Holton, Jack Winch, 2004-01-23 An ideal guide to tracing your Scottish ancestors combining the traditional methods of researching family history with new methods offered by information technology and the internet **Family History, Historical Consciousness and Citizenship** Tanya Evans, 2021-12-16 Family history is one of the most widely practiced forms of public history around the globe especially in settler migrant nations like Australia and Canada It empowers millions of researchers linking the past to the present in powerful ways transforming individuals understandings of themselves and the world This book examines the practice meanings and impact of undertaking family history research for individuals and society more broadly In this ground breaking new book Tanya Evans shows how family history fosters inter generational and cross cultural religious and ethnic knowledge how it shapes historical empathy and consciousness and combats social exclusion producing active citizens Evans draws on her extensive research on family history including survey data oral history interviews and focus groups undertaken with family historians in Australia England and Canada collected since 2016 Family History Historical Consciousness and Citizenship reveals that family historians collect and analyse varied historical sources including oral testimony archival documents pictures and objects of material culture This book reveals how people

are thinking historically outside academia what historical skills they are using to produce historical knowledge what knowledge is being produced and what impact that can have on them their communities and scholars The result is a necessary revival of the current perceptions of family history **Lessons from History of Education** Richard Aldrich,2006 14 of Richard Aldrich s key writings Click on the link below to access this e book Please note that you may require an Athens account *Public History* Thomas Cauvin,2016-05-20 Public History A Textbook of Practice is a guide to the many challenges historians face while teaching learning and practicing public history Historians can play a dynamic and essential role in contributing to public understanding of the past and those who work in historic preservation in museums and archives in government agencies as consultants as oral historians or who manage crowdsourcing projects need very specific skills This book links theory and practice and provides students and practitioners with the tools to do public history in a wide range of settings The text engages throughout with key issues such as public participation digital tools and media and the internationalization of public history Part One focuses on public history sources and offers an overview of the creation collection management and preservation of public history materials archives material culture oral materials or digital sources Chapters cover sites and institutions such as archival repositories and museums historic buildings and structures and different practices such as collection management preservation archives objects sounds moving images buildings sites and landscape oral history and genealogy Part Two deals with the different ways in which public historians can produce historical narratives through different media including exhibitions film writing and digital tools The last part explores the challenges and ethical issues that public historians will encounter when working with different communities and institutions Either in public history methods courses or as a resource for practicing public historians this book lays the groundwork for making meaningful connections between historical sources and popular audiences **Participating in the Knowledge Society** R. Finnegan,2005-09-27 In current debates about the knowledge society and the organization of research the spotlight is most often on the universities This interdisciplinary and transhistorical volume focuses on the less often recognized work of independent researchers creating and participating in knowledge outside the academy from seventeenth century north country astronomers to Victorian naturalists to today s think tanks community historians and new forms of researching and publishing through the internet These intriguing cases raise challenging issues about the location definition and validation of research about active participation in knowledge generation and about the perhaps changing boundaries of university today *Divergent paths* John Herson,2015-06-01 This book is unique in adopting a family history approach to Irish immigrants in nineteenth century Britain It shows that the family was central to the migrants lives and identities The techniques of family and digital history are used for the first time to reveal the paths followed by a representative body of Irish immigrant families using the town of Stafford in the West Midlands as a case study The book contains vital evidence about the lives of ordinary families In the long term many intermarried with the local population but others moved away and some simply died out The

book investigates what forces determined the paths they followed and why their ultimate fates were so varied A fascinating picture is revealed of family life and gender relations in nineteenth century England which will appeal to scholars of Irish history social history genealogy and the history of the family Tracing Your Family History on the Internet Chris Paton,2014-01-09 Updated edition A genealogist s practical guide to researching family history online while avoiding inaccurate incomplete or misleading information The internet has revolutionized family history research every day new records and resources are placed online and new methods of sharing research and communicating become available Never before has it been so easy to research family history and to gain a better understanding of who we are and where we came from But as British genealogist Chris Paton demonstrates in this second edition of his straightforward practical guide while the internet is an enormous asset it is also something to be wary of For this edition Paton has checked and updated all the links and other sources added new ones written a new introduction and substantially expanded the social networking section As always researchers need to take a cautious approach to the information they acquire on the web Where did the original material come from Has it been accurately reproduced Why was it put online What has been left out and what is still to come As he leads researchers through the multitude of resources that are now accessible online with an emphasis on UK and Ireland sites Chris Paton helps to answer these questions He shows what the internet can and cannot do and he warns against the various traps researchers can fall into along the way **Victorian Studies** Sharon W. Propas,2016-06-17 First published in 2006 this work is a valuable guide for the researcher in Victorian Studies Updated to include electronic resources this book provides guides to catalogs archives museums collections and databases containing material on the Victorian period It organises the vast array of reference sources by discipline to help researchers tailor their investigations

Family History and Historians in Australia and New Zealand Malcolm Allbrook,Sophie Scott-Brown,2021-06-27 Since the turn of the twenty first century family history is the place where two great oceans of research are meeting family historians outside the academy with traditionally trained often university employed historians This collection is both a testament to dialogue and an analysis of the dynamics of recent family history that derives from the confluence of professional historians with family historians their common causes and conversations It brings together leading and emerging Australian and New Zealand scholars to consider the relationship between family history and the discipline of history and the potential of family history to extend the scope of historical inquiry even to revitalise the discipline In Anglo Western culture the roots of the discipline s professionalisation lay in efforts to reconstruct history as objective knowledge to extend its subject matter and to enlarge the scale of historical enquiry Family history almost by definition is often inescapably personal and localised How then have historians responded to this resurgence of interest in the personal and the local and how has it influenced the thought and practice of historical enquiry Tracing Your Irish Family History on the Internet Chris Paton,2013-10-19 A thorough and informative guide with as many references to websites for Northern Irish

genealogy as for the Republic of Ireland Who Do You Think You Are Magazine Ireland has experienced considerably more tragedy when it comes to the preservation of resources for family historians than its close neighbor Britain Many of the nation's primary records were lost during the civil war in 1922 and through other equally tragic means But in this new book Chris Paton the Northern Irish born author of the bestselling *Tracing Your Family History on the Internet* shows that not only has a great deal of information survived it is also increasingly being made available online Thanks to the pioneering efforts of the Public Record Office of Northern Ireland the National Archives of Ireland organizations such as FindmyPast Ireland Ancestry.co.uk and RootsIreland and the massive volunteer genealogical community more and more of Ireland's historical resources are accessible from afar As well as exploring the various categories of records that the family historian can turn to Chris Paton illustrates their use with fascinating case studies He fully explores the online records available from both the north and the south from the earliest times to the present day Many overseas collections are also included and he looks at social networking in an Irish context where many exciting projects are currently underway His book is an essential introduction and source of reference for anyone who is keen to trace their Irish roots Chris Paton has produced this much needed book for researchers tracing Irish roots pulling together all the current online resources and expert advice into one handy guide *Family Tree Magazine*
