From Christianity To Gnosis And From Gnosis To Christianity:

Christian Gnosis Ferdinand Christian Baur, 2023-01-01 Ferdinand Christian Baur's *Die Christliche Gnosis* first published in 1835 is considered by many to be the most important book on Gnosticism published in the nineteenth century and is a pivotal work within Baur's canon. Baur's unique thesis of a link between ancient and modern religious philosophy as well as his conception of Gnosticism developed through dialogues with his predecessors and contemporaries consolidate Christian Gnosis as an important contribution to Christian theology. In this seminal work written over a hundred years before the manuscript discovery at Nag Hammadi, Baur classifies the gnostic systems in terms of how they conceive the relationship of Christianity to Judaism and paganism, describing them in detail. He then goes on to describe the criticism of and reaction to gnosis in church history before contending with the modern religious philosophy of his time, discussing Boehme, Schelling, Schleiermacher, and Hegel. Christian Gnosis is Baur's first great religious historical study, and Robert Brown's masterful translation ensures the work is as impactful today as it was on its first publication. [Gnosis and Faith in Early Christianity](#)

Riemer Roukema, 1999. In this introductory handbook, Riemer Roukema explores the meaning of the gnosis phenomenon and sets forth the relationship between Gnosticism and the church. *From Christianity to Gnosis and from Gnosis to Christianity*. Jean Magne, 1993.

A Separate God Simone Pétrement, 1990

The Gnostics David Brakke, 2012-09-03

Who were the Gnostics? And how did the Gnostic movement influence the development of Christianity in antiquity? Is it true that the Church rejected Gnosticism? This book offers an illuminating discussion of recent scholarly debates over the concept of Gnosticism and the nature of early Christian diversity. Acknowledging that the category Gnosticism is flawed and must be reformed, David Brakke argues for a more careful approach to gathering evidence for the ancient Christian movement known as the Gnostic school of thought. He shows how Gnostic myth and ritual addressed basic human concerns about alienation and meaning, offered a message of salvation in Jesus, and provided a way for people to regain knowledge of God, the ultimate source of their being. Rather than depicting the Gnostics as heretics or as the losers in the fight to define Christianity, Brakke argues that the Gnostics participated in an ongoing reinvention of Christianity in which other Christians not only rejected their ideas but also adapted and transformed them. This book will challenge scholars to think in new ways, but it also provides an accessible introduction to the Gnostics and their fellow early Christians.

The Coherence of "Gnosticism" Einar Thomassen, 2020-11-23

Gnosticism has become a problematic category in the study of early Christianity. It obscures diversity, invites essentialist generalisations, and is a legacy of ancient heresiology. However, simply to conclude with diversity is unsatisfying, and new efforts to discern coherence and to synthesise need to be made. The present work seeks to make a fresh start by concentrating on Irenaeus' report on a specific group called the Gnostics and on his claim that Valentinus and his followers were inspired by their ideas. Following this lead, an attempt is made to trace the continuity of ideas from this group to Valentinianism. The study concludes that there is more continuity than has previously been recognised. Irenaeus

Gnostics emerge as the predecessors not only of Valentinianism but also of Sethianism They represent an early philosophically inspired form of Christ religion that arose independently of the New Testament canon Christology is essential and provides the basis for the myth of Sophia The book is relevant for all students of Christian origins and the early history of the Church

Pre-Christian Gnosticism Edwin M. Yamauchi,2003-10-14 One of the most important issues facing New Testament scholarship today is the issue of Gnosticism So wrote the author in 1973 in the first edition With the publication since then of the entire Nag Hammadi library this observation has become even more incisive Was there a pre Christian Gnosticism Did Gnosticism directly or indirectly influence nascent Christianity Many modern scholars argue that Gnosticism preceded the emergence of New Testament Christianity and constituted the raw material from which the apostles formed their message about Jesus The author here analyzes the evidence used to support this thesis He notes a series of methodological fallacies in the use of this evidence and concludes that clearly Gnostic materials are late and pre Christian materials are not clearly Gnostic A new chapter in this paperback edition brings the discussion up to date *Nag Hammadi, Gnosticism, and Early Christianity* Charles W. Hedrick,Robert Hodgson,2005-10-17 This book acquaints the beginner with the topic of gnosticism and early Christianity and presents to the specialist some of the new frontiers their colleagues are exploring For the beginner there is a concise introduction to gnosticism It covers the issues of origin literature leading ideas and possible links with early Christianity Each contributor has prepared a preface to his or her paper that points to its salient features and explains how the essay fits into the overall subject of the book from the Preface

