From Balaam To Jonah Anti Prophetic Satire In The Hebrew Bible Brown Judaic Studies 301:

Introduction to the Hebrew Bible, Third Edition - Prophecy John J. Collins, 2019-04-15 John J Collins's Introduction to the Hebrew Bible is one of the most popular introductory textbooks in colleges and seminary classrooms Enriched by decades of classroom teaching it is aimed explicitly at motivated students regardless of their previous exposure to the Bible or faith commitments The third edition is presented in a new and engaging format with new maps and images An index has been added to the volume for the first time In order to enhance classroom use Collins's major text has now been divided into four volumes one for each major part of the Hebrew Bible This volume based on the new third edition focuses on prophecy in the Hebrew Bible Here Collins explores the major and minor prophets and the messages they delivered within each of their historical contexts The volume also contains the introduction to Collins's major text and is now available with even more student friendly features including charts maps photographs chapter summaries and bibliographies for further reading Collins presents the current state of historical archaeological and literary understandings of the biblical text and engages the student in questions of significance and interpretation for the contemporary world

Theological Hermeneutics and the Book of Numbers as Christian Scripture Richard S. Briggs, 2018-06-25 How should Christian readers of scripture hold appropriate and constructive tensions between exegetical critical hermeneutical and theological concerns This book seeks to develop the current lively discussion of theological hermeneutics by taking an extended test case the book of Numbers and seeing what it means in practice to hold all these concerns together In the process the book attempts to reconceive the genre of commentary by combining focused attention to the details of the text with particular engagement with theological and hermeneutical concerns arising in and through the interpretive work The book focuses on the main narrative elements of Numbers 11-25 although other passages are included Numbers 5-6-33 With its mix of genres and its challenging theological perspectives Numbers offers a range of difficult cases for traditional Christian hermeneutics Briggs argues that the Christian practice of reading scripture requires engagement with broad theological concerns and brings into his discussion Frei Auerbach Barth Ricoeur Volf and many other biblical scholars The book highlights several key formational theological questions to which Numbers provides illuminating answers What is the significance and nature of trust in God How does holiness mediated in Numbers through the priesthood challenge and redefine our sense of what is right or fair To what extent is it helpful to conceptualize life with God as a journey through a wilderness of whatever sort Finally short of whatever promised land we may be what is the context and role of blessing

[Introduction to the Hebrew Bible](#) John J. Collins, 2025-05-06 Introduction to the Hebrew Bible is one of the most reliable and widely adopted critical textbooks Enriched by decades of teaching it is aimed at motivated students regardless of their exposure to the Bible or faith commitments The 4th edition is supplemented in areas beyond historical criticism and answer questions crucial to students today

Latino/a Biblical Hermeneutics Francisco Lozada Jr., Fernando F. Segovia, 2014-11-05 Engage essays that are

profoundly theological and resolutely social In this collection of essays contributors seek to analyze the vision of the critical task espoused by Latino a critics The project explores how such critics approach their vocation as critics in the light of their identity as members of the Latino a experience and reality A variety of critics representing a broad spectrum of the Latino a American formation along various axes of identity address the question in whatever way they deem appropriate What does it mean to be a Latino a critic Features Essays from sixteen scholars Articles bring together the fields of biblical studies and racial ethnic studies Conclusion addresses directions for future research **Obadiah, Jonah, Micah** Philip Peter Jensen, 2009-05-01 This commentary is written primarily for beginning students and enquiring lay people though it will also prove useful to scholars clergy and others involved in helping people to understand the Bible better The commentary provides an introduction to the background structure and message of each biblical book followed by a running commentary on the text in which key words and phrases as well as any contentious issues are explained in more detail Full bibliographies and indexes are also included Introduction to the Hebrew Bible John J. Collins, 2014 A title that proceeds through the canon of the Old Testament and the apocrypha judiciously presenting the state of historical archaeological and literary understanding of the biblical text and engaging the student in questions of significance and interpretation for the contemporary world **The Prophetic Literature** Marvin Alan Sweeney, 2005 Although the biblical books of the prophets are based upon the careers and experiences of some of the most talented and provocative individuals of their time the books must be read first as literature Each book displays its own unique organization literary characteristics and theological outlook in presenting the prophets In the case of Jeremiah for example interpreters must even consider two distinctive forms of the book in the Hebrew Bible and the Greek Septuagint By guiding the reader through the literary structure and language of each of the prophetic books as well as the social roles of the individual prophets this volume opens the reader to greater understanding and appreciation of the prophets of Israel and Judah Jonah and the Human Condition Stuart Lasine, 2019-09-19 Stuart Lasine examines all aspects of the human situation and condition in Yahweh s cosmos as depicted in the Hebrew Bible As his starting point Lasine uses the phrase the human condition which has been used to describe features of existence with which every person must cope in ways which vary according to their culture their situation within that culture and their personality In particular the most consistent factor that is basic to the human condition is mortality and in the biblical context the sometimes difficult relationship between the creator God and humankind An examination of this forms the basis of Lasine s study which draws analytical tools from several disciplines including literary theory psychology and philosophy In the first part of the book Lasine examines a number of relevant biblical texts which display different aspects of the human condition Part two engages in a detailed case study of one human life situation that of the prophet Jonah Finally Lasine draws together his conclusions about life and death in Yahweh s cosmos both for characters within the world of the scriptural text and for present day readers of the Hebrew Bible In Conversation with Jonah Raymond F.

