The Low End of Higher Things David Clewell, 2003 The Low End of Higher Things by David Clewell is a collection of poems that explores various topics with a narrative energy and multi-layered curiosity One of the highlights is an elegy for a federal agent who jumped out a window under the influence of LSD The poems are known for their engagement with subjects that might not seem high but are elevated by Clewell's poetic treatment **Necessary Theater** Jorge A. Huerta, 1989-07-01 Huerta a leading exponent of contemporary Chicano theater has assembled six short representative plays that not only share the common theme of survival but also have received successful staging The plays stylistic variety from the Brechtian Guadalupe and La victima through the realistically domestic Soldierboy to the modern morality play Money combined with useful introductions both to the collection as a whole and to each of the scripts enhances the anthology's value Readers should be informed that some scenes are bilingual and some written entirely in Spanish Recommended especially for libraries serving Hispanic communities Punch Mark Lemon, Henry Mayhew, Tom Taylor, Shirley Brooks, Francis Cowley Burnand, Owen Seaman, 1928 Think of a Garden and Other Plays John Kneubuhl, 1997-04-01 By his own reckoning John Kneubuhl was the world's greatest Swiss Welsh Samoan playwright The son of a Samoan mother and an American father

Kneubuhl's multicultural heritage produced a distinctive artistic vision that formed the basis of his most powerful dramatic work. Born and raised in Samoa, Kneubuhl attended school in Honolulu and studied under Thornton Wilder at Yale. Returning to Hawaii in the mid 1940s, Kneubuhl won acclaim as a playwright with the Honolulu Community Theater, then moved on to Los Angeles to write for television. Twenty years later he was back in Samoa lecturing on Polynesian history and culture and writing plays, including the trilogy offered here. Unlike much of Kneubuhl's earlier work, these plays are touchingly personal in their exploration of alienation and cultural identity. *Think of a Garden*, the first play of the trilogy and the last written before the playwright's death in 1992, has been called the most Samoan of Kneubuhl's plays: a candid look at the writer's bicultural upbringing that artfully weaves together family memory, history, and mysticism. *Think of a Garden* makes the work of one of the Pacific's preeminent playwrights available for the first time to a wide audience of theatre enthusiasts, literature specialists, and others interested in Pacific themes.

Funny Frank Dick King-Smith, 2009-03-25 Being a duck isn't all it's cracked up to be. But don't try telling that to Frank: he's a chicken with a dream. All he thinks about are webbed feet, waterproof feathers, and the cool water of the pond. So when Frank takes a dip and nearly drowns, his mood turns foul. Luckily, he gets a little human help in the form of a man-made wet suit and a pair of flippers, and soon he's the speediest bird in the water. And while Frank knows he's ruffled a few feathers, he doesn't care: there's just too much for him to crow about. Until a certain young chick catches his eye—that is,

Rebirth Jarra Freehart,2024-08-16 Picture a social misfit who has stumbled through life making every conceivable mistake along the way Despite his best efforts to find stability and understanding in a world that seemed to elude him he remained stubborn and uncompromising clinging to a deep seated attitude of non conformity His headspace had no room for compromise and as a result he had never experienced a meaningful relationship of any kind But unbeknownst to him there were people working on him not professionals religious figures or members of a sect but ordinary individuals with caring hearts who must have taken pity on him They never gave up on him even when he gave them no reason to continue These compassionate souls never sought gratitude or anything in return and the dropout never offered it Yet he kept returning to them knowing deep down that they were his only chance at redemption He understood that they were always a few steps ahead and he was constantly playing catch up Just when he thought he had nearly caught up they would present him with a new challenge leaving him frustrated at times But it was a game he grew to love and sometimes when he caught a glimpse of himself in the mirror he found himself smiling a rare occurrence in his life He knew that these people were catalysts for the necessary changes within him and he embraced the journey learning about love and the warm feeling it ignited in his chest
