

Relationship between Consensus, Authority

- One major goal of engineering ethics is to promote authority while exercising consensus.
- Consensus concerning the role of authority.
- Ex: Teachers having authority over students and managers having authority over engineers.
- So authority provides framework in which learning ,tolerance , consensus take place.

From Consensus To Controversy Aseans Relationship With Burmas Slorc:

From Consensus to Controversy Ralph Bachoe,1997 **ASEAN, Sovereignty and Intervention in Southeast Asia** L. Jones,2011-12-07 Drawing on the fields of political economy and historical sociology Jones dispels the overwhelming consensus among scholars that members of the Association of Southeast Asian Nations ASEAN never interfere in the internal affairs of other states and pioneers a new approach to the understanding of regional politics in Southeast Asia **Myanmar (Burma) since the 1988 Uprising** Andrew Selth,2022-01-24 Updated by popular demand this is the fourth edition of this important bibliography It lists a wide selection of works on or about Myanmar published in English and in hard copy since the 1988 pro democracy uprising which marked the beginning of a new era in Myanmar s modern history There are now 2 727 titles listed They have been written edited translated or compiled by over 2 000 people from many different backgrounds These works have been organized into thirty five subject chapters containing ninety five discrete sections There are also four appendices including a comprehensive reading guide for those unfamiliar with Myanmar or who may be seeking guidance on particular topics This book is an invaluable aid to officials scholars journalists armchair travellers and others with an interest in this fascinating but deeply troubled country **Regionalism and Globalism in Southeast Asia** E.

Palmujoki,2001-10-25 Eero Palmujoki examines the regionalist debate in Southeast Asia from the end of the Cold War up to the beginning of the new millennium He focuses on the organization of the ASEAN Association of Southeast Asian Nations and covers the political economic and security issues characterizing its development The book compares the theoretical debate with political developments in the region from the beginning of the post Cold War period with its rapid economic growth through the Asian economic crisis of 1997 and the resulting restructuring of Southeast Asian regional systems

Celebrating the Third Decade and Beyond Prabir De,Suthiphand Chirathivat,2018-02-02 The ASEAN India economic integration has made substantial progress in recent years India s engagements with Southeast and East Asia have received new momentum under the Act East Policy AEP In 2017 ASEAN and India will be celebrating 25 years of their dialogue relations The relationship is set to deepen in coming days as ASEAN and India step up their collaboration across a range of economic and strategic issues including trade and connectivity culture people to people links trans national terrorism and maritime security However both of them have been facing several challenges which call for concerted efforts by ASEAN and India With ASEAN and India working towards establishing a Comprehensive Free Trade Area through Regional Comprehensive Economic Partnership RCEP agreement their cooperation will be key in promoting economic stability competitiveness growth and integration in the region This book is a timely initiative to review the past and suggest the ways to further strengthen the economic partnership It primarily deals with the economic integration issues between ASEAN and India and assesses policy priorities effectiveness implementation imperatives and challenges Each chapter in this book tries to capture essential features of the crosscutting issues and attempts to draw some policy implications It will be a valuable

Offering an investigation of the ways in which matters of human rights give shape to the European Union's interaction with Asia this volume argues for the consideration of selected social constructivist perspectives with regard to the Asia EU dialogue It puts into context the function of ideas identities values norms and human rights Through a number of country specific and regional case studies the text examines both the enabling and the inhibitory potential of human rights in the Union's relations with Asian interlocutors The book proposes a more inclusive holistic understanding of the significance and potential of the human rights discourse in East West contacts It is aimed at a wide readership from the disciplines of politics international relations Asian studies law and human rights *Human Security in Southeast Asia* Yukiko

Nishikawa,2010-09-13 There is a growing interest in human security in Southeast Asia This book firstly explores the theoretical and conceptual basis of human security before focusing on the region itself It shows how human security has been taken up as a central part of security policy in individual states in Southeast Asia as well as in the regional security policy within the Association of Southeast Asian Nations ASEAN The book discusses domestic challenges for human security including the insurgencies in southern Thailand the Philippines and Indonesia Transnational security issues such as terrorism drugs human trafficking and the situation in Burma are explored by the author and the ASEAN way of contrasting the values and approaches of Southeast Asian countries with those in the West is assessed By focusing on the ongoing changes and efforts to achieve human security in Southeast Asia this book contributes to theoretical debates on human security as well as regional studies on Southeast Asia **SLORC's Progress as a Member of ASEAN.** ,1997 *Realising Rights* Mathew

Davies,2014-09-15 This book presents the hitherto unstudied variety of ways that human rights socialisation is attempted in the context of regional organisations arguing that existing conceptual accounts of this phenomenon need to be expanded to best explain this diversity By placing the study of the European Union's relationship with Turkey alongside parallel studies of the Association of Southeast Asian Nations engagement with Myanmar and the Organization of American States history with Panama this book argues that rights socialisation efforts are far more diverse than previously thought Alongside the conditionality that dominates the EU experience and that has received the majority of existing academic attention this book argues that both the politics of social influence the strategic manipulation of legitimacy and the politics of debate over the meaning of membership also drive socialisation efforts This book situates these socialisation efforts along the journey states take when applying to joining and then maintaining membership of a regional organisation and further distinguishes between what conditions are necessary for socialisation to be attempted and what further requirements are needed for that attempt to be successful To appreciate the diversity of socialisation politics revealed this book constructs an inclusive conceptual framework drawing on both rational choice and constructivist theorising and will be of interest to students of Politics and
