

FUNDAMENTALS OF BUSINESS POLICY AND STRATEGY

In today's fast-changing global economy, generating new ideas, insightful Business Policy and strategic strategy are essential for an organization's growth and survival. The textbook reviews basic and alternative strategy policies and provides an understanding of strategic management to deal with environmental change and formulate strategic alternatives.

Expertly blending theory with practicality, the book provides an innovative introduction to the tools necessary to navigate through the current highly competitive business environment. The book is structured to fully and guide the students how to successfully formulate, implement, and evaluate corporate strategy.

The author presents four thoroughly updated cases chosen from the real business world, organizing the readers with the key issues and problems in marketing and strategy, especially in the Indian context. The cases focus on competitiveness, product development, market strategies and international business. Further the book provides experiential/real assignments as well as their solutions.

This comprehensive text that exceptionally fills the gap between theory and practice of business policy and strategy is a must read for management students as well as business practitioners.
