Evolving from the Cocoon Deon L. Candia, 2020-04-15 Welcome to Evolving from the Cocoon A Memoir of Learning from my Past In this book I offer accurate portions of my life that has assisted me in the transformation of becoming the best version of me possible Growing up I was always that quiet shy kid I never truly felt comfortable asking questions because I wanted everyone to like me To avoid conflict and confrontation I learned to keep to myself By doing so I often found myself depressed because I couldn't figure out why my life seemed to be so abnormal and unfulfilling Growing older that one word question kept finding a way to repeat itself in my head over and over WHY For years that question burned in my heart especially as I entered adulthood Then it happened The answer finally hit me Your pain may be someone else's gain I thought to myself WOW The things that troubled me in the past are to be shared with others My bad decisions and bloopers were indeed blessings All the mishaps and not so good experiences in my life were to serve as inspiration and encouragement to people like me I had to gain my voice so that eventually I could be a voice for others No longer limited by the cocoon I discovered I can fly high and gracefully like the butterfly

[Love Affair Before and After Death...](#) Shelley Wickabrod, 2011-07-15 It was the summer of 1991 and the weather was hot and still Bernard and I sat in the shade of the back of our weekend home making small talk We were at the height of our careers prominent designers in the Canadian Fashion Industry enjoying a fabulous lifestyledinners out every night the finest wines expensive watches jewellery and

carseverything one expects of a life of success We were young attractive and madly in love with each other I made a move to go feed our dogs Bernard went upstairs to shower and died instead It was the day that altered both of our lives forever Written with the strong emotions of true love this story takes you on a thoughtful spiritual journey of love between two souls and a deep overall love of God It is a story of life absolute love and immeasurable grief If you had never known Shelley Wickabrod and Bernard McGee as a couple nor felt the love between these two souls this story makes you feel like you have known them all of your life or possibly for many lives Katherine Goodes Editor MyEditor ca This is a story of uncompromising and unconditional love Shelley Wickabrod writes a compelling story that will touch us all It reads like a movie Kirsten Scollie Producer Noumena Productions Inc La Voz ,2002 **The Mama Chronicles** Teresa Nicholas,2021-09-16 Winner of the 2022 Mississippi Institute of Arts and Letters Award for Life Writing Growing up in the Delta town of Yazoo City Mississippi Teresa Nicholas believed that she and her country born and bred mother weren t close She knew little of her mother s early life as a sharecropper during the Great Depression but whenever she brought up the subject her taciturn mother would snap You ask too many questions young un Nicholas left Mississippi to attend college then settled in New York to work in the hard driving world of commercial book publishing Twenty five years later eager for a change she and her husband decided to shift careers to writing trading their home in the New York suburbs for a casita in the Mexican Highlands But as her mother s health deteriorated Nicholas found herself spending more time in the small town she thought she had left behind Over long afternoons in front of Turner Classic Movies she grew closer to her mother coaxing stories from her about her hardscrabble past until a major stroke threatened to silence her mother s newfound voice Torn between her new home in Mexico and her old home in Mississippi Nicholas struggled to find her place in the world She discovered that the past isn t always the way we remember it and as the years ticked by that she and her mother could grow closer still *The Mama Chronicles* A Memoir is a funny and poignant account of a mother daughter relationship and ultimately a meditation on acceptance and what it means to call a place home *Women as Foreign Policy Leaders* Sylvia Bashevkin,2018-08-02 What difference does gender make to foreign diplomacy What do we know about women s participation as decision makers in international affairs Is it fair to assume as many observers do that female elites will mirror the relatively pacifist preferences of women in the general public as well as the claims of progressive feminist movements And of particular importance to this book what consequences follow from the appointment of firsts to these posts Inspired by recent work in the field of feminist diplomatic history this book offers the first comparative examination of women s presence in senior national security positions in the United States executive branch Sylvia Bashevkin looks at four high profile appointees in the United States since 1980 Jeane Kirkpatrick during the Reagan years Madeleine Albright in the Clinton era Condoleezza Rice during the George W Bush presidency and Hillary Rodham Clinton in the first Obama mandate Bashevkin explores the extent to which each of these women was able to fully participate in a domain long dominated by men focusing in particular on the extent to which each shaped foreign policy

in meaningful ways She looks particularly at two specific phenomena first the influence of female decision makers notably their ability to make measurable difference to the understanding and practice of national security policy and second leaders actions with respect to matters of war and women s rights The track records of these four women reveal not just a consistent willingness to pursue muscular aggressive approaches to international relations but also widely divergent views about feminism Women as Foreign Policy Leaders shows how Kirkpatrick Albright Rice and Clinton staked out their presence on the international scene and provided a crucial antidote to the silencing of women s voices in global politics *Harder to Breathe* Ryan Dusick,2022-11-15 Two decades after Songs About Jane Maroon 5 s original drummer presents an unflinching examination of fame anxiety mental health and recovery In the nineties Ryan Dusick and his friends Adam Levine and Jesse Carmichael dreamed about making it big and against all odds they did This inside story recounts Maroon 5 s founding and their road to becoming Grammy winning megastars told through the eyes of former drummer Ryan Dusick He takes readers behind the scenes of the band s meteoric rise to success and the grueling demands that came with it as well as his personal struggles with anxiety and addiction after his departure from the band For Maroon 5 fame came with a platinum debut record jam sessions with Prince in his own living room and encounters with celebrities such as Jessica Simpson Justin Timberlake John Mayer and Bono For Dusick stardom came to an abrupt halt with the devastating loss of his ability to play drums due to chronic nerve damage Alongside Maroon 5 s story of camaraderie and pressure Dusick interweaves his own narrative a decade lost to liquor and antianxiety medication his ferocious commitment to recovery and his current perspective as a professional counselor With a candor that will speak to anyone who has struggled with mental health *Harder to Breathe* moves beyond celebrity to examine the nature of human heartbreak and resilience and to buoy anyone currently facing similar challenges Ultimately *Harder to Breathe* is a roller coaster memoir about how making it to the top sent Dusick to the bottom and how he let go of the past and embraced a new future one breath at a time **I Suffer Therefore I Am** Pascal Bruckner,2025-08-21 In the West today suffering has become a new sacred cow Once a common feature of the human condition it is now a special trait you can use to impress your contemporaries It provides you with a borrowed identity transforming you into an exceptional being who can show off on the public stage at little cost Everyone flaunts their certificate of affliction positioning themselves above their peers Even those who are well off and powerful seek to find a place in the aristocracy of the margins creating new castes of the dispossessed at the expense of the truly unfortunate Infused with bitterness this cult of the victim glorifies the martyr figure and feeds into the passions of revenge and resentment This is the message of our age we are all victims and entitled to feel sorry for ourselves The submissive humanity of Christianity and the arrogant humanity of modernity have now been replaced by a victimized humanity allergic to distress Pampered coddled raised in fear and sensitivity how will younger generations be able to confront the chaotic world that awaits them marked by war violence terrorism and climate chaos Who will teach them the courage to endure to face setbacks head on without
