**The Tony Evans Bible Commentary** Tony Evans, CSB Bibles by Holman, 2019-10-01 Tony Evans is one of the most influential church leaders of our time and has been studying and preaching the Gospel for over 50 years. He is senior pastor of Oak Cliff Bible Fellowship in Dallas TX and founder of The Urban Alternative, a ministry which promotes a kingdom agenda philosophy designed to enable people to live all of life underneath the comprehensive rule of God. The Tony Evans Bible Commentary includes an introduction to each Bible book followed by passage by passage exposition of the entire Bible by Dr. Tony Evans. In addition, there is a special front matter section with introductory resources. The insights in this commentary will help explain God's Word in a fresh way. Applying these truths will empower readers to have transformed lives that then transfer the values of the kingdom of God to others. The Tony Evans Bible Commentary features the highly readable, highly reliable text of the Christian Standard Bible (CSB). The CSB stays as literal as possible to the Bible's original meaning without sacrificing clarity, making it easier to engage with Scripture's life-changing message and to share it with others.

**The Self-interpreting Holy Bible**, 1873 Eighteenth-Century Women Poets Moira Ferguson, 1995-01-01 This book shows how eighteenth-century women's literature redefined nation and culture in class and gendered terms. *A key to the holy Bible. **All the People in the Bible** Richard R. Losch, 2008-05-13 More than any other book, the Bible offers an amazing collection of fascinating characters ranging from the holiest of the holy to some of the most depraved scoundrels imaginable. Many are mentioned only in passing yet history and archaeology can often fill in the blanks and flesh them out as exciting human beings. For this reason, we have in many cases been able to tell much more about them than the Bible alone reveals. Richard R. Losch, from the preface. A comprehensive gathering of persons found in the Bible, including the Apocrypha. All the People in the Bible really delivers on its title: literally, all of the Bible's characters appear in this fascinating reference work. From the first article on Aaron to the final entry on Zophar, Richard Losch details each person in a lively narrative style. The bulk of the book consists of Losch's A-Z articles covering the familiar and the not-so-familiar figures in Scripture. Names of people who are found only in genealogies or who had no significant effect on history are included solely in the alphabetical listing starting on page 452. That listing, *All the People in the Bible and Apocrypha*, includes pronunciations, brief identifications, and biblical references. Persons covered in greater detail in the main part of the book are identified in bold print. Losch's intriguing look at all the people in the Bible is anything but a dry reference work. This is a book to dip into and enjoy over and over.
