From God To Us:

From God To Us Revised and Expanded Norman L Geisler, William E. Nix, 2012-08-10 Where did the Bible come from How do we know the right books are in the Bible Does the Bible contain errors What are the oldest copies we have of the Bible How do we know that the Bible hasn't been changed over the years Why are there so many translations of the Bible and which one should I use These are just some of the important questions about the Bible that are discussed in this book Understanding basic facts about the origin of the Bible is essential for every Christian but it can also be confusing and difficult Here two well known scholars authors of a more technical book *A General Introduction to the Bible* explain simply and clearly these basic facts Inspiration the biblical canon major manuscripts textual criticism early translations and modern versions are some of the major topics discussed Careful explanations of important points are given throughout as the entire field of biblical introduction is covered Completely updated and revised edition of the 1974 work more than 78 000 copies sold Helpful charts have been added along with an index of subjects persons and Scripture This book is ideally suited for Bible students pastors and professors While writing for readers without previous training the authors do not gloss over difficult and complex issues when they arise The nature of inspiration the extent of the canon and the usefulness of modern versions are all clearly discussed The authors write The chain of communication from God to us is strong It has several solid links inspiration collection transmission and translations The strength of these links provide the contemporary Christian with the moral certitude that the Spirit inspired original text of Scripture has been providentially preserved by God so that for all practical purposes the Bible in our hands is the infallible and inerrant word of God *Fun with Biblical Words* Tom Hobson, 2024-08-27 This book puts you in the driver's seat as a reader of God's word no longer dependent on the Bible translation you may be using as we explore more than sixty biblical words where knowing a little Greek or Hebrew can make a remarkable difference in how we read passages which use those words Having enough options and enough data to make such translation choices for yourself can be fun **The Bible** William E. Nix, Norman L. Geisler, 1987 **An Exposition Upon the Epistle of Jude** William Jenkyn, 1863 **A Commentary upon the Holy Bible, from Henry and Scott; with occasional observations and notes from other authors. [Edited and compiled by George Stokes.]** Matthew Henry, 1833 *Whispers From God* Jonathan Long, 2016-12-05 When prayers are answered and truth overpowers confusion it is another milestone in life to be cherished Every encounter with God is a humbling life changing experience Through rich moments of prayer we discover the strength of peace along with a joyful confidence that God in heaven speaks to earthly man about everyday affairs Enjoy moments of reassurance and strength as Jonathan Long shares what he received as God's heart responding to the life of man *Christian Literature and Review of the Churches*, 1894 *Alienation from God. A sermon* Richard Chenevix TRENCH (Archbishop of Dublin.), 1857 *A Gift from God* Jerry Bishop, 2012-06 From tragedy to blessings How does one react to such an event as being told by his daughter that she is carrying a child that will be born with

Down Syndrome That she alone will make the decision to either keep the child or end the pregnancy Or how does one cope with the loss of a child through tragic death Or accept a huge financial loss How does one manage through being falsely accused by a child he loves so much How does one keep his faith alive when everything seems so desperate The author exposes his soul by sharing his life s experiences with such events he has lived as a young man in love a husband a father and grandfather Indeed each life has its trials and misfortunes but this book exposes not only the different challenges life may bring along the way it also carries the positive and unexpected wonderful surprises life may also bring along Should you read this book Only if you would like to read a very touching and true story from a man who is not afraid to share his feelings and blessings with you It s the story of PaPa and his very special grandchild named Andrea *OK, God, Let's Start From Here* Tricia Draper, 2019-04-02 Have you ever wondered what God is saying to you Do you have questions you would like answered In this book God answers such questions about how to trust praise and listen to Him God chose you specifically and wants you to have a deep personal relationship with Him He has a special purpose for your life You may be at a point in your relationship with God that you feel you have messed up and completely ruined everything you had or you may feel that you are simply unworthy When we feel this way God is right there waiting for us to ask for His help We need to empty ourselves of all the negative things in our lives and allow Him to fill us up with His love The great news is that God loves you and He always will He s there in our darkest hour and He s there when we are rejoicing He sees our needs and when we turn to Him He is waiting with open arms to receive us We can all rest assured that no matter how we mess up or how many times we can always start fresh by saying OK God let s start from here Outlines of Sermons Taken Chiefly from the Published Works of Unitarian Writers Unitarian Writers, 1872 **A Concordance of the Proper Names in the Holy Scriptures** Thomas David Williams, 1923 History of the Development of the Doctrine of the Person of Christ Isaak August Dorner, 1890

Chronicles of the Schoenberg-Cotta Family Elizabeth Rundle Charles, 1891 The Second Epistle to the Corinthians Paul Barnett, 1997-04-17 This statement reflects the underlying purpose of The New International Commentary on the New Testament Begun in the late 1940s by an international team of New Testament scholars the NICNT series has become recognized by pastors students and scholars alike as a critical yet orthodox commentary marked by solid biblical scholarship within the evangelical Protestant tradition While based on a thorough study of the Greek text the commentary introductions and expositions contain a minimum of Greek references The NICNT authors evaluate significant textual problems and take into account the most important exegetical literature More technical aspects such as grammatical textual and historical problems are dealt with in footnotes special notes and appendixes Under the general editorship of three outstanding New Testament scholars first Ned Stonehouse Westminster Theological Seminary Philadelphia then F F Bruce University of Manchester England and now Gordon D Fee Regent College Vancouver British Columbia the NICNT series has continued to develop over the years In order to keep the commentary new and conversant with contemporary scholarship the NICNT

volumes have been and will be revised or replaced as necessary The newer NICNT volumes in particular take into account the role of recent rhetorical and sociological inquiry in elucidating the meaning of the text and they also exhibit concern for the theology and application of the text As the NICNT series is ever brought up to date it will continue to find ongoing usefulness as an established guide to the New Testament text