Person, Jr.,1996-06-01 The author analyses the various conversations that occur between the characters in the Jonah narrative and the conversation that occurs between the text and its readers The study opens with an introduction to the field of conversation analysis with a focus on one feature of conversation analysis that a fundamental structure in the organization of language is adjacency pairs for example question answer and invitation refusal Person notes how complex the adjacency pairs in the Jonah narrative are and shows how they contribute to the narrative elements of plot characterization atmosphere and tone He then refines reader response theory especially that of Wolfgang Iser and provides a reader response commentary on the book The study ends with an analysis of the history of the interpretation of the book of Jonah demonstrating how the structures of adjacency pairs in the narrative have been successfully and unsuccessfully interpreted

Jonah Amy Erickson,2021-05-18 The dominant reading of the book of Jonah that the hapless prophet Jonah is a lesson in not trying to run away from God oversimplifies a profoundly literary biblical text argues Amy Erickson Likewise the more recent understanding of Jonah as satire is problematic in its own right laden as it is with anti Jewish undertones and the superimposition of a Christian worldview onto a Jewish text How can we move away from these stale interpretations to recover the richness of meaning that belongs to this short but noteworthy book of the Bible This Illuminations commentary delves into Jonah s reception history in Christian Jewish and Islamic contexts while also exploring its representations in visual arts music literature and pop culture After this thorough contextualization Erickson provides a fresh translation and exegesis paving the way for pastors and scholars to read and utilize the book of Jonah as the provocative richly allusive and theologically robust text that it is *Hidden Polemics in Biblical Narrative* Amit,2022-07-04 In current usage polemics is

broadly defined as the practice of rhetorical persuasion or as the rhetorical presentation of an argument in dispute The phenomenon of polemics is found throughout the whole corpus of biblical literature In most instances the polemics is direct but sometimes indirect and occasionally it appears to be deliberately covert This book is primarily concerned with exploring the phenomenon of covert polemics Dealing first with considerations of method definition and characterization the study moves on to the analysis of a number of narrative texts and the uncovering of their covert polemical content Polemics of this type is a feature of biblical writing on a range of central issues and can be instructively isolated in texts relating to cultic locations Beth El Jerusalem questions of leadership the houses of Saul and David community boundaries the Samaritans and other problems of legitimation *Reading the Bible for a Change, Second Edition* Ray Lubeck,2023-02-21 Which Bible passages are for Christians today and which relate only to ancient readers Can I simply pick and choose for myself the verses I think best fit my situation Who gets to decide Is there a different meaning for each individual reader What am I supposed to know to read the Bible well Ray Lubeck has devoted his life to helping others discern for themselves God s truth in the Scriptures and to showing them how it relates to their everyday lives *Reading the Bible for a Change* will guide you in how to Read each biblical passage in light of its literary style and larger context Ask and explore the most fruitful questions for

understanding the meaning of a passage Avoid common interpretive mistakes Hear God the divine Author speak through the Bible s human authors Identify the life changing truths of Scripture that apply to life today Move beyond merely reading the Bible to being shaped by and following it Having taught for over three decades at the undergraduate and graduate levels as well as in many ministry contexts Ray values the importance of holding the interest of students of the Bible This book is written in an accessible and engaging style using illustrations charts stories and relevant examples to help the reader grasp key concepts The second edition has been extensively revised in light of recent scholarly developments and years of use within the classroom incorporating substantial amounts of updates and new material Reading the Bible for a Change will equip you with the tools to discover for yourself the life changing truths revealed in God s word If you begin practicing these steps you will embark on a lifetime journey of Scripture reading that will enable you to see for yourself how captivating and transforming it is when we read the Bible on its own terms rather than on ours

