

From Black To Biracial

Kathleen Odell Korgen

From Black To Biracial:

From Black to Biracial Kathleen Korgen, 1998-02-24 Is a person with both a white and African American parent black Thirty years ago in American society the answer would have been yes Today the answer most likely depends on whom you ask According to the U S Census a person with both a black and a white parent is in fact black However most young persons who fit this description describe themselves as biracial both black and white Most young Americans whatever their racial background agree Since the Voting Rights Act of 1965 signaled the culmination of the Civil Rights Movement a transformation has occurred in the racial self definition of Americans with both an African American and a white parent This book describes the transformation and explains why it has occurred and how it has come about Through extensive research and dozens of interviews Korgen describes how the transformation has its roots in the historical and cultural transitions in U S society since the Civil Rights era A ground breaking book From Black to Biracial will help all Americans understand the societal implications of the increasingly multiracial nature of our population From affirmative action to the present controversy over the U S Census 2000 the repercussions of the transformation in racial identity related here affect all race based aspects of our society Students and faculty in sociology and multicultural studies business leaders and general readers alike will benefit from reading this work *Black Mixed-Race Men* Remi Joseph-Salisbury, 2018-08-06 This book offers a corrective to pathological and stereotypical representations of mixedness generally and Black mixed race men specifically By introducing the concept of post racial resilience the book shows that Black mixed race men are active and agentic as they resist the fragmentation and erasure of multiplicitous identities **Biracial in America** Nikki Khanna, 2011-09-16 Biracial in America Forming and Performing Racial Identity looks at how and why biracial Americans identify the way they do and the ways in which they perform race in their day to day lives Noting that identity is multifaceted this book also explores multiple dimensions of identity and finds that identity is more complex than often treated in previous research *Beyond Black* Kerry Ann Rockquemore, David L. Brunsma, 2007-12-14 Beyond Black is a groundbreaking study of the dynamic meaning of racial identity for multiracial people in post Civil Rights America Kerry Ann Rockquemore and David Brunsma document the wide range of racial identities that individuals with one Black and one White parent develop and they provide a incisive sociological explanation of the choices facing those who are multiracial Stemming from the controversy of the 2000 Census and whether an additional multiracial category should be added to the survey this second edition of Beyond Black uses both survey data and interviews of multiracial young adults to explore the contemporary dynamics of racial identity formation The authors raise even larger social and political questions posed by expanding racial categorization on the U S Census

Obama and the Biracial Factor Andrew J Jolivet, 2012-02-01 Since the election in 2008 of Barack Obama to the Presidency of the United States there have been a plethora of books films and articles about the role of race in the election of the first person of color to the White House None of these works though delves into the intricacies of Mr Obama s biracial

