**A Funny Thing Happened on the Way to Chemo** Ileana Von Hirsch, 2018-06-07 This book is the opposite of a misery memoir and is certainly safe to give to cancer patients as a cheerful present More importantly it sheds new light on Why Kim Kardashian is worth Keeping Up With What playlists to make for MRI scans The truth behind the legend of Medea Bikini etiquette on a deserted beach What to do with a glut of rainbow chard What an Oscar winner should say in an acceptance speech How to deal with cold callers selling life insurance And what to wear on a March Against Menopause layers obviously

Queens of Comedy Susan Horowitz, 2012-10-12 Through candid personal interviews with Lucille Ball Carol Burnett and other visionary performers Queens of Comedy explores how comediennes have redefined the roles of women in not only the entertainment business but society as a whole Detailing both their public and private lives as well as their many and varied performances Queen of Comedy examines the impact these women have had on the predominantly male oriented world of comedy Performers like Carol Burnett Joan Rivers and their more recent counterparts comediennes Brett Butler and Roseanne have helped to sift women s roles in comedy from object to subject This book maps out this shift providing an often brutally honest picture of women s lives in both the spotlight of comedy and this modern world

The Midas Touch Tom Logsdon, 2000-11 Simple creative solutions can be worth more than gold And all of us can learn how to become more creative All we have to do is master and use the six specific thought processes or winning strategies creative individuals instinctively employ when they make major breakthroughs In this book those winning strategies are arranged on the arc of creativity which forms the organizing structure for the six middle chapters The first chapter tells you how to get yourself into the proper frame of mind to become more creative how to surround yourself with supportive people and how to persuade them to help you polish and perfect your midas touch solutions Each of the six middle chapters opens with a description of a billion dollar breakthrough made by a single individual armed with one simple creative solution The next part describes the specific thought process winning strategy that individual used and the last part explains how you can use that same thought process in developing solutions to your own personal and professional problems The final chapter shows you how to polish and refine your most promising solutions and how to entice your colleagues to help you convert them into 24 carat gold Creative solutions are a jewel like commodity in today s exciting marketplace of

ideas By mastering and using the six winning strategies on the arc of creativity you can lead a more stimulating life help America's competitive posture and enhance the value of your own career

**Cognition and Humor Methodology and Measurement of Humor and Social Aspects of Humor** **The Senses of Humor** Daniel Wickberg, 2015-01-26 Why do modern Americans believe in something called a sense of humor and how did they come to that belief Daniel Wickberg traces the relatively short cultural history of the concept to its British origins as a way to explore new conceptions of the self and social order in modern America More than simply the history of an idea Wickberg's study provides new insights into a peculiarly modern cultural sensibility The expression sense of humor was first coined in the 1840s and the idea that such a sense was a personality trait to be valued developed only in the 1870s What is the relationship between medieval humoral medicine and this distinctively modern idea of the sense of humor What has it meant in the past 125 years to declare that someone lacks a sense of humor Why do modern Americans say it is a good thing not to take oneself seriously How is the joke as a twentieth century quasi literary form different from the traditional folktale Wickberg addresses these questions among others and in the process uses the history of ideas to throw new light on the way contemporary Americans think and speak about humor and laughter The context of Wickberg's analysis is Anglo American the specifically British meanings of humor and laughter from the sixteenth century forward provide the framework for understanding American cultural values in the nineteenth and twentieth centuries The genealogy of the sense of humor is like the study of keywords an avenue into a significant aspect of the cultural history of modernity Drawing on a wide range of sources and disciplinary perspectives Wickberg's analysis challenges many of the prevailing views of modern American culture and suggests a new model for cultural historians

**Powerful Presentations** Jacques Waisvisz, 2014-02-13 Special Feature This book offers eight unique self evaluating exercises Many books have been written on the subject of public speaking Often these voluminous books have been composed with the aspiring professional speaker in mind However most people do not want to become professional speakers They just want to be able to address an audience when required and to deliver a presentation with grace humour and confidence But most people are afraid A study conducted

by Reader's Digest and Yale University has for twelve years in a row concluded that the number one fear amongst 75 per cent of North Americans is the fear of speaking in front of a group of people. Why do we have this fear of speaking in public? Powerful Presentations answers that question and suggests ways to overcome that fear. The book takes the reader through eight easy steps to write a presentation and eight secrets to present with power and confidence. This practical book on public speaking will help students, managers, executives, and in fact everyone to communicate with an audience in a competent manner.

**Power Quotes** Danai Krokou, 2018-01-03. Would you fancy an intellectual vitamin mix that inspires and motivates you to greatness? Much has changed in the past decades. Genuine wisdom though has not. My aim through this book is to offer you the best bits of the best minds I believe there is a quote for every situation or challenge life throws at us. Throughout human history great leaders have used the power of words to transform our emotions, engage us in their causes, and shape the course of History. The quotes featured in this book are not your typical quotes. Thousands were evaluated and arranged by subject based on their relevance, originality, motivational power, and depth of meaning. You will notice that certain quotes are a call to action while others an opportunity for contemplation. The book is divided into three main sections. Each section is introduced by personal theories on life, business, and leadership. Theories I live and swear by. **Power Quotes** has been a great source of inspiration for me and helped change and shape my personal and professional life for the better. It is my hope that this book will have a similar impact on your life.

**Power Speak** Dorothy Leeds, 2025-09-12. What is the secret to being a captivating and credible speaker? Never be boring. If you are boring, people will not listen. The central message and focus of **PowerSpeak** is the importance of engaging, stimulating, and maintaining an audience's attention. This book focuses on the elements of speaking effectively from a design and a delivery perspective. Dorothy Leeds isolates these essential elements to assure that any speaker can gain and keep the audience's attention. She focuses on the trouble spots of any presentation and the six major faults speakers make. This book also includes tips on the following: Breaking the fear barrier, Ten steps that guarantee a complete presentation, How to avoid weak passive language and make humor your ally, Voice and speech exercises, How to handle the Q & A portion of a presentation, How to develop your own style and project positive body language, How to incorporate or not incorporate new technology into presentations.
