Congress. House. Committee on Post Office and Civil Service,1963      Productivity,1990      **Wassily Leontief** John Cunningham Wood,Michael McLure,2001      People Get Ready Robert W. McChesney,John Nichols,2016-03-08 Humanity is on the verge of its darkest hour or its greatest moment The consequences of the technological revolution are about to hit hard unemployment will spike as new technologies replace labor in the manufacturing service and professional sectors of an economy that is already struggling The end of work as we know it will hit at the worst moment imaginable as capitalism fosters permanent stagnation when the labor market is in decrepit shape with declining wages expanding poverty and scorching inequality Only the dramatic democratization of our economy can address the existential challenges we now face Yet the US political process is so dominated by billionaires and corporate special interests by corruption and monopoly that it stymies not just democracy but progress The great challenge of these times is to ensure that the tremendous benefits of technological progress are employed to serve the whole of humanity rather than to enrich the wealthy few Robert W McChesney and John Nichols argue that the United States needs a new economy in

which revolutionary technologies are applied to effectively address environmental and social problems and used to rejuvenate and extend democratic institutions Based on intense reporting rich historical analysis and deep understanding of the technological and social changes that are unfolding they propose a bold strategy for democratizing our digital destiny before it s too late and unleashing the real power of the Internet and of humanity

**Supervising Student Employees in Academic Libraries** David A. Baldwin,1991-09-15 Library administrators have taken the student work force for granted for a long time and are only now beginning to realize that this important group accounts for a significant portion of the operating budget Baldwin describes the role of student employees and the supervisor including hiring orientation and performance appraisal He discusses some common problems as well as corrective discipline and termination procedures A separate chapter is devoted to federal student aid programs because of their role in student employment The specific orientation of this well organized handbook makes it essential for any supervisor of student employees