background and what it means Obama and the Biracial Factor is the first book to explore the significance of mixed race identity as a key factor in the election of President Obama and examines the sociological and political relationship between race power and public policy in the United States with an emphasis on public discourse and ethnic representation in his election Jolivet and his co authors bring biracial identity and multiraciality to forefront of our understanding of racial projects since his election Additionally the authors assert the salience of mixed race identity in U S policy and the on going impact of the media and popular culture on the development implementation and interpretation of government policy and ethnic relations in the U S and globally Obama and the Biracial Factor speaks to a wide array of academic disciplines ranging from political science and public policy to sociology and ethnic studies Structural Influence on Biracial Identification Rachel Butts, 2021-05-18 Stemming from the 2000 Census when respondents could indicate more than one racial category for the first time in history Structural Influence on Biracial Identification is the first study of its kind to explore how urban environmental dynamics influence biracial identification in the United States Several different biracial pairings are incorporated into the analysis Rachel Butts uses relative model differences to quantify the standing of each racial group on a multi tiered racial hierarchy Notably Butts uses non White biracial groups to contrast minority defined numerically or oppressively The analysis successfully extends macrostructural theory from the context of interracial marriage to the context of interracial identification Much like interracial marriage has been used as evidence of racial integration in the past Structural Influence on Biracial Identification presents a compelling argument for using interracial identification for measuring interracial integration in contemporary times *Race Policy and Multiracial Americans* Kathleen Odell Korgen, 2016-01-13 Race Policy and Multiracial Americans is the first book to look at the impact of multiracial people on race policies where they lag behind the growing numbers of multiracial people in the U S and how they can be used to promote racial justice for multiracial Americans Using a critical mixed race perspective it covers such questions as Which policies aimed at combating racial discrimination should cover multiracial Americans Should all or some multiracial Americans benefit from affirmative action programmes How can we better understand the education and health needs of multiracial Americans This much needed book is essential reading for sociology political science and public policy students policy makers and anyone interested in race relations and social justice Towards Anti-Racist Educational Research Delane A. Bender-Slack, Francis Godwyll, 2024-04-08 Towards Anti Racist Educational Research Radical Moments and Movements is a call for educational researchers and teachers to engage in the work needed to be anti racist In the academy there is no place for neutrality when it comes to race One either endorses the idea of a racial hierarchy or that of racial equality Educators and researchers either believe problems are rooted in groups of people or locate the roots of problems in power and policies Therefore we can either allow racial inequities to continue or confront racial inequities Delane Bender Slack and Francis Godwyll work to confront those racial inequities in educational research As they continue to grapple with their role in radical

moments and movements from various identities perspectives and positionalities they strive to identify their intellectual social and cultural labor in their research and in this writing as anti racist The editors define what it could mean to be anti racist in research methods projects and agendas and they pose the following questions How do we ask anti racist research questions How do we create anti racist curricula How do we design anti racist policies What does it mean to be racially humanizing educational researchers How do we intentionally work towards racial justice

Multiracial Americans and Social Class Kathleen Odell Korgen,2010-04-27 Multiracial Americans and Social Class fills a noticeable void in a growing market by examining the impact of social class on the rapidly growing multiracial population Noted scholars examine the impact of social class on the racial identity of multiracial Americans in highly readable essays from a range of sociological perspectives

Autoethnography as a Lighthouse Stephen Hancock,Ayana Allen,Chance W. Lewis,2015-02-01 This work uses autoethnography as an enterprise to deconstruct barriers that support the invisibility of diverse epistemologies The reality of invisibility and silence has plagued unvalued others in their attempt to make known the cultural significance found in the planning and execution of research As a result this book purposes to support the visibility and voice of marginalized scholars who conduct autoethnographic research from a racial gendered and critical theoretical framework This work further supports authentic inquiry as it examines and reexamines culturally diverse epistemologies as a viable and valuable framework for conducting autoethnographic research Specifically this work highlights racialized epistemologies as an inescapable factor in autethnographic research in the context of schools

Interracial Families George Alan Yancey,Richard Lewis, Jr.,2009-01-07 Are your undergraduate students interested in such topics as interracial dating marriage multiracial identity transracial adoption and related issues If so this is the perfect short text to assign in your course

Race Rules Baodong Liu,James M. Vanderleeuw,2007-01-01 Race Rules examines electoral politics over forty years up to the present day Liu and Vanderleeuw show that an understanding of New Orleans politics must start with the city s racial composition and must be viewed in terms of racial conflict and accommodation reflected in the electoral arena during the last four decades

