Bortins, 2010-06-08 In the past correct spelling the multiplication tables the names of the state capitals and the American presidents were basics that all children were taught in school Today many children graduate without this essential knowledge Most curricula today follow a haphazard sampling of topics with a focus on political correctness instead of teaching students how to study Leigh Bortins a leading figure in the homeschooling community is having none of it She believes that there are core areas of knowledge that are essential to master Without knowing the multiplication tables children can't advance to algebra Without mastery of grammar students will have difficulty expressing themselves Without these essential building blocks of knowledge students may remember information but they will never possess a broad and deep understanding of how the world works In The Core Bortins gives parents the tools and methodology to implement a rigorous thorough and broad curriculum based on the classical model including Rote memorization to cement knowledge Systematic learning of geography historical facts and timelines Reading the great books and seminal historical documents instead of adaptations and abridged editions Rigorous training in math and the natural sciences      *Resources in Education* ,2000      **Essentials for Successful English Language Teaching** Thomas S. C. Farrell, George M. Jacobs, 2010-03-04 Essentials For Successful English Language Teaching is about how we teach English Language Learners ELLs and how our ELLs learn Farrell and Jacobs encourage those involved in teaching English to develop maintain and rediscover the reasons that led them to take up the profession They focus on the essentials

in teaching the English language that teachers can implement in their instruction so that their students can excel in their learning Encourage learner autonomy Emphasize the social nature of learning Develop curricular integration focus on meaning Celebrate diversity Expand thinking skills Utilize alternative assessment and Promote English language teachers as co learners along with their students These essentials are best implemented as a whole rather than one at a time and so they are interwoven with each other to encourage a holistic teaching approach Highly accessible each chapter comes with case studies and a range of activities to encourage the reader to put each of the essentials into practice With these the authors aim to bring an inner smile to all English language teachers that reassures them they made the right choice when they chose to become teachers of the English language This reflective and engaging book will be invaluable to postgraduate students of TESOL and applied linguistics and in service language teachers      *The Modern Language Journal* ,1923 Includes section Reviews
