contributes to our wider understanding of the variety of work practices and institutions which exist in modern society The new edition outlines both what has been achieved historically and what is currently being achieved by the sociological study of work as well presenting a range of concepts models and other theoretical ideas that students and researchers can apply to the study of work Subjects covered include how working patterns have changed and continued to change since the industrial revolution work organizations innovations in the structuring of work activities at the enterprise level the occupational aspects of the organization of work in changing societies how people experience and cope with the pressures insecurities and inequalities of a restructured world of work how challenge and resistance influence the shaping of work in an ever changing world Fully updated throughout this book includes an all new chapter on the distinctiveness of the sociological perspective along with guidance on the research and analysis of work It will be essential reading for anybody studying the sociology of work and organizations **In Search of Hospitality** Conrad Lashley,Alison Morrison,2010-02-17

In Search of Hospitality is a unique contribution to the study of hospitality exploring the practice of hospitality across disciplines and adopting an international perspective where appropriate This title brings together an extraordinary collection of leading researches and writers in hospitality sociology philosophy and social history thereby providing a broad and comprehensive perspective on hospitality It focuses the study of hospitality across the range of human social and economic settings and provides a reference point for the future development of hospitality as an academic discipline Harnessing this wide range of viewpoints *In Search of Hospitality* offers an intellectually stimulating and innovative approach to the study of

hospitality It is ideal for students and academics within both the applied fields of hospitality and tourism studies and the general fields of business studies and behaviour sciences It is also suitable for practitioners in hospitality leisure and tourism businesses for whom it provides a provocative and informative guide to understanding and providing hospitality within a commercial context *French Management* Jean-Louis Barsoux, Peter Lawrence, 2013-07-04 This fascinating book is an account of management in the contemporary French business world The formal nature of work relations and the rituals of French business life are analyzed and set against the role of senior executives and the book looks at the corporate culture of four leading but very different companies Michelin L Air Liquide L Oreal Carrefour Also included is an examination of general management attitudes to labour relations and the book includes an overview of the distinctive features of French management future trends and the changes that further European integration may or may not bring Sociology, Work and Industry Tony J. Watson, 1995 In the third edition of this successful and popular text Tony Watson explains how the discipline of sociology can contribute to our wider understanding of the variety of work practices and institutions which exist in modern societies He travels the full journey from the founding ideas of the discipline to postmodernist departures and develops all the main areas occupations organizations work experience industrial relations industrial society and theory The book ends with a thoroughly revised chapter covering the major questions of how work experience and global patterns of relationships are changing now and may change in the future Thoroughly revised and presented in a new and accessible format this third edition of Sociology Work and Industry will prove an indispensable guide to a massive and complex field Sociology, Work and Industry ,