The Convergence of Race, Ethnicity, and Gender Tracy Robinson-Wood,2016-03-01 Students beginning and seasoned mental health professionals will be better prepared for diversity practice by this accessible timely provocative and critical work The Convergence of Race Ethnicity and Gender Multiple Identities in Counseling Fifth Edition Author Tracy Robinson Wood demonstrates through both the time honored tradition of storytelling and clinically focused case studies the process of patient and therapist transformation This insightful practical resource offers behavioral health professionals a nuanced view of diversity beyond race culture and ethnicity to include and interrogate intersectionality among race culture gender sexuality age class nationality religion and disability With a keen focus on quality patient care this important text aims to help professionals better serve patients across sources of diversity Readers will recognize their roles and responsibilities as social justice agents of change while identifying the ways in which dominant cultural beliefs and

values furnish and perpetuate clients feelings of stuckness and inadequacy in both the therapeutic alliance and within the larger society This remarkable text reveres the lifelong commitment of using knowledge and skills as power for good to make a meaningful difference in people s lives *The American People* Reynolds Farley,John Haaga,2005-09-08 For more than 200 years America has turned to the decennial census to answer questions about itself More than a mere head count the census is the authoritative source of information on where people live the types of families they establish how they identify themselves the jobs they hold and much more The latest census taken at the cusp of the new millennium gathered more information than ever before about Americans and their lifestyles The American People edited by respected demographers Reynolds Farley and John Haaga provides a snapshot of those findings that is at once analytically rich and accessible to readers at all levels The American People addresses important questions about national life that census data are uniquely able to answer Mary Elizabeth Hughes and Angela O Rand compare the educational attainment economic achievement and family arrangements of the baby boom cohort with those of preceding generations David Cotter Joan Hermsen and Reeve Vanneman find that unlike progress made in previous decades the 1990s were a time of stability and possibly even retrenchment with regard to gender equality Sonya Tafoya Hans Johnson and Laura Hill examine a new development for the census in 2000 the decision to allow people to identify themselves by more than one race They discuss how people form multiracial identities and dissect the racial and ethnic composition of the roughly seven million Americans who chose more than one racial classification Former Census Bureau director Kenneth Prewitt discusses the importance of the census to democratic fairness and government efficiency and notes how the high stakes accompanying the census count especially the allocation of Congressional seats and federal funds have made the census a lightning rod for criticism from politicians The census has come a long way since 1790 when U S Marshals setout on horseback to count the population Today it holds a wealth of information about who we are where we live what we do and how much we have changed The American People provides a rich detailed examination of the trends that shape our lives and paints a comprehensive portrait of the country we live in today A Volume in the Russell Sage Foundation Census Series *Raising Biracial Children* Kerry Rockquemore,Tracey A. Laszloffy,2005 As the multiracial population in the United States continues to rise new models for our understanding of mixed race children and how their conception of racial identity must be developed A wide divide between academics who research biracial identity and the everyday world of parents and practitioners who raise and deal with mixed race children exists This book aims to fill this gap by providing an extensive synthesis of the existing research in the field as well as a model for better understanding the unique process of racial identity development for mixed race children Raising Biracial Children provides parents educators social workers and anyone interested in multiracial issues with an accessible framework for understanding healthy mixed race identity development and to translate those findings into practical care giving strategies *An Historical Analysis of Skin Color Discrimination in America* Ronald E. Hall,2010-03-10

Racism in America is most commonly studied as white racism against minority groups racial gender cultural Often overlooked in this area of study is the discrimination that exists within minority groups Through a detailed historical and sociological analysis the author breaks down these pernicious complex and often misunderstood forms of skin color discrimination their origins and their manifestations in modern world Shedding new light on these sensitive issues this volume will allow them to come to the forefront of academic research and open dialogue This comprehensive work will include coverage of skin color discrimination within racial ethnic sexual and gender minority groups and their particular forms and consequences An Historical Analysis of Skin Color will be an important work for researchers studying the Sociology of Race and Racism Gender Studies LGBT Studies Immigration or Social Work **Preparing for Higher**

