Field of Blessings Ji Hyang Padma,2021-03-26 Ji Hyang Padma believes that we are hungry for a direct experience of the sacred in this culture We try to fill the void with technology and its quick fix of images and information This leaves us hungry for true connectivity We don't need more information We need more appreciation Gratitude opens the heart and gives our life meaning it becomes a form of spiritual experience that gives us strength Field of Blessings explores how meaning making can be approached by deep examination of the stories of our lives which bridge the gap between the inner world and the outer world giving shape to our experience How can these narratives be spoken written or embodied Ritual is the story brought to life and a powerful vehicle for spiritual transformation for reconnecting people with an embodied wholeness Ji Hyang Padma shows that Chod Medicine Buddha practices and other Tibetan rituals are used by healers to evoke sacred energies radical empathy and to contact deep archetypal realms of the psyche *Steps toward a Tibetan Understanding of Purity* James E. Morrison,2025-03-27 Though of little concern to most westerners notions of what is considered clean and unclean pure and impure are of great importance to many cultures Both ritual and moral purity and impurity are significant concerns for Tibetan Buddhists and Buddhists at large being foundational to how they live their everyday lives Steps Towards a Tibetan Understanding of Purity provides a detailed analysis of Tibetan conceptions of purity and purification through a careful examination of salient Tibetan texts across a wide range of genres The practical applications of this study articulate ways to contextualize the good news of Jesus in a Tibetan Buddhist context with an emphasis on the gospel of purification Such an approach provides the reader with renewed impetus to share the gospel in meaningful and relevant ways to a Buddhist audience while also providing additional insights into the worldview of Tibetans

Sangharakshita (Bhikshu), 1996 Karma Nirvana Dalai Lama Tibetan Buddhism is becoming increasingly common and fashionable in Western media but this familiarity can cause its teachings and message to be misunderstood If we are to truly learn from the rich and noble Tibetan tradition we must look beyond adverts and lifestyle magazines exotic artifacts and spiritual sound bites Sangharakshita is ideally suited as our guide through the vast realm of Tibetan Buddhism having spent many years in contact with Tibetan lamas of all schools from whom he received several initiations This down to earth account of the origin and history of Buddhism in Tibet explains the essentials of the tradition and can act as the starting point for our own noble journey The Emory-Tibet Science Initiative, a Novel Journey in Cross-Cultural Science Education Arri

Eisen, Meena M. Balgopal, Gillian Hue, Robin Nusslock, Joel Zivot, 2022-05-10 *Historical Dictionary of Tibet* John Powers, David Templeman, 2012-05-18 Tibet is a land bounded by the world's highest mountains and it is the repository of an ancient culture For centuries it was viewed by Europeans as a remote mystical place populated by Buddhist masters with supernatural powers and profound wisdom In contrast to this image it was once a warlike country whose expansionist rulers conquered a vast empire that incorporated much of central Asia and parts of China Even now the Tibetan Plateau remains a scene of contestation both ideologically and militarily Major popular uprisings in 1959 1988 and 2008 have drawn the attention of the world's media and its religious teachers often attract large crowds when they travel overseas The situation in the country remains highly volatile today as the 2008 uprising the largest and most widespread in the history of the region attests The Historical Dictionary of Tibet is the most comprehensive dictionary published to date on Tibetan history It covers the history of Tibet from 27 000 BCE to the present through a chronology an introductory essay an extensive bibliography and over 1 000 cross referenced dictionary entries on important personalities politics economy foreign relations religion culture anthropology and sociology This book is an excellent access point for students researchers and anyone wanting to know more about Tibet **Introduction to New and Alternative Religions in America: Asian traditions** Eugene V.

Gallagher, W. Michael Ashcraft, 2006 **Religion in Consumer Society** François Gauthier, 2016-04-08 Presenting an overview of an emerging field in the study of contemporary religion this book together with a complementary volume Religion in the Neoliberal Age explores issues of religion neoliberalism and consumer society Claiming that we have entered a new phase that implies more than the recasting of state religion relations the authors examine how religious changes are historically anchored in modernity but affected by the commoditization mediatization neoliberalization and globalization of society and social life Religion in Consumer Society explores religion as both shaped by consumer culture and as shaping consumer culture Following an introduction which critically analyses studies on consumer culture and integrates scholarship in the sociology of religion this book explores the following topics how consumerism and electronic media have shaped globalized culture and how this is affecting religion the dynamics and characteristics of often overlooked middle class religion and how these relate to globalization and differences between developed and emerging countries emerging trends

and how we understand phenomena as different as mega churches and holistic spiritualistic journeys and how the pressures of consumer culture act on religious traditions indigenous and exogenous the politics of religious phenomena in the Age of Neoliberalism and the hybrid areas emerging from these reconfigurations of religion and the market Outlining changes in both the political institutional and cultural spheres the contributors offer an international overview of developments in different countries and state of the art representation of religion in the new global political economy
