Funk & Wagnalls new encyclopedia yearbook NEWFIELD.,1996 **The Cold War Is Over--again** Allen Lynch,2019-06-26 In this book Allen Lynch challenges the common wisdom that the revolutionary events in Eastern Europe in 1989 and in the Soviet Union in 1991 marked the end of the cold war Instead he argues that the cold war was actually resolved by the early 1970s as evidenced by the tacit acceptance of a divided Germany and Europe More recent events thus overthrew not the cold war but the post cold war order in East West and U S Soviet relations And often to their surprise and consternation leaders of the governments involved must now face formidable new forces created by German unity and nationalism in Eastern Europe and the former Soviet Union which were contained efficiently if at times brutally by the post cold war order In its three sections the book reviews historical contemporary and future oriented themes respectively Lynch begins by exploring the deeper logic of the cold war and how it was resolved by the 1970s He then presents an overview of recent Soviet domestic and foreign policy processes as they affect East West relations The concluding section considers the future with special emphasis on the implications of a disintegrating USSR for U S foreign policy Best Reference Books, 1981-1985 Bohdan S. jealousy and mean spiritedness has been a common concern in Jewish life from earliest times The everpresent fear of its malevolent power is expressed by the common Yiddish expression kein ahoro which means literally without an evil eye Kein ahoro is intended to ward off any potential evil eye when one speaks of one's favorable prospects Sephardic Jews have been concerned with it as well and like the Ashkenazim their Jewish ritual life has incorporated ways of protecting against it Dr Ulmer's book examines this idea in its many permutations in Rabbinic literature In particular she examines its origin in people's negative emotions and its effects on its victims in many phases of life in causing death and sickness for example or its role in sexual transgression etc The Angel of Death is depicted as having many eyes and early Jewish mystical literature depicts angels in general as covered with eyes On the other hand the good eye has many positive meanings and these are discussed as well Dr Ulmer's study provides the reader with a complete view of the numerous symbolic meanings which this most important sense organ has been given in Jewish culture Book Jacket **The Hammond Almanac of a Million Facts, Records, Forecasts** ,1983