Education's Mixed Race Future Marc P. Johnston-Guerrero, Lisa Delacruz Combs, Victoria K. Malaney-Brown, 2022-01-17 Increasing attention and representation of multiraciality in both the scholarly literature and popular culture warrants further nuancing of what is understood about multiracial people particularly in the changing contexts of higher education This book offers a way of Preparing Higher Education for its Mixed Race Future by examining Why Multiraciality Matters In preparation the book highlights recent contributions in scholarship both empirical studies and scholarly syntheses on multiracial students staff and faculty scholars across three separate yet interrelated parts which will help spur the continued evolution of multiraciality into the future *Race Struggles* Theodore Koditschek, Sundiata Keita Cha-Jua, Helen A. Neville, 2009 The essays in this collection start with the premise that although race like class and gender is socially constructed all three categories have been shaped profoundly by their context in a capitalist society Race in other words is a historical category that develops not only in dialectical relation to class and gender but also in relation to the material conditions in which all three are forged In addition to discussing and analyzing various dimensions of the African American experience contributors also consider the ways in which race plays itself out in the experience of Asian Americans and in the very different geopolitical environments of the British Empire and postcolonial Africa Contributors are Pedro Caban Sundiata Keita Cha Jua David Crockett Theodore Koditschek Scott Kurashige Clarence Lang Minkah Makalani Helen A Neville Ibitola O Pearce David Roediger Monica M White and Jeffrey Williams Mixed-Race Politics and Neoliberal Multiculturalism in South Korean Media Ji-Hyun Ahn, 2017-12-01 This book studies how the increase of visual representation of mixed race Koreans formulates a particular racial project in contemporary South Korean media It explores the moments of ruptures and disjuncture that biracial bodies bring to the formation of neoliberal multiculturalism a South Korean national racial project that re aligns racial lines under the nation's neoliberal transformation Specifically Ji Hyun Ahn examines four televised racial moments that demonstrate particular aspects of neoliberal multiculturalism by demanding distinct ways of re imagining what it means to be Korean in the contemporary era of globalization Taking a critical media cultural studies approach Ahn engages with materials from archives the popular press policy documents television commercials and television programs as an inter

textual network that actively negotiates and formulates a new racialized national identity In doing so the book provides a rich analysis of the ongoing struggle over racial reconfiguration in South Korean popular media advancing an emerging scholarly discussion on race as a leading factor of social change in South Korea

Dictionary of Multicultural Psychology Lena E. Hall, 2004-10-28 There appears to be a burgeoning lexicon of terms and concepts pertinent to multiculturalism Unfortunately this increase in the number of terms and concepts seems to be colliding with a decrease in a shared understanding of what they mean A dictionary style volume for such terms seems an admirable and overdue quest William H George University of Washington This dictionary is an up to date volume that contains numerous references to relevant concepts and terms in the field of multicultural psychology Professor Lena Hall has collected studied and analyzed a multitude of terms in her eleven years of teaching multicultural psychology and she has gathered them together in this handy accessible reference book

Key Features Definitions are written in concise language for easy comprehension Standard dictionary format is familiar and convenient to use making this book a handy reference for students and professionals alike who wish to clarify a term or broaden their knowledge on a topic Relevant reference sources are included along with each entry enabling students to do further reading on concepts they have learned Dictionary entries are excellent starting points for stimulating class discussions and creative research and written assignments The Dictionary of Multicultural Psychology is a highly useful resource for undergraduate psychology students The book is recommended as a classroom supplement for courses in psychology and multiculturalism as well as for professionals and graduate students working with multicultural populations for certification Lena Hall is associate professor at Nova Southeastern University She obtained her BS in Psychology from York University her MA and MED from Columbia University and her PhD in Counseling Psychology from University of Florida She conducts seminars presents papers and teaches classes in multicultural psychology She is presently involved in cross cultural research on substance abuse Her latest publication is Issues in Multicultural Psychology a textbook for undergraduate students

While this might not be the From Black To Biracial full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of From Black To Biracial eBooks, including some popular titles.

FAQs About From Black To Biracial Books

What is a From Black To Biracial PDF? A PDF (Portable Document Format) is a file format developed by Adobe that

preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a From Black To Biracial PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a From Black To Biracial PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a From Black To Biracial PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a From Black To Biracial PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