Berit Olam: The Twelve Prophets

Marvin A. Sweeney,2016-03-16 There is generally no common material that binds together the works of the individual prophets that comprise the Twelve but through Sweeney s commentary they stand together as a single clearly defined book among the other prophetic books of the Bible The Book of the Twelve Prophets is a multifaceted literary composition that functions simultaneously in all Jewish and Christian versions of the Bible as a single prophetic book and as a collection of twelve individual prophetic books Each of the twelve individual books Hosea Joel Amos Obadiah Jonah Micah Nahum Habakkuk Zephaniah Haggai Zechariah and Malachi begins with its own narrative introduction that identifies the prophet and provides details concerning the historical setting and literary characteristics In this manner each book is clearly distinguished from the others within the overall framework of the Twelve By employing a combination of literary methodologies such as reader response criticism canonical criticism and structural form criticism Sweeney establishes the literary structure of the Book of the Twelve as a whole and of each book with their respective ideological or theological perspectives An introductory chapter orients readers to questions posed by reading the Book of the Twelve as a coherent piece of literature and to a literary overview of the Twelve Sweeney then treats each of the twelve individual prophetic books in the order of the Masoretic canon providing a discussion of each one s structure theme and outlook This is followed by a detailed literary discussion of the textual units that comprise the book

How to Read the Bible Steven L

McKenzie,2009-04-13 More people read the Bible than any other book and as Steven McKenzie shows in this provocative volume most of us misread it McKenzie argues that to comprehend the Bible we must grasp the intentions of the biblical authors themselves what sort of texts they thought they were writing and how they would have been understood by their contemporaries McKenzie examines several genres that are typically misunderstood offering careful readings of specific texts to show how the confusion arises and how knowing the genre produces a correct reading

Irony and Meaning in the

Hebrew Bible Carolyn J. Sharp,2008-12-23 Was God being ironic in commanding Eve not to eat fruit from the tree of

wisdom Carolyn J Sharp suggests that many stories in the Hebrew Scriptures may be ironically intended Deftly interweaving literary theory and exegesis Sharp illumines the power of the unspoken in a wide variety of texts from the Pentateuch the Prophets and the Writings She argues that reading with irony in mind creates a charged and open rhetorical space in the texts that allows character narration and authorial voice to develop in unexpected ways Main themes explored here include the ironizing of foreign rulers the prostitute as icon of the ironic gaze indeterminacy and dramatic irony in prophetic performance and irony in ancient Israel's wisdom traditions Sharp devotes special attention to how irony destabilizes dominant ways in which the Bible is read today especially when it touches on questions of conflict gender and the Other

Images of Egypt in Early Biblical Literature Stephen C. Russell, 2009 This book suggests a regional paradigm for understanding the development of the traditions about Egypt and the exodus in the Hebrew Bible It offers fresh readings of the golden calf stories in 1 Kgs 12 25 33 and Exod 32 the Balaam oracles in Num 22 24 and the Song of the Sea in Exod 15 1b 18 and from these paints a picture of the differing traditions about Egypt that circulated in Cisjordan Israel Transjordan Israel and Judah in the 8th century B C E and earlier In the north an exodus from Egypt was celebrated in the Bethel calf cult as a journey of Israelites from Egypt to Cisjordan without a detour eastward to Sinai This exodus was envisioned in military terms as suggested by the nature of the polemic in Exod 32 and the attribution of the exodus to the warrior Yahweh Israel's own deity In the east a tradition of deliverance from Egypt was celebrated rather than the idea of a journey and it was credited to El In the south Egypt was recognized as a major enemy whom Yahweh had defeated but the traditions there were not formulated in terms of an exodus While acknowledging the reshaping of these traditions in response to the exile Images of Egypt argues that they originated in the pre-exilic period and relate to Syro-Palestinian history as it is otherwise known

From Balaam to Jonah David Marcus, 1995 *The Compassionate, but Punishing God* Nathan C. Lane, 2010-03-08 Lane provides a canonical analysis of the credo of Exodus 34 6 7 and its major parallels in the Hebrew Bible He argues that the credo was an important theological expression for the ancient Israelites and that the final form of the Tanak is marked by the use of the credo These uses in the final form of the canon give evidence of the theological tension over the presence of the foreigners in the postexilic community And this tension is marked by the use of the credo in texts that emphasize YHWH's covenantal relationship with ancient Israel Torah movement toward the nations Prophets and YHWH as king over the whole earth Psalms **The ^AOxford Handbook of Biblical Narrative** Danna Fewell, 2016-05-30 The Oxford Handbook of Biblical Narrative is a state-of-the-art anthology that highlights biblical narrative's aesthetic characteristics its ethical and religious appeal its organic qualities as communal literature its witness to social and political negotiation and its uncanny power to affect readers and hearers across disparate time frames and global communities *The Journal of Jewish Studies*, 1998

Yeah, reviewing a ebook **From Balaam To Jonah Anti Prophetic Satire In The Hebrew Bible Brown Judaic Studies 301** could be credited with your close links listings. This is just one of the solutions for you to be successful. As understood, deed does not suggest that you have astounding points.