The Beliefnet Guide to Gnosticism and Other Vanished Christianities Richard Valantasis,2006 Looking at the diverse strands of the early Christian church this book examines the alternative Christian ideas propagated by the Gnostics Sethians Valentinians Marcionites Encratites and Montanists illuminating the philosophical sources and religious traditions that fostered them

The Gnostic World Garry W. Trompf,Gunner B. Mikkelsen,Jay Johnston,2018-10-03 The Gnostic World is an outstanding guide to Gnosticism written by a distinguished international team of experts to explore Gnostic movements from the distant past until today These themes are examined across sixty seven chapters in a variety of contexts from the ancient pre Christian to the contemporary The volume considers the intersection of Gnosticism with Jewish Christian Islamic and Indic practices and beliefs and also with new religious movements such as Theosophy Scientology Western Sufism and the Nation of Islam This comprehensive handbook will be an invaluable resource for religious studies students scholars and researchers of Gnostic doctrine and history

Fragments of a Faith Forgotten George Robert Stow Mead,1960 *Gnosis* Kurt Rudolph,2001-06-20 Translated by R McL Wilson A full scale study based on the documents of the Coptic Gnostic library found at Nag Hammadi providing a comprehensive survey of the nature the teachings the history and the influence of this religion

The Gnostics Tobias Churton,1997 The Greek word gnosis means knowledge the Gnostics themselves used it to refer to the spiritual knowledge they believed would redeem them from what they regarded as the inherent evil of the

material universe As a mystical alternative tradition within Christianity Gnosticism suffered the hostility of the official church and as a result remains largely unknown or misunderstood to this day

Christian Gnosis Ferdinand Christian Baur, 2023-01-26 Ferdinand Christian Baur's *Die Christliche Gnosis* first published in 1835 is considered by many to be the most important book on Gnosticism published in the nineteenth century and is a pivotal work within Baur's canon Baur's unique thesis of a link between ancient and modern religious philosophy as well as his conception of Gnosticism developed through dialogues with his predecessors and contemporaries consolidate Christian Gnosis as an important contribution to Christian theology In this seminal work written over a hundred years before the manuscript discovery at Nag Hammadi Baur classifies the gnostic systems in terms of how they conceive the relationship of Christianity to Judaism and paganism describing them in detail He then goes on to describe the criticism of and reaction to gnosis in church history before contending with the modern religious philosophy of his time discussing Boehme Schelling Schleiermacher and Hegel

Church and Gnosis F. C. Burkitt, 2012-01-12 This 1932 book contains five lectures delivered about the relationship between Church doctrine and Gnostic thought by F C Burkitt

Church & Gnosis, **Gnostic Religion in Antiquity** Roelof van den Broek, 2013-01-24 Gnostic religion is the expression of a religious worldview which is dominated by the concept of Gnosis an esoteric knowledge of God and the human being which grants salvation to those who possess it Roelof van den Broek presents here a fresh approach to the gnostic current of Late Antiquity within its historical and religious context based on sources in Greek Latin and Coptic including discussions of the individual works of preserved gnostic literature Van den Broek explores the various gnostic interpretations of the Christian faith that were current in the second and third centuries whilst showing that despite its influence on early Christianity gnostic religion was not a typically Christian phenomenon This book will be of interest to theologians historians of religion students and scholars of the history of Late Antiquity and early Christianity as well as specialists in ancient gnostic and hermetic traditions

Rethinking Early Christian Identity Maia Kotrosits, 2015 Revision of author's thesis Ph D Union Theological Seminary 2013 under title *Affect violence and belonging in early Christianity*

Simon Magus: The First Gnostic? Stephen Haar, 2012-10-24 This latest comprehensive work on Simon Magus lends new impetus to the investigation of Early Christianity and questions surrounding the origin and nature of Gnosticism Major contributions of this study include 1 a departure from the traditional exegesis of Acts 8:5-24 the first narrative source of Simon and the later following reports of ancient Christian writers 2 an overview of the literature of Graeco Roman antiquity to determine the contribution of magic and the Magoi in the development of perceptions and descriptions of Simon and 3 the inclusion of social science explanation models and modern estimations of identity in a creative approach to

questions surrounding the phenomenon of Simon
